

Feuille rousse, feuille folle

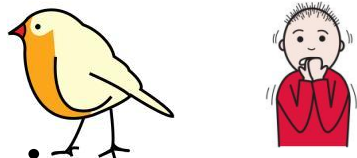

Feuille rousse, feuille folle

Tourne, tourne, tourne et vole !

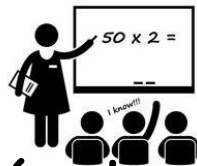

Tu voltiges au vent léger

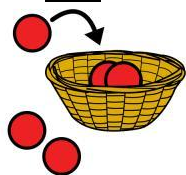

Comme un oiseau apeuré

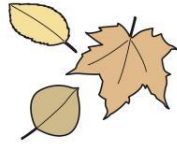

Feuille rousse, feuille folle !

Sur le chemin de l'école,

J'ai rempli tout mon panier

Des jolies feuilles du **sentier**.

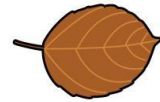

Feuille **rousse**, feuille folle !

X2

Dans le **vent** qui vole, vole.

J'ai cueilli **pour** **mon** **cahier** la feuille qui

dansait.
