C1 Les tables d'addition

Je m'entraîne à retrouver aussi rapidement que possible les résultats des tables d'addition. Lorsque je veux être évalué, je confie cette fiche à un camarade ou à un parent qui me demandera le résultat d'additions dans un ordre aléatoire, par série de 10 ou de 20. Il indique aussitôt mon résultat, en face de l'opération donnée :

rouge : si je n'ai pas donné le résultat exact ;
orange : si j'ai trouvé, mais pas spontanément ;
vert : si j'ai pu donner immédiatement le résultat.
