A yellow rounded square card with a black border. In the top-left corner is a small white rounded square containing a cartoon girl with blonde pigtails, wearing a red and yellow striped top and a red skirt. In the top-right corner is a small square divided into four quadrants of red, green, blue, and yellow. The main area of the card is white and contains a large yellow-outlined square box. Inside this box are five yellow circles arranged in a pentagonal pattern. To the right of the box are two more yellow circles, one above and one below the center.

A yellow rounded square card with a black border. In the top-left corner is a small white rounded square containing a cartoon girl with blonde pigtails, wearing a red and yellow striped top and a red skirt. In the top-right corner is a small square divided into four quadrants of red, green, blue, and yellow. The main area of the card is white and contains two yellow-outlined square boxes side-by-side. Each box contains five yellow circles arranged in a pentagonal pattern.

A yellow rounded square card with a black border. In the top-left corner is a small white rounded square containing a cartoon girl with blonde pigtails, wearing a red and yellow striped top and a red skirt. In the top-right corner is a small square divided into four quadrants of red, green, blue, and yellow. The main area of the card is white and contains two yellow-outlined square boxes stacked vertically. Each box contains five yellow circles arranged in a pentagonal pattern. To the right of the boxes is one yellow circle.

A yellow rounded square card with a black border. In the top-left corner is a small white rounded square containing a cartoon girl with blonde pigtails, wearing a red and yellow striped top and a red skirt. In the top-right corner is a small square divided into four quadrants of red, green, blue, and yellow. The main area of the card is white and contains two yellow-outlined square boxes stacked vertically. Each box contains five yellow circles arranged in a pentagonal pattern. To the right of the boxes are two yellow circles.

A yellow rounded square card with a black border. In the top left corner is a cartoon girl with blonde pigtails, wearing a red and yellow outfit. In the top right corner is a small logo consisting of four colored squares (red, green, blue, yellow). The main area contains a white rounded rectangle. Inside this rectangle, on the left, are two dice faces, each showing 5 yellow dots. To the right of the dice are 3 loose yellow dots.

A yellow rounded square card with a black border. In the top left corner is a cartoon girl with blonde pigtails, wearing a red and yellow outfit. In the top right corner is a small logo consisting of four colored squares (red, green, blue, yellow). The main area contains a white rounded rectangle. Inside this rectangle, on the left, are two dice faces, each showing 5 yellow dots. To the right of the dice are 4 loose yellow dots.

A yellow rounded square card with a black border. In the top left corner is a cartoon girl with blonde pigtails, wearing a red and yellow outfit. In the top right corner is a small logo consisting of four colored squares (red, green, blue, yellow). The main area contains a white rounded rectangle. Inside this rectangle, on the left, are two dice faces, each showing 5 yellow dots. To the right of the dice is a separate box containing 5 yellow dots.

A yellow rounded square card with a black border. In the top left corner is a cartoon girl with blonde pigtails, wearing a red and yellow outfit. In the top right corner is a small logo consisting of four colored squares (red, green, blue, yellow). The main area contains a white rounded rectangle. Inside this rectangle, on the left, are two dice faces, each showing 5 yellow dots. To the right of the dice is a separate box containing 5 yellow dots.

A yellow rounded square card with a black border. In the top left corner is a cartoon girl with blonde pigtails, wearing a red and yellow outfit. In the top right corner is a small logo consisting of four colored squares (red, green, blue, yellow). The main area contains a white rounded rectangle. Inside this rectangle, on the left, are two dice faces, each showing 5 yellow dots. To the right of the dice are 2 loose yellow dots.

A yellow rounded square card with a black border. In the top left corner is a cartoon girl with blonde pigtails, wearing a red and yellow outfit. In the top right corner is a small logo consisting of four colored squares (red, green, blue, yellow). The main area contains a white rounded rectangle. Inside this rectangle, on the left, are two dice faces, each showing 5 yellow dots. To the right of the dice are 3 loose yellow dots.

A yellow card with a rounded border. In the top-left corner is a white rounded square containing a cartoon girl with blonde pigtails, wearing a red and yellow striped outfit. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The main area of the card is white and contains ten yellow dots arranged in two groups: a 2x2 grid of squares, each containing three dots, and a separate group of four dots (two in a horizontal row, two in a vertical column).

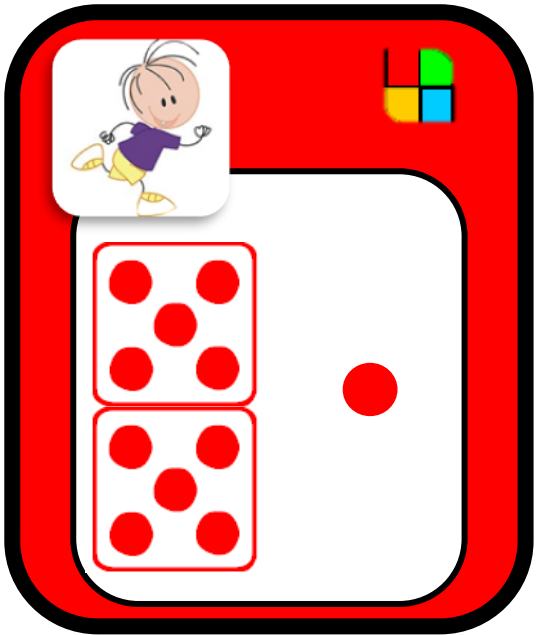

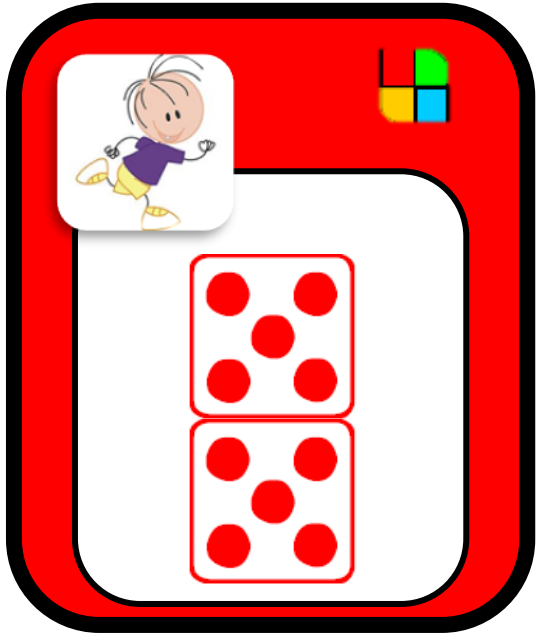

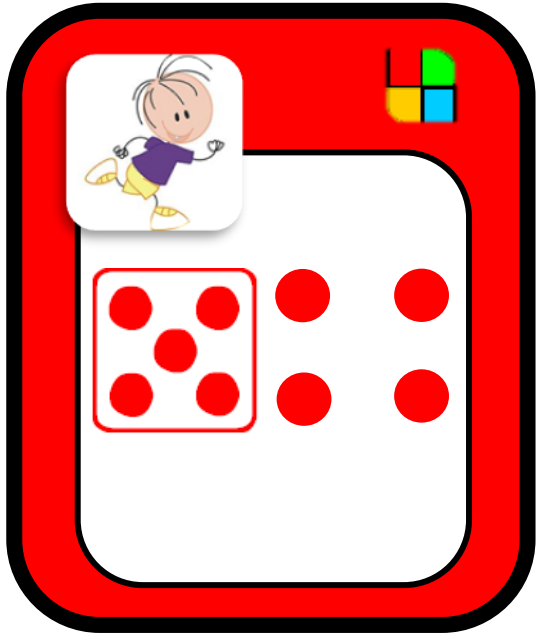

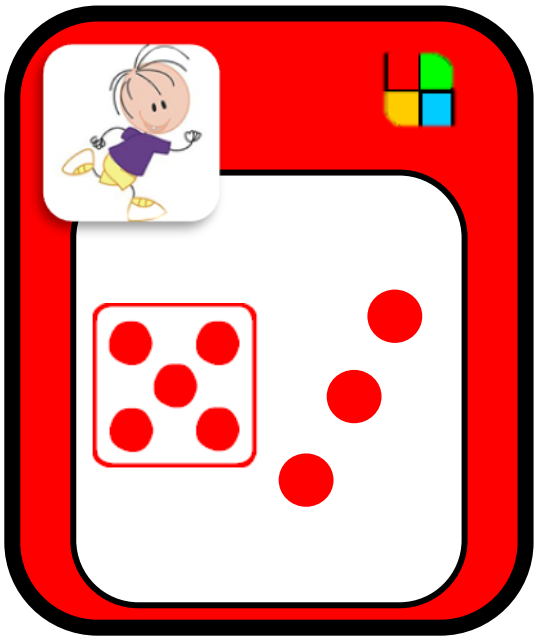

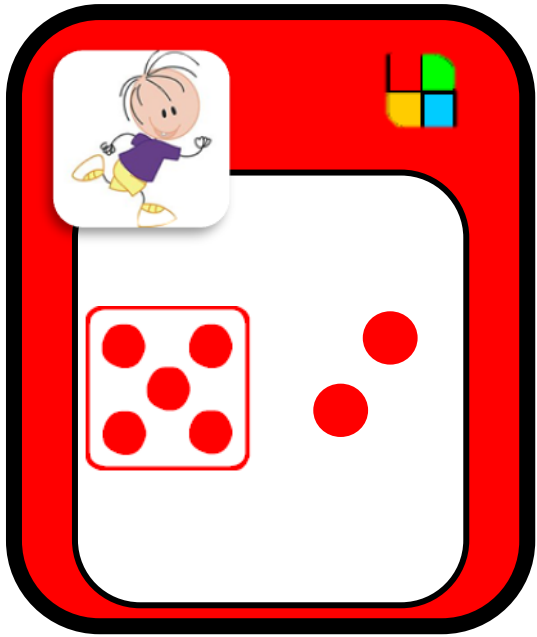

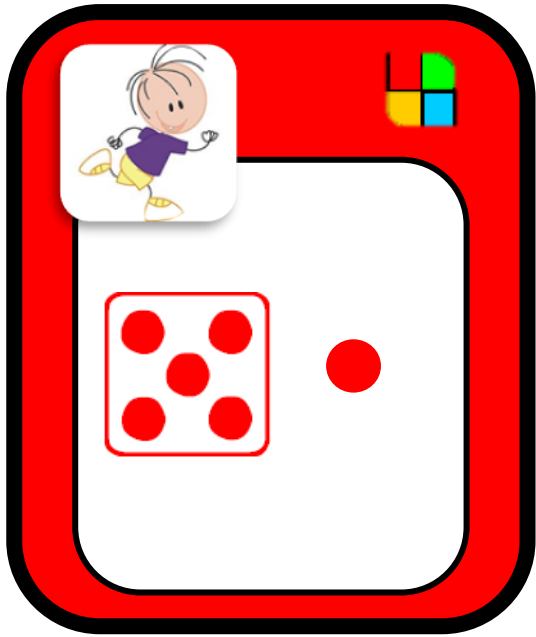

A red card with a rounded border. In the top-left corner is a white rounded square containing a cartoon boy with grey hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The main area of the card is white and contains one red dot in the center.

A red card with a rounded border. In the top-left corner is a white rounded square containing a cartoon boy with grey hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The main area of the card is white and contains two red dots: one in the lower-left and one in the upper-right.

A red card with a rounded border. In the top-left corner is a white rounded square containing a cartoon boy with grey hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The main area of the card is white and contains three red dots arranged in a diagonal line from the bottom-left to the top-right.

A red card with a rounded border. In the top-left corner is a white rounded square containing a cartoon boy with grey hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The main area of the card is white and contains four red dots arranged in a 2x2 grid.

A red card with a rounded border. In the top-left corner is a white rounded square containing a cartoon boy with grey hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The main area of the card is white and contains five red dots arranged in a square pattern, with a red square border drawn around them.

A red-bordered rounded square containing a cartoon boy in a purple shirt and yellow pants running. In the top right corner is a small icon with four colored squares (yellow, green, blue, red). Below the boy are two dice, each showing five red dots. To the right of the dice are two red dots.

A red-bordered rounded square containing a cartoon boy in a purple shirt and yellow pants running. In the top right corner is a small icon with four colored squares (yellow, green, blue, red). Below the boy are two dice, each showing five red dots. To the right of the dice are three red dots.

A red-bordered rounded square containing a cartoon boy in a purple shirt and yellow pants running. In the top right corner is a small icon with four colored squares (yellow, green, blue, red). Below the boy are two dice, each showing five red dots. To the right of the dice are four red dots.

A red-bordered rounded square containing a cartoon boy in a purple shirt and yellow pants running. In the top right corner is a small icon with four colored squares (yellow, green, blue, red). Below the boy are two dice, each showing five red dots. To the right of the dice are five red dots.

A red-bordered rounded square containing a cartoon boy in a purple shirt and yellow pants running. In the top right corner is a small icon with four colored squares (yellow, green, blue, red). Below the boy are three dice, each showing five red dots. To the right of the dice is one red dot.

A red-bordered rounded square containing a cartoon boy in a purple shirt and yellow pants running. In the top right corner is a small icon with four colored squares (yellow, green, blue, red). Below the boy are three dice, each showing five red dots. To the right of the dice are two red dots.

A red-bordered card with a white background. In the top-left corner is a white rounded rectangle containing a cartoon boy with blonde hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), yellow (bottom-left), and blue (bottom-right). The main area contains 13 red dots: two groups of five dots each, each enclosed in a red square border, and six individual dots scattered around.

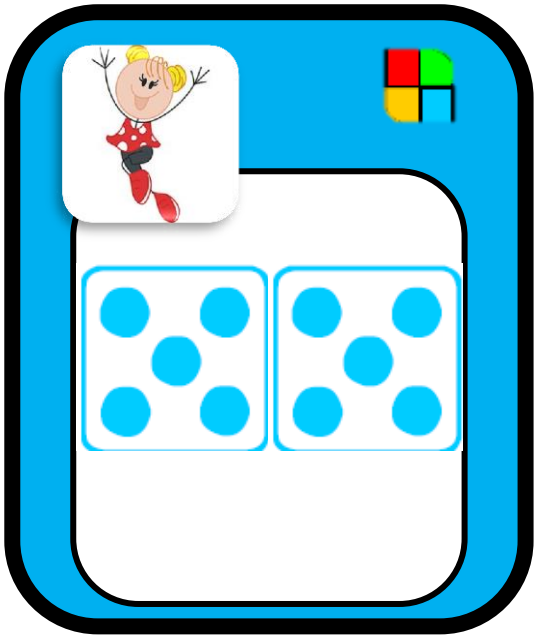

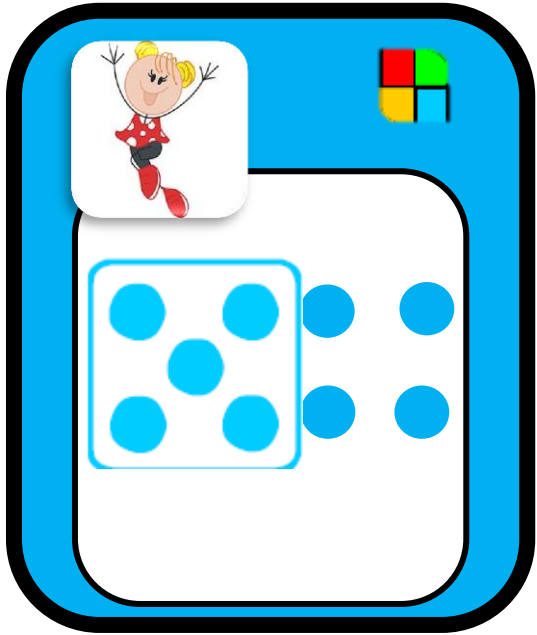

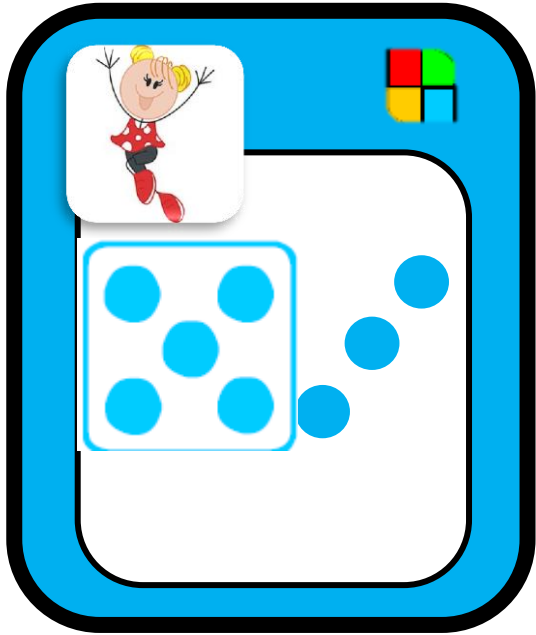

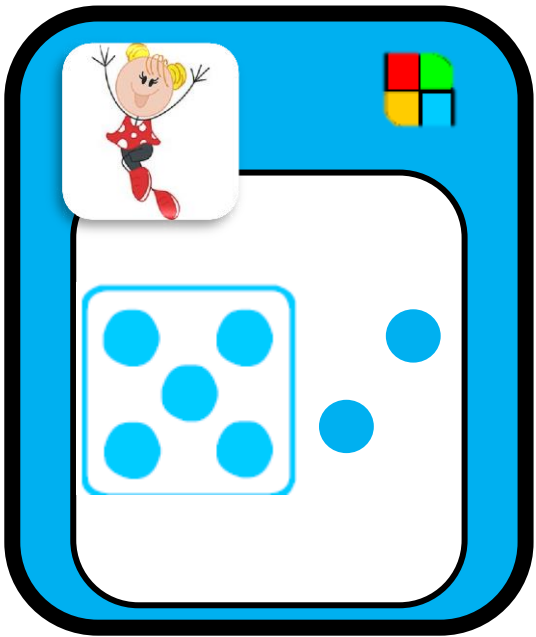

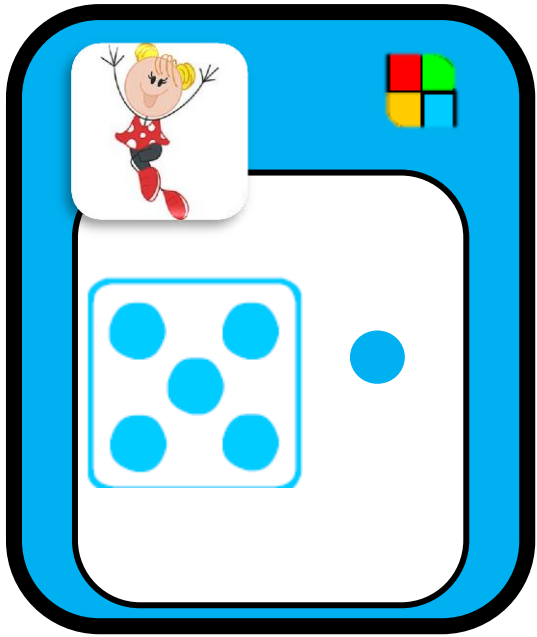

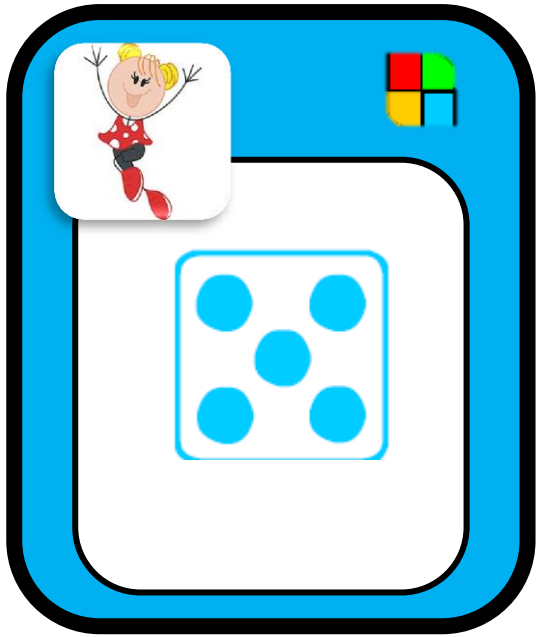

A red-bordered card with a white background. In the top-left corner is a white rounded rectangle containing a cartoon boy with blonde hair, wearing a purple shirt and yellow shorts, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), yellow (bottom-left), and blue (bottom-right). The main area contains 13 red dots: two groups of five dots each, each enclosed in a red square border, and six individual dots scattered around.

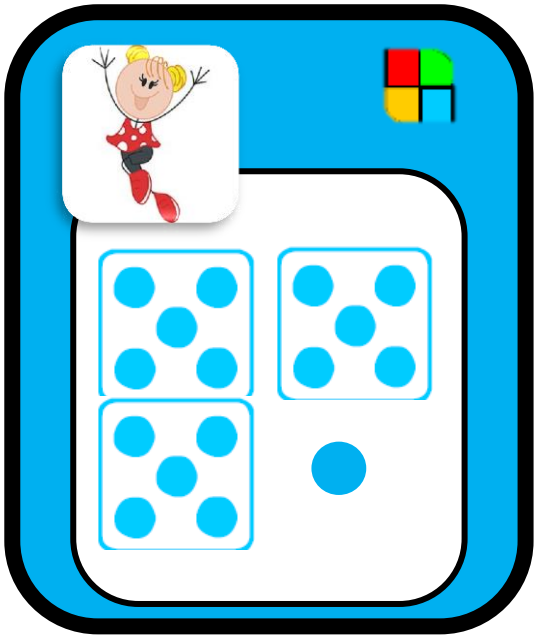

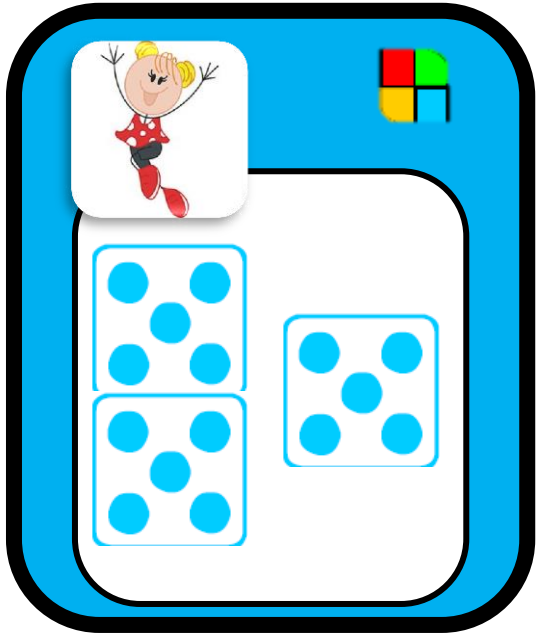

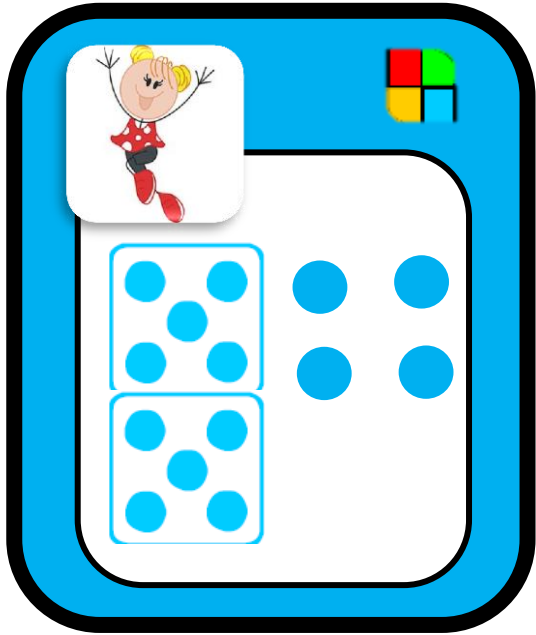

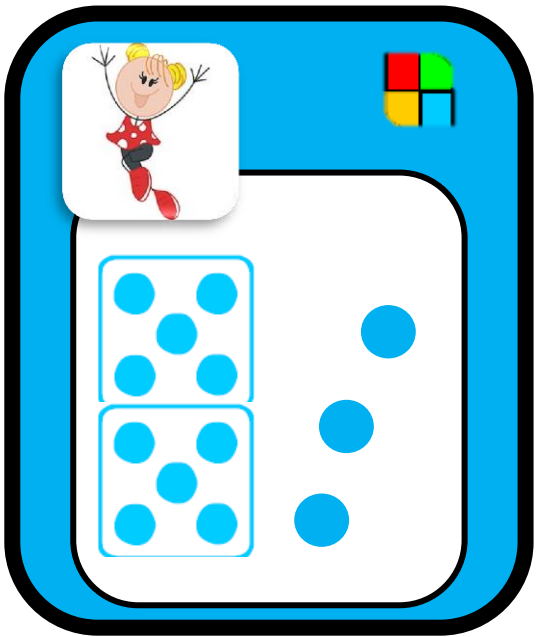

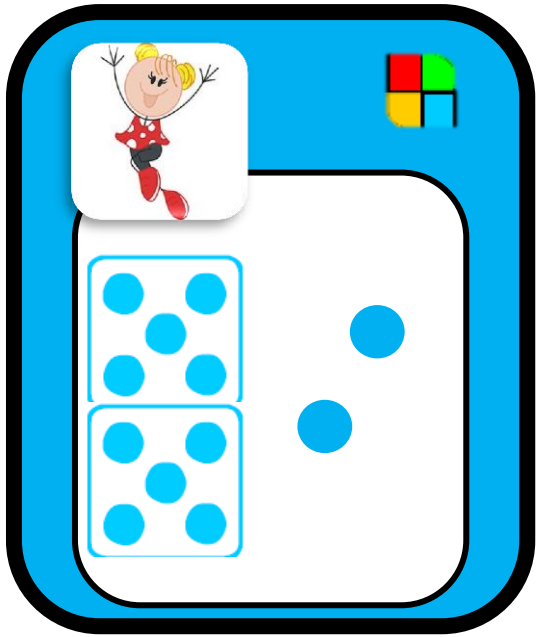

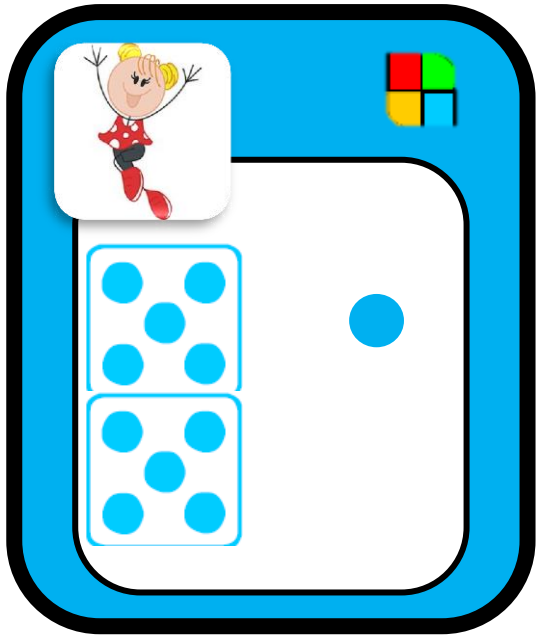

A blue-bordered card with a white background. In the top-left corner is a white rounded rectangle containing a cartoon girl with blonde hair, wearing a red polka-dot shirt and red shoes, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), yellow (bottom-left), and blue (bottom-right). The main area contains one blue dot.

A blue-bordered card with a white background. In the top-left corner is a white rounded rectangle containing a cartoon girl with blonde hair, wearing a red polka-dot shirt and red shoes, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), yellow (bottom-left), and blue (bottom-right). The main area contains two blue dots.

A blue-bordered card with a white background. In the top-left corner is a white rounded rectangle containing a cartoon girl with blonde hair, wearing a red polka-dot shirt and red shoes, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), yellow (bottom-left), and blue (bottom-right). The main area contains three blue dots.

A blue-bordered card with a white background. In the top-left corner is a white rounded rectangle containing a cartoon girl with blonde hair, wearing a red polka-dot shirt and red shoes, in a jumping pose. In the top-right corner is a small square divided into four quadrants: red (top-left), green (top-right), yellow (bottom-left), and blue (bottom-right). The main area contains four blue dots arranged in a 2x2 grid.

A blue-bordered card with a girl character in the top-left corner and a 2x2 grid of dice faces in the center. The top-left die shows 5 dots, the top-right die shows 4 dots, the bottom-left die shows 3 dots, and the bottom-right die shows 2 dots.

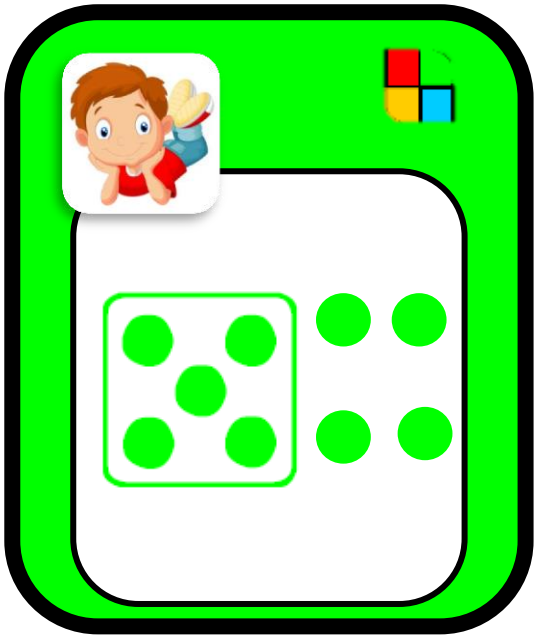

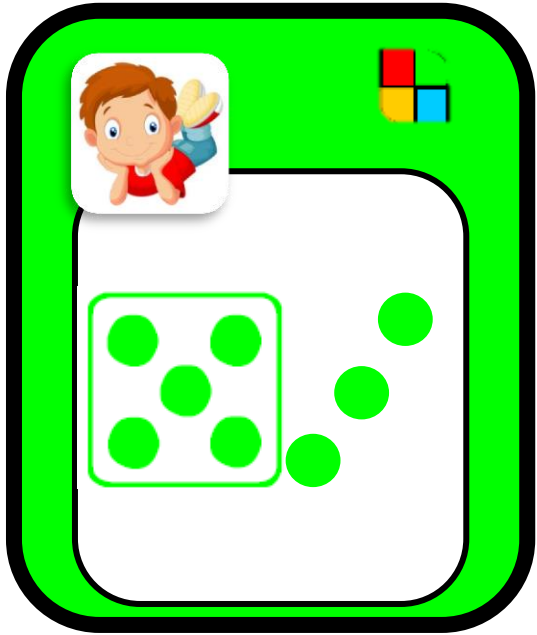

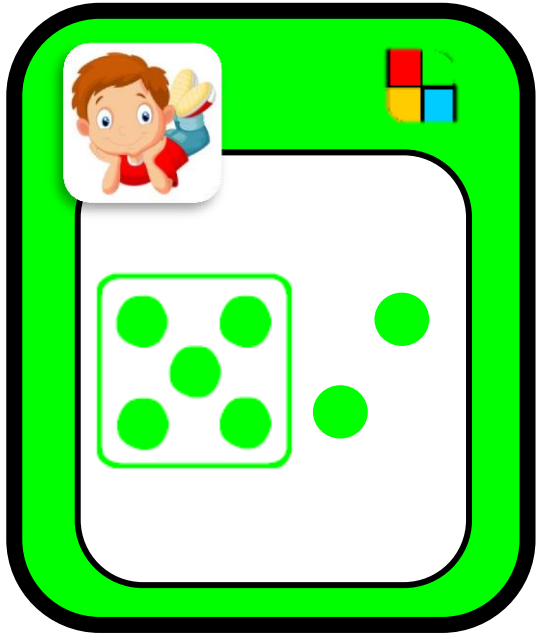

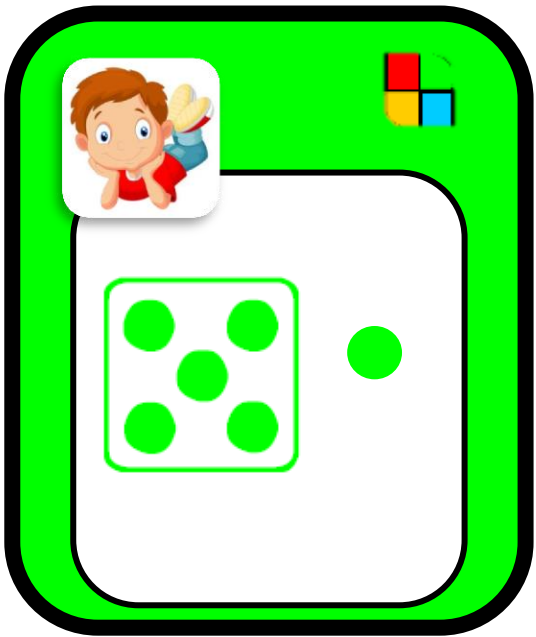

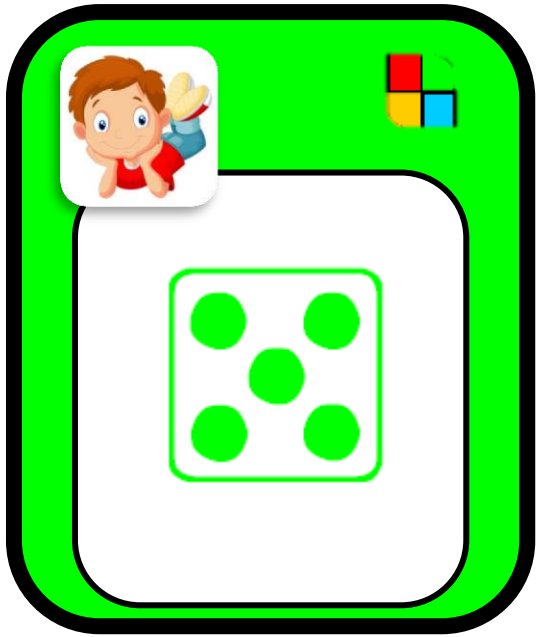

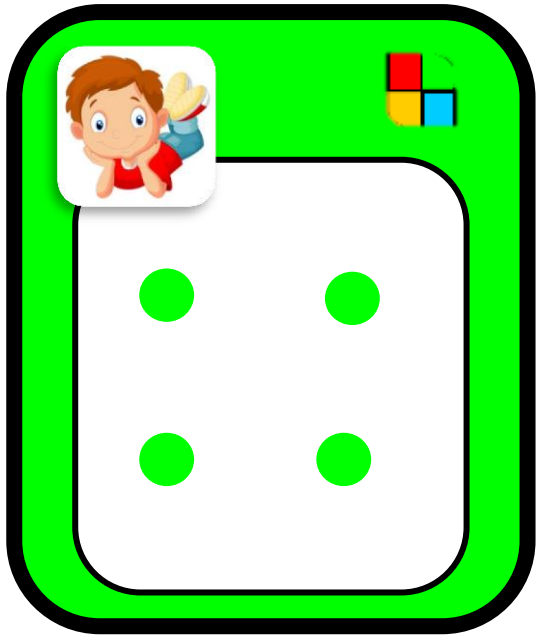

A blue-bordered card with a girl character in the top-left corner and a 2x2 grid of dice faces in the center. The top-left die shows 5 dots, the top-right die shows 4 dots, the bottom-left die shows 3 dots, and the bottom-right die shows 2 dots.

A blue-bordered card with a girl character in the top-left corner and a 2x2 grid of dice faces in the center. The top-left die shows 5 dots, the top-right die shows 4 dots, the bottom-left die shows 3 dots, and the bottom-right die shows 2 dots.

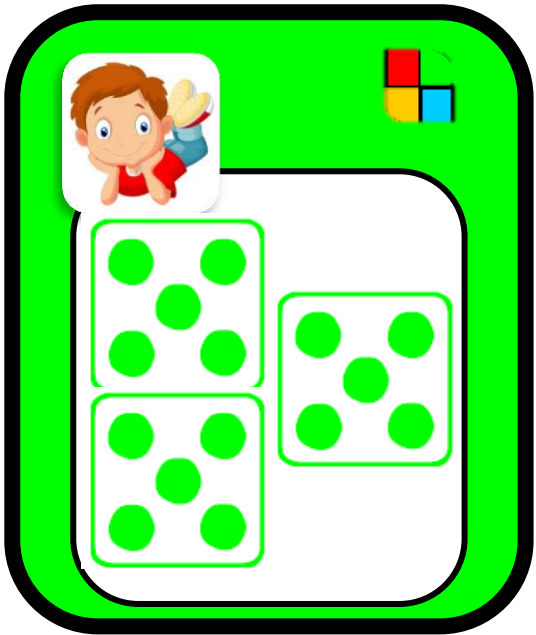

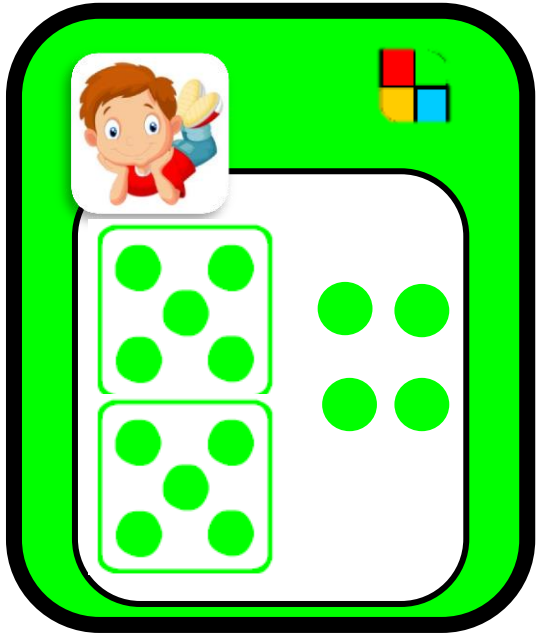

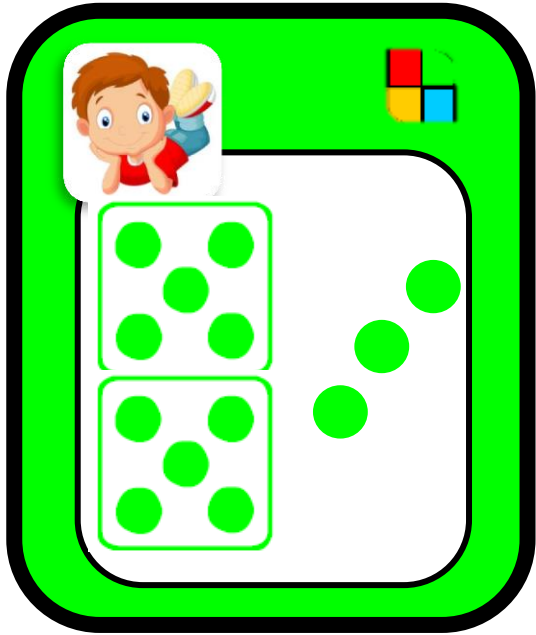

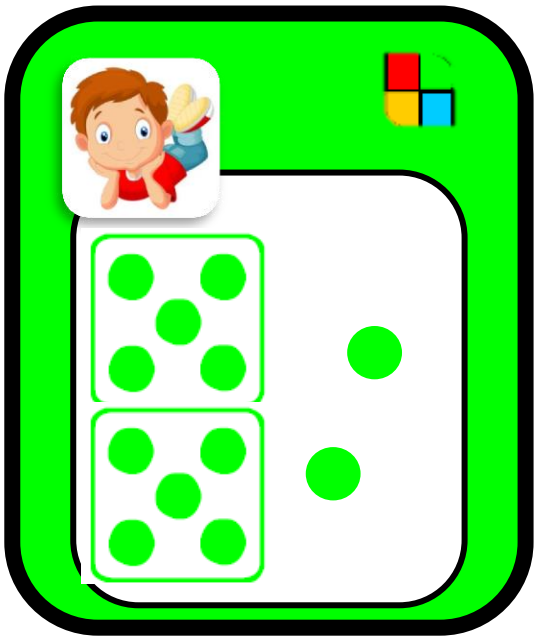

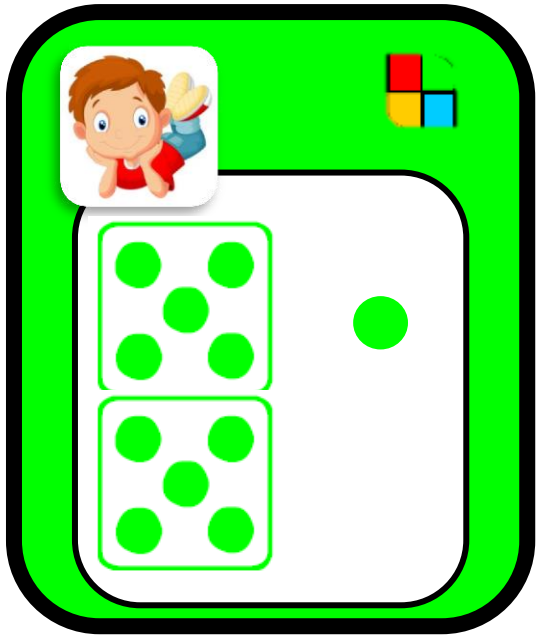

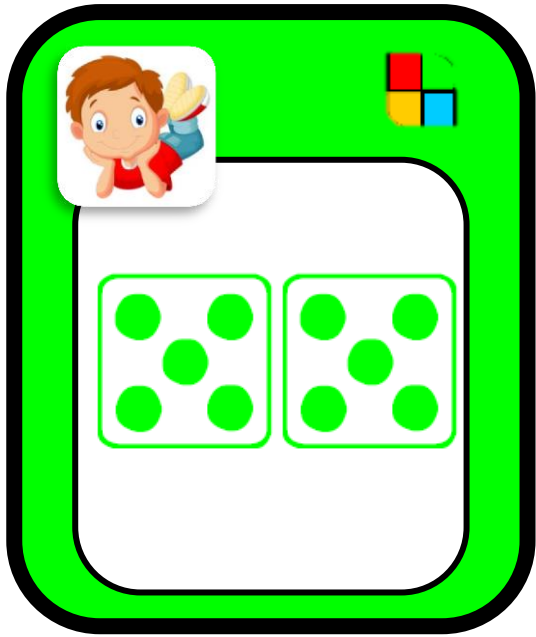

A green-bordered card with a boy character in the top-left corner and a single green dot in the center.

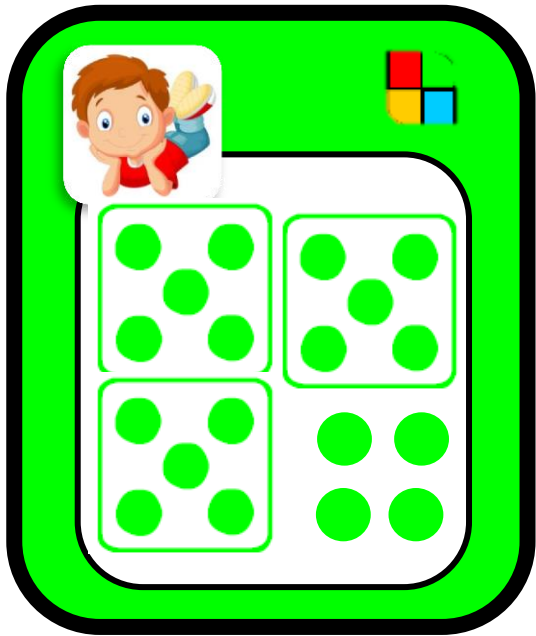

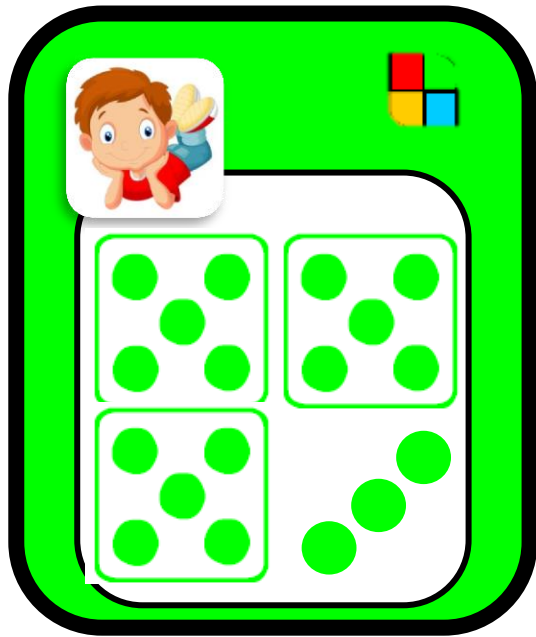

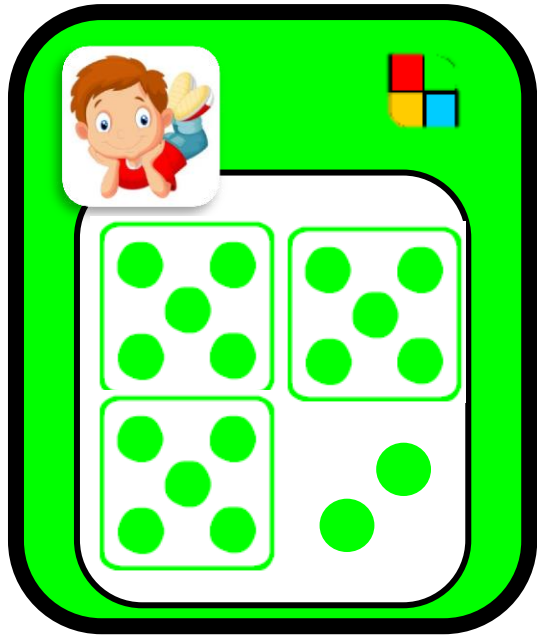

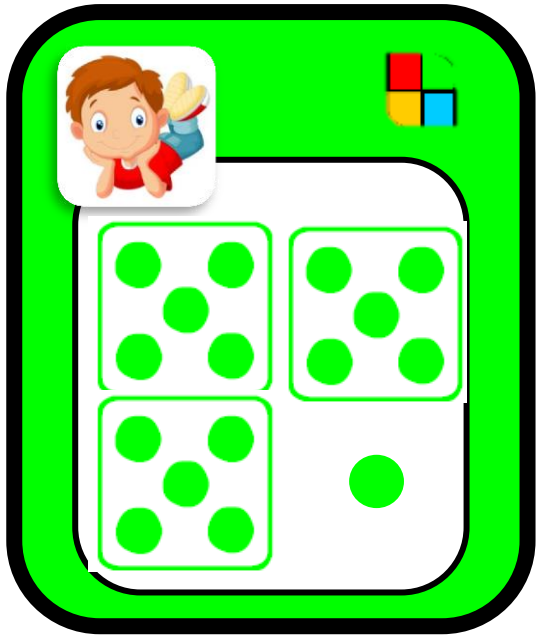

A green-bordered card with a boy character in the top-left corner and two green dots arranged in a diagonal line from bottom-left to top-right.

A green-bordered card with a boy character in the top-left corner and three green dots arranged in a diagonal line from bottom-left to top-right.
