

Le calculateur de durées

Des CE2

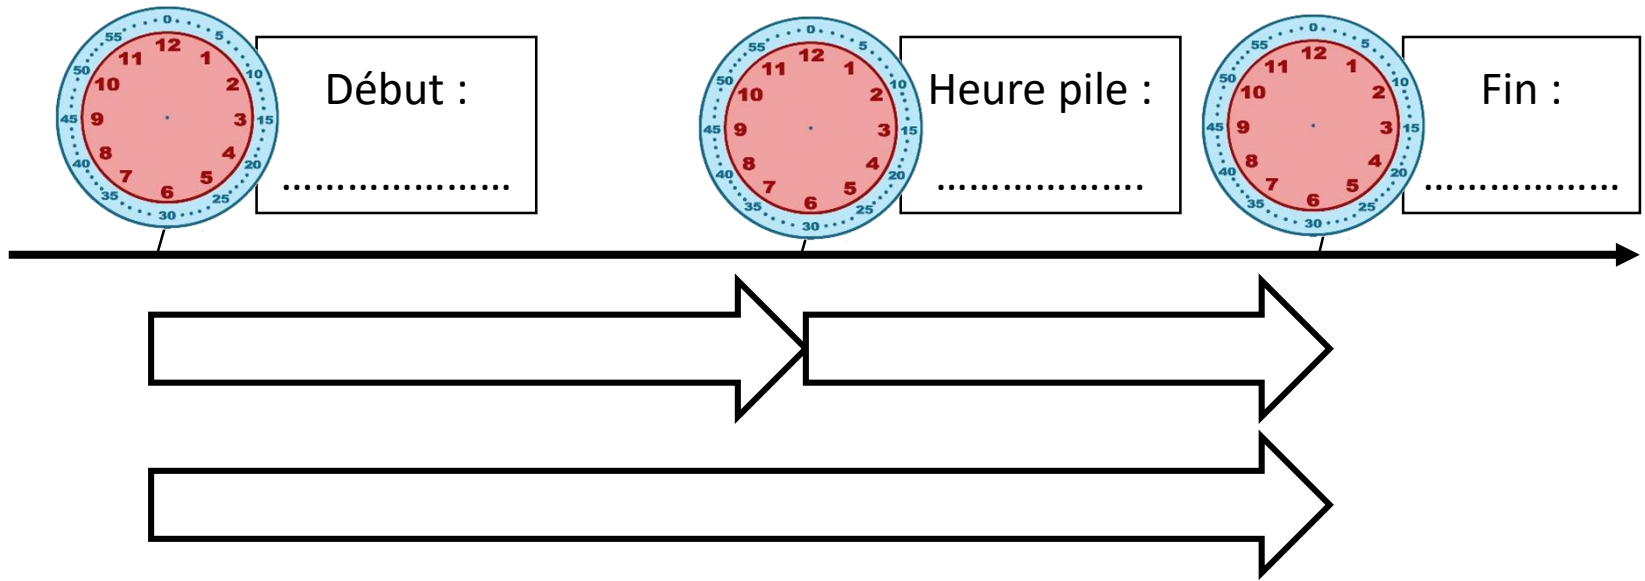

Diagram 1: A vertical timeline with a central line and two arrows pointing upwards. On the left side, from bottom to top, there is a clock face, a box labeled "Début :", a second clock face, a box labeled "Heure pile :", a third clock face, a box labeled "Fin :", and a fourth clock face. On the right side, from bottom to top, there is a box labeled "Début :", a second box labeled "Heure pile :", a third box labeled "Fin :", and a fourth box labeled "Fin :".

Diagram 2: A vertical timeline with a central line and two arrows pointing upwards. On the left side, from bottom to top, there is a clock face, a box labeled "Début :", a second clock face, a box labeled "Heure pile :", a third clock face, a box labeled "Fin :", and a fourth clock face. On the right side, from bottom to top, there is a box labeled "Début :", a second box labeled "Heure pile :", a third box labeled "Fin :", and a fourth box labeled "Fin :".

Diagram 3: A vertical timeline with a central line and two arrows pointing upwards. On the left side, from bottom to top, there is a clock face, a box labeled "Début :", a second clock face, a box labeled "Heure pile :", a third clock face, a box labeled "Fin :", and a fourth clock face. On the right side, from bottom to top, there is a box labeled "Début :", a second box labeled "Heure pile :", a third box labeled "Fin :", and a fourth box labeled "Fin :".

Diagram 4: A vertical timeline with a central line and two arrows pointing upwards. On the left side, from bottom to top, there is a clock face, a box labeled "Début :", a second clock face, a box labeled "Heure pile :", a third clock face, a box labeled "Fin :", and a fourth clock face. On the right side, from bottom to top, there is a box labeled "Début :", a second box labeled "Heure pile :", a third box labeled "Fin :", and a fourth box labeled "Fin :".

Diagram 5: A vertical timeline with a central line and two arrows pointing upwards. On the left side, from bottom to top, there is a clock face, a box labeled "Début :", a second clock face, a box labeled "Heure pile :", a third clock face, a box labeled "Fin :", and a fourth clock face. On the right side, from bottom to top, there is a box labeled "Début :", a second box labeled "Heure pile :", a third box labeled "Fin :", and a fourth box labeled "Fin :".

Diagram 6: A vertical timeline with a central line and two arrows pointing upwards. On the left side, from bottom to top, there is a clock face, a box labeled "Début :", a second clock face, a box labeled "Heure pile :", a third clock face, a box labeled "Fin :", and a fourth clock face. On the right side, from bottom to top, there is a box labeled "Début :", a second box labeled "Heure pile :", a third box labeled "Fin :", and a fourth box labeled "Fin :".
