

### Evaluation de Géométrie: droites parallèles

| Compétences évaluées               | Acquis | En voie d'acquisition | Non acquis |
|------------------------------------|--------|-----------------------|------------|
| Reconnaître des droites parallèles |        |                       |            |
| Tracer des droites parallèles      |        |                       |            |

**1. Vérifie dans chaque cas si les droites et segments sont parallèles ou non.**

|   |   |
|---|---|
| <p>(AB) et [CD] .....</p>                          | <p>(EF) et (GH) .....</p>   |
| <p>[MN] et [OP] .....<br/>[MP] et [NO] .....</p>  | <p>[IJ] et [KL] .....</p>  |

**2. Dans chaque cas, trace une droite parallèle à (AB).**
