

## A LA UNE

### This American woman breaks the record for the longest time in space

On December 28<sup>th</sup>, Christina Koch spent her 289<sup>th</sup> day in space. This became the longest time in space by a woman ever ! The US astronaut is still breaking this record. She will return to Earth in February, after 328 days.

## DID YOU KNOW

The Russian man Gennady Padalka holds the world record for the longest time spent in space. He stayed up there for 879 days between 1998 and 2015 : this is nearly 2 and a half years !
