Un

oeuf

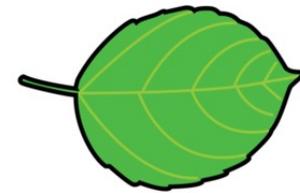

est

sur

1

une

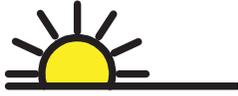

feuille

.

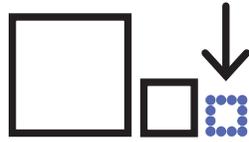

Dimanche

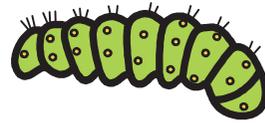

matin

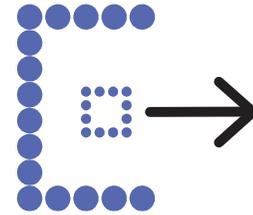

une

petite

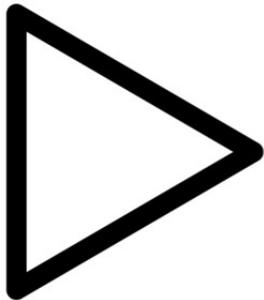

chenille

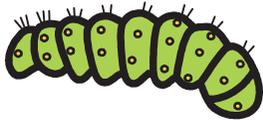

sort

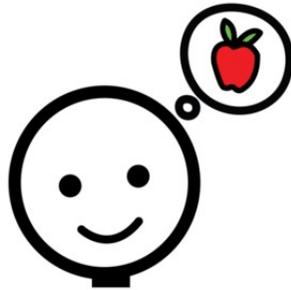

oeuf

La

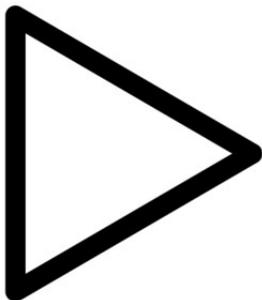

chenille

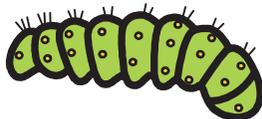

a faim

.

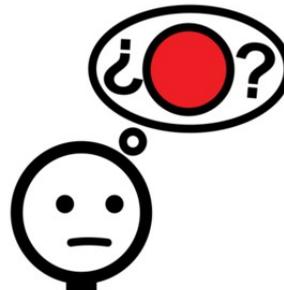

La

chenille

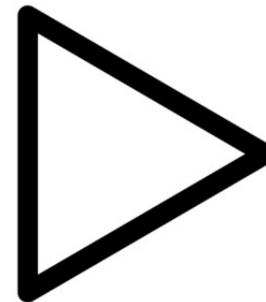

va

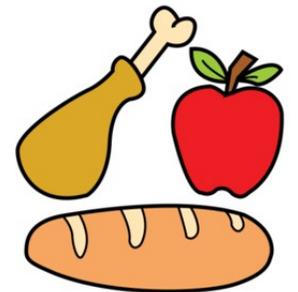

chercher

de

la

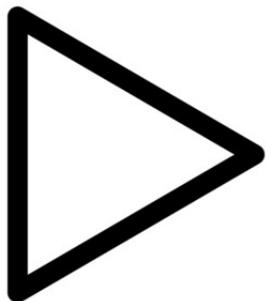

nourriture

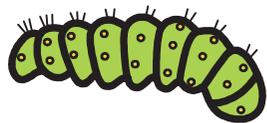

.

Lundi

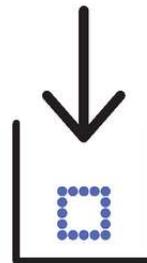

la

chenille

croque

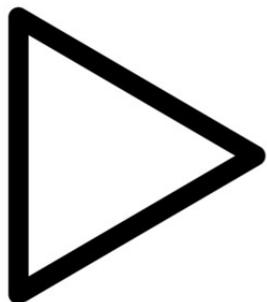

dans

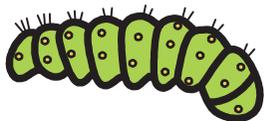

une

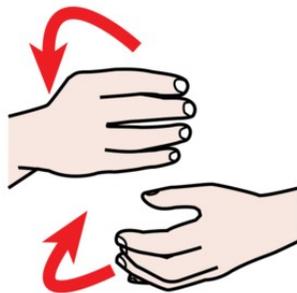

pomme

La

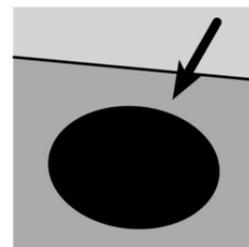

chenille

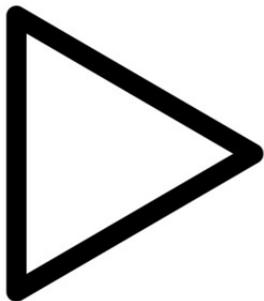

fait

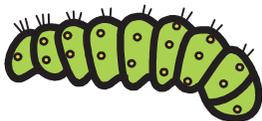

un

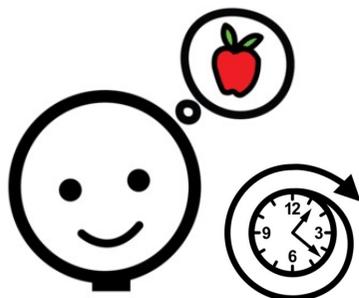

trou

La

chenille

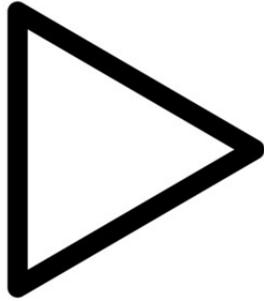

a toujours faim

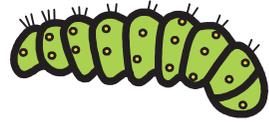

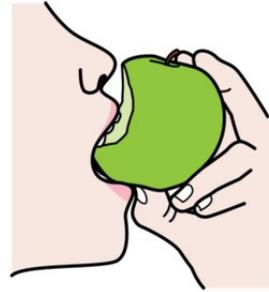

Mardi

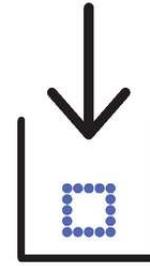

la

chenille

croque

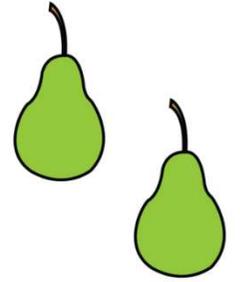

dans

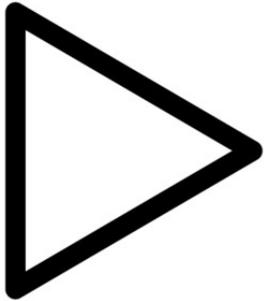

2

deux

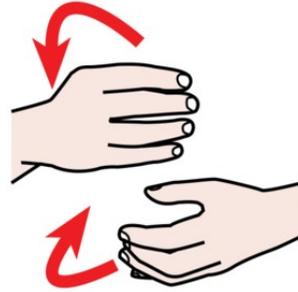

poires

La

chenille

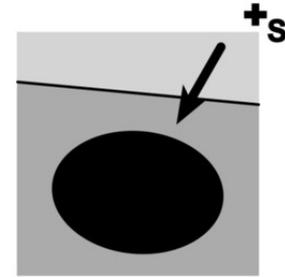

fait

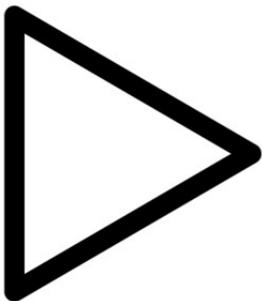

2

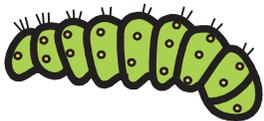

deux

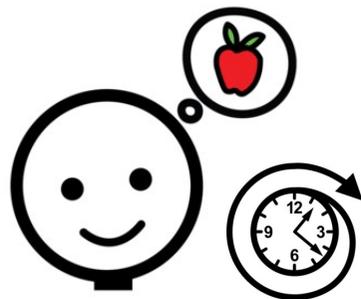

trous

La

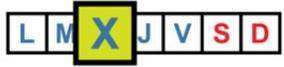

chenille

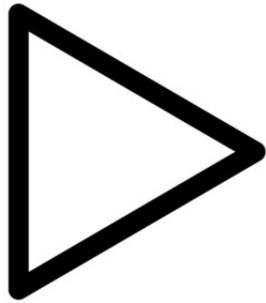

a toujours faim

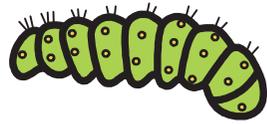

!

Mercredi

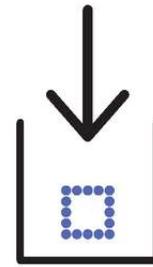

la

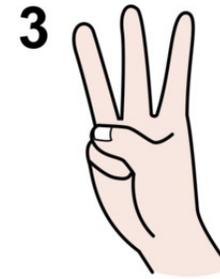

chenille

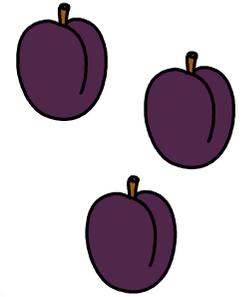

croque

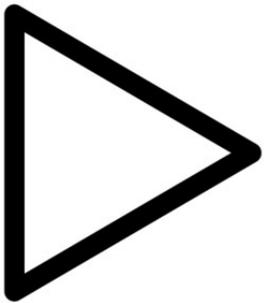

dans

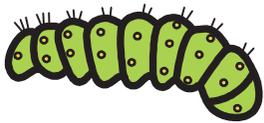

trois

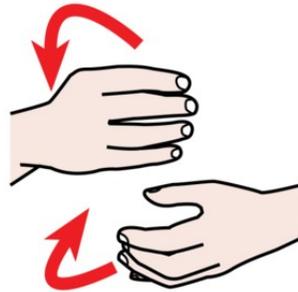

prunes

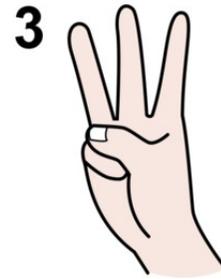

La

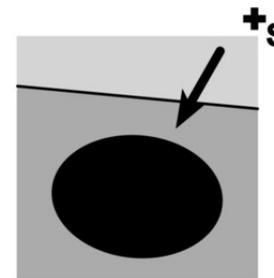

chenille

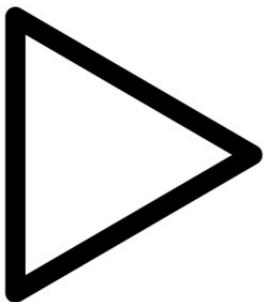

fait

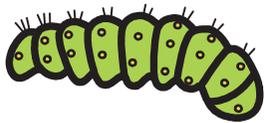

trois

trous

La

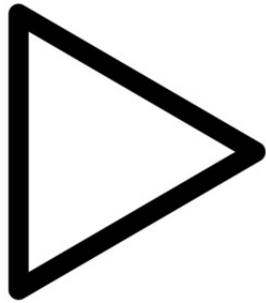

chenille

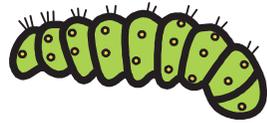

a toujours faim

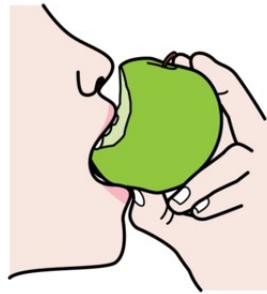

Jeudi

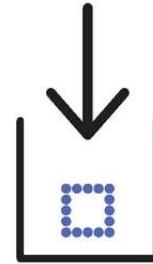

la

chenille

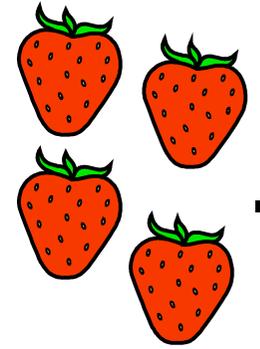

croque

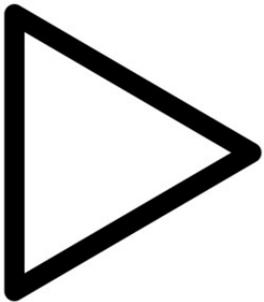

dans

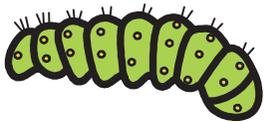

quatre

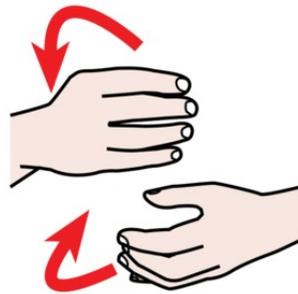

fraises

La

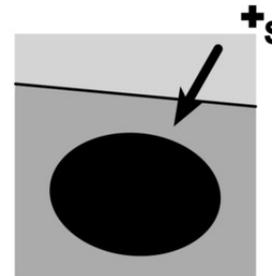

chenille

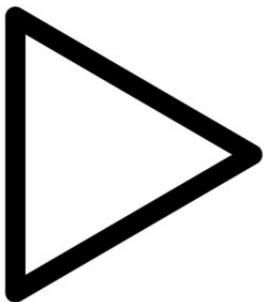

fait

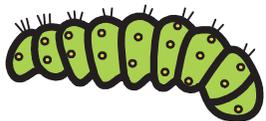

quatre

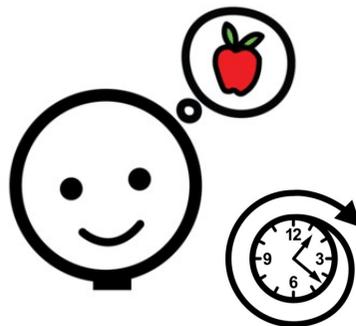

trous

La

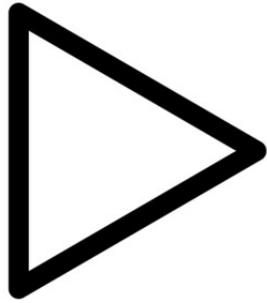

chenille

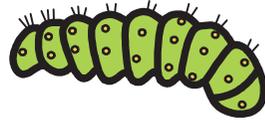

a toujours faim

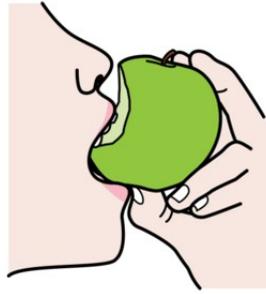

Vendredi

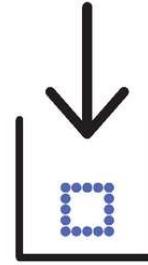

la

chenille

croque

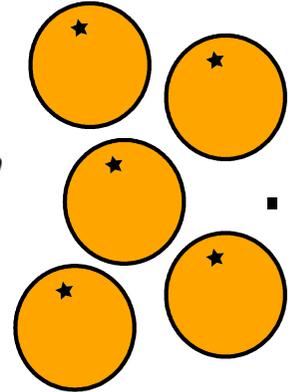

dans

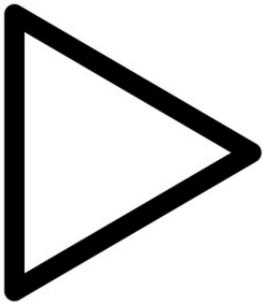

5

cinq

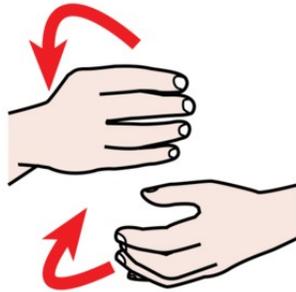

oranges

La

chenille

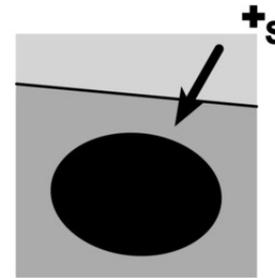

fait

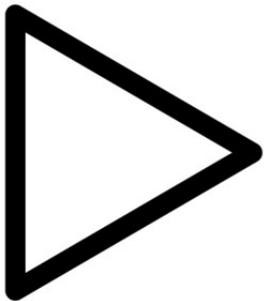

5

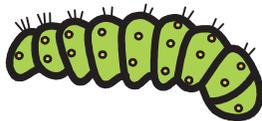

cinq

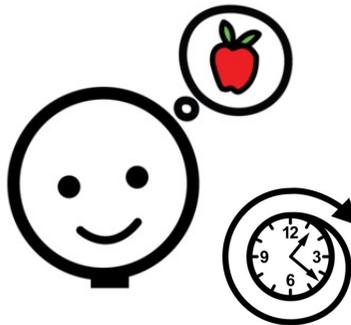

trous

La

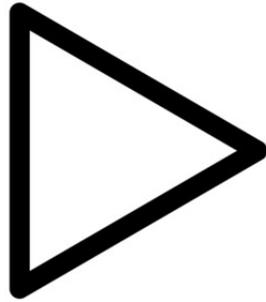

chenille

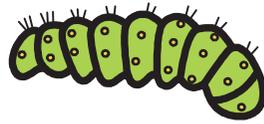

a toujours faim

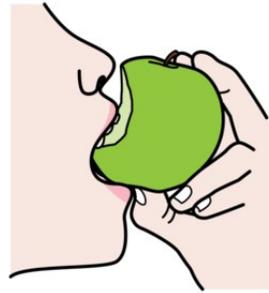

Samedi

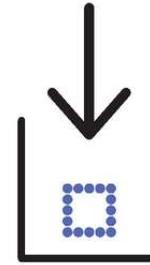

la

chenille

croque

dans

un

morceau
de gâteau

une

glace

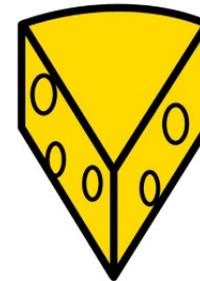

un

cornichon

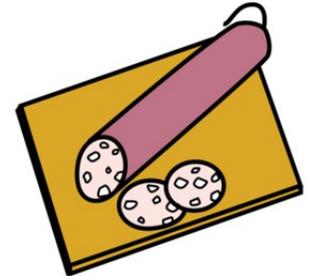

un

morceau
de gruyère

un

saucisson

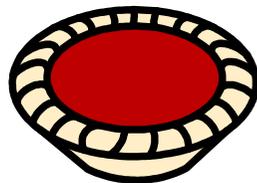

une

sucette

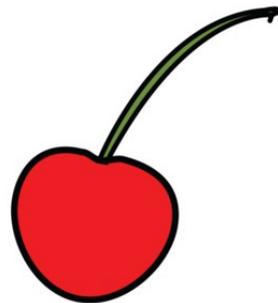

une

tarte

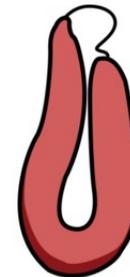

aux

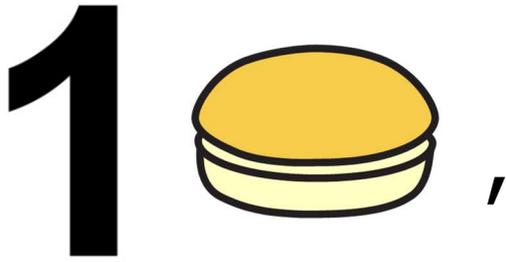

cerises

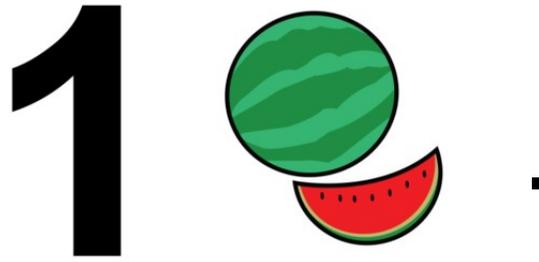

une

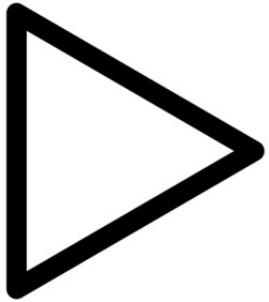

saucisse

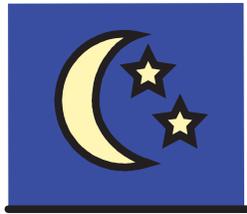

une brioche

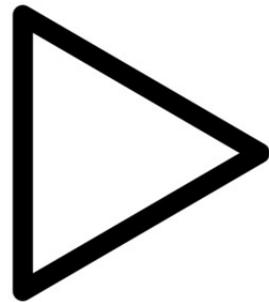

une tranche de pastèque

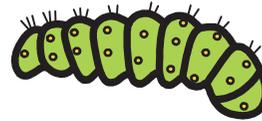

La

nuit

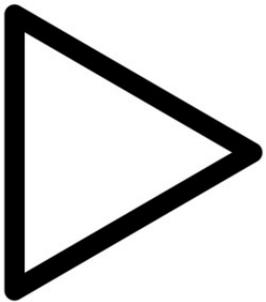

la

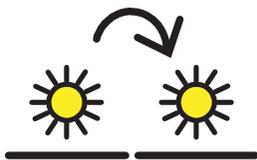

chenille

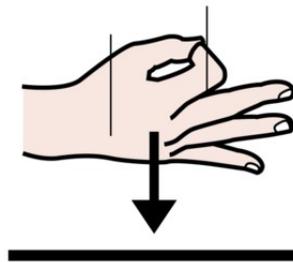

a mal au ventre

Le

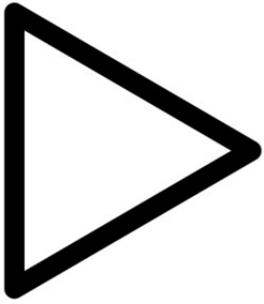

lendemain

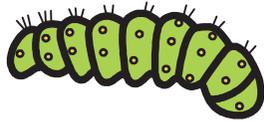

c'est

dimanche

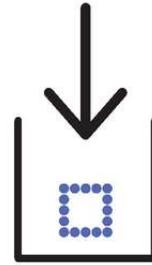

La

chenille

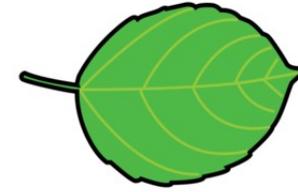

croque

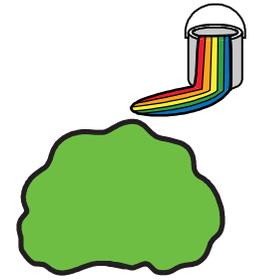

dans

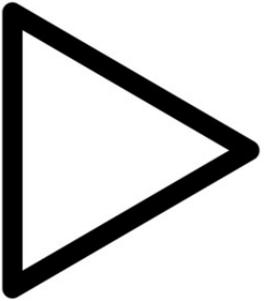

une

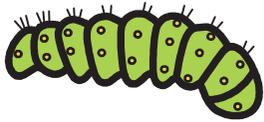

feuille

verte

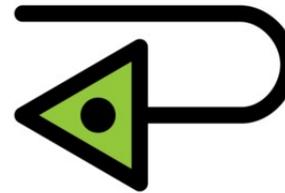

La

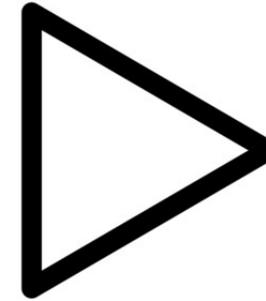

chenille

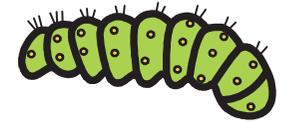

va mieux

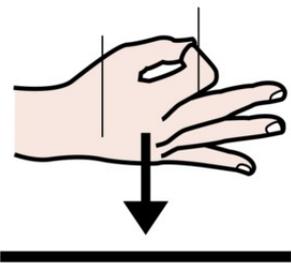

mais

la

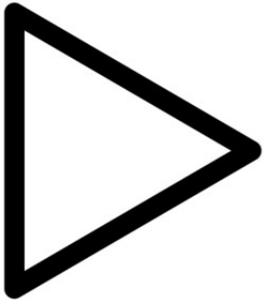

chenille

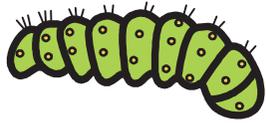

est

grosse

La

chenille

construit

1

cocon

.

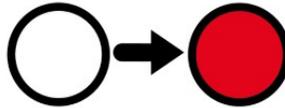

2

Deux

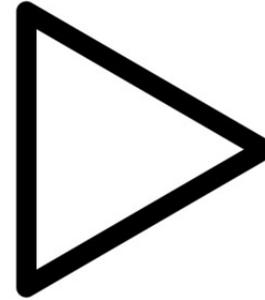

semaines

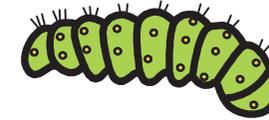

après

,

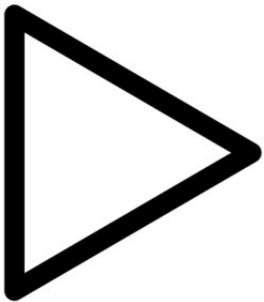

la

chenille

casse

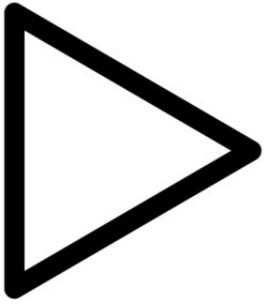

le

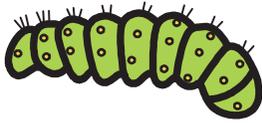

cocon

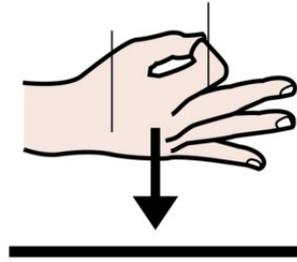

.

La

chenille

est

1

...

un
