

# Mystère sur le marché **niveau 2**

## un jeu sur la monnaie

niveau : CP - début de CE1

nombre de joueur : atelier individuel

objectif : calculer des sommes avec des pièces ainsi que des billets de 5€, 10€ et 20€

but du jeu : découvrir l'objet mystère du marchand

matériel pour chaque série : (à ranger dans une pochette transparente)

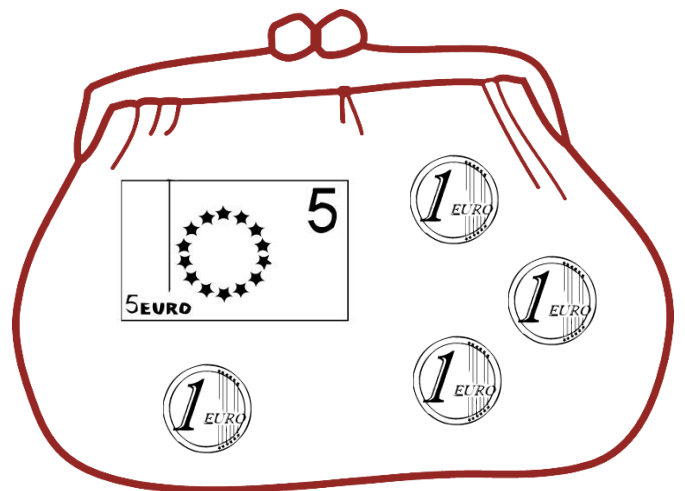

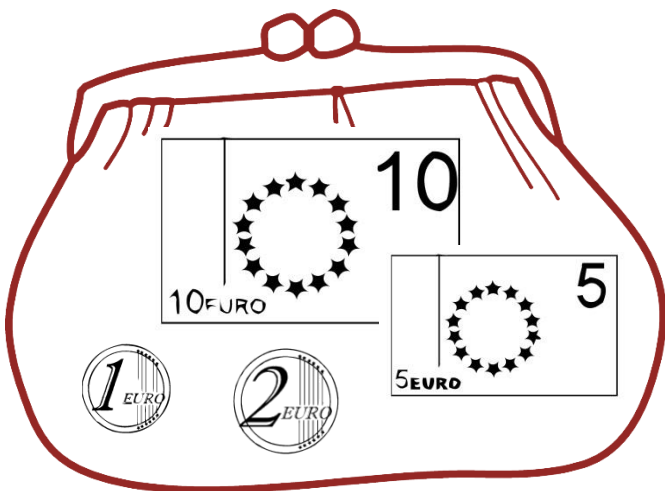

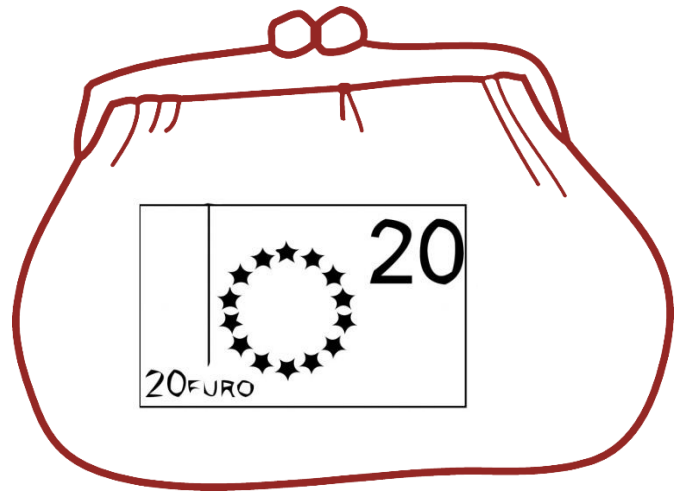

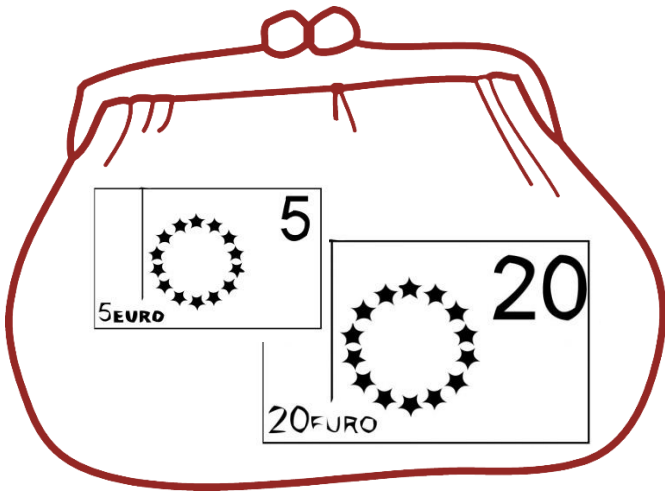

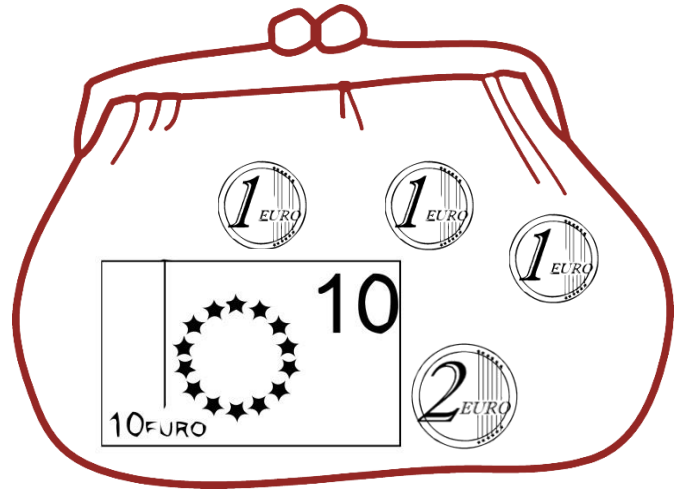

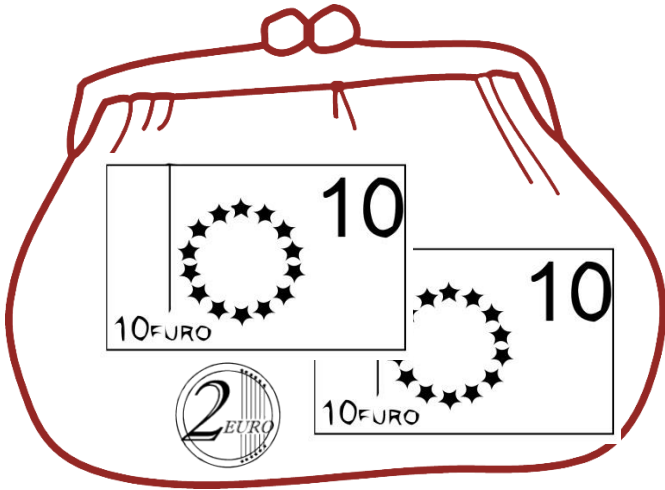

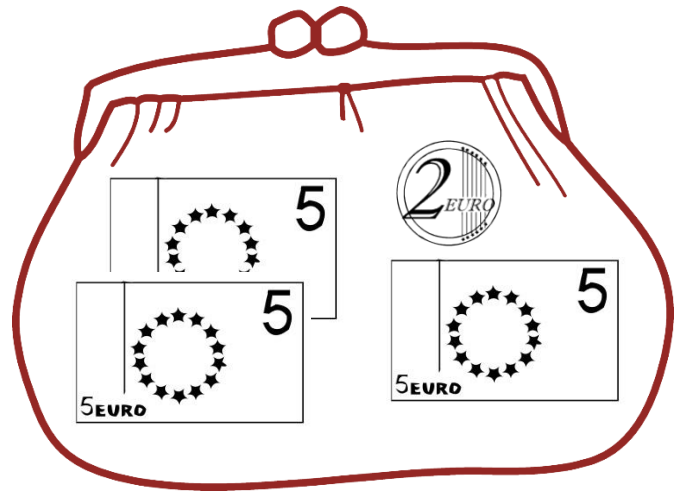

- La planche du marchand
- Les 7 cartes porte-monnaie (entourées d'un élastique)
- 7 jetons
- L'enveloppe réponse (l'enseignant peut aussi les garder sur son bureau)

OU

- Imprimer les portes monnaies et le marchand sur une page, coller la réponse au dos puis plastifier
- Des feutres effaçables

**déroulement** : L'élève calcule la somme dans chaque porte-monnaie. Il place un jeton ou entoure sur les objets qui peuvent donc être achetés. L'objet restant est l'objet mystère. Il vérifie en découvrant l'objet mystère dans l'enveloppe réponse ou en retournant la planche.
