

An illustration of Jesus walking on water over a stormy sea at night. Jesus, with a beard and long hair, wearing a white robe with a blue sash, stands on the surface of the dark blue, turbulent water. He has his arms outstretched towards the disciples in a wooden boat. The disciples, also with beards and wearing simple robes, look up at Jesus with expressions of awe and fear. One man in a green robe is leaning over the side of the boat, reaching out. The sea is filled with large, white-capped waves. In the background, another boat with more people is visible. A bright, glowing orb, possibly the moon or a star, is in the dark sky. A large, yellow, oval-shaped speech bubble is positioned in the upper right, containing the text 'Jesus Keeps Me Safe.'

**Jesus Keeps
Me Safe.**
