Escargot rigolo

Escargot rigolo, sors tes cornes, sors tes cornes,
Escargot rigolo, sors tes cornes comme il faut !

Goutte d'eau sur ton dos, ça résonne, ça résonne,
Goutte d'eau sur ton dos, ça résonne un peu trop.

On attend le soleil, pour avoir chaud, pour avoir chaud,
On attend le soleil pour sécher le p'tit escargot.

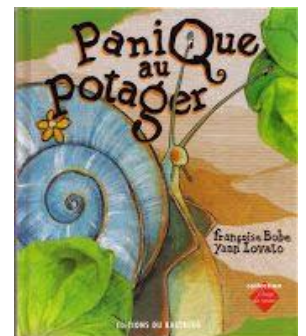

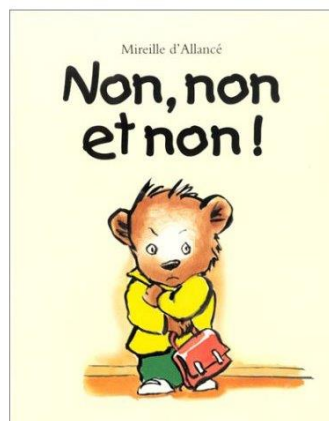

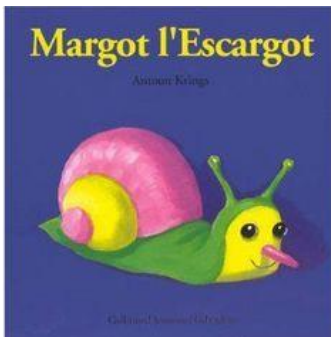

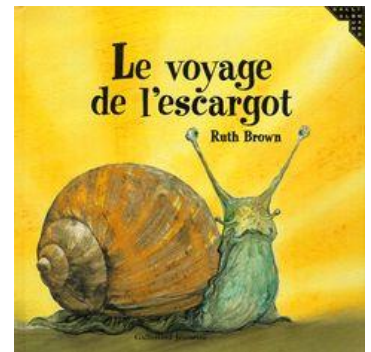

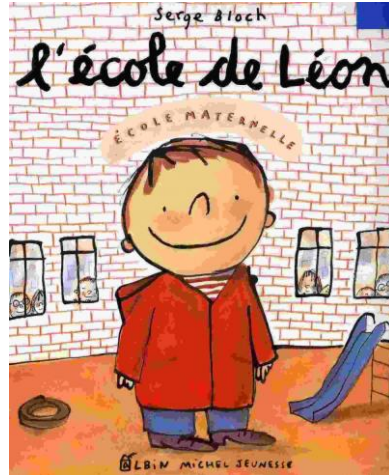

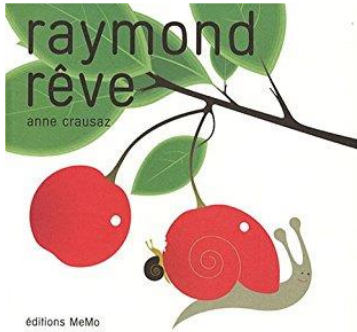

Monsieur l'escargot

Mr l'escargot s'endort quand il fait très beau dehors.
Mais quand un nuage passe, un nuage qui fait la pluie.
Petit escargot, sort une corne d'abord puis une autre corne.
Le soleil est fatigué de chauffer, chauffer, chauffer.
Mais quand un nuage passe, un nuage qui fait la pluie.
Petit escargot, sort une corne d'abord puis une autre corne

NUMERATION: discriminer des quantités.

Consigne: Retrouve les histoires qui parlent d'escargot. Colle une gommette rouge sur l'histoire que tu viens de découvrir.

NUMERATION: créer des quantités.
