Jeux sur le principe: ich höre... / ich sage...

3 versions (avec le même déroulement).

Pages 2 à 8 : les élèves doivent reconnaître les images.

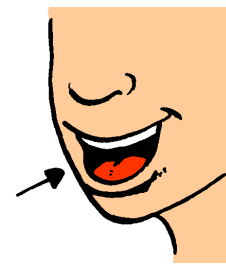

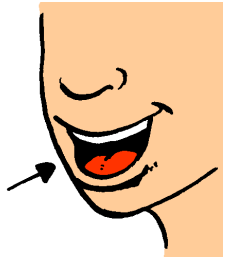

Pages 9 à 15: les élèves lisent le mot et doivent donc le reconnaître à l'écoute.

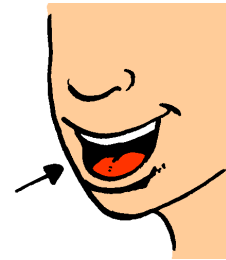

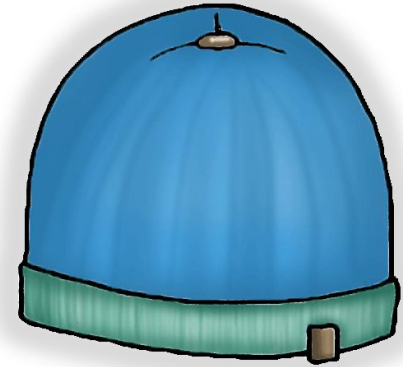

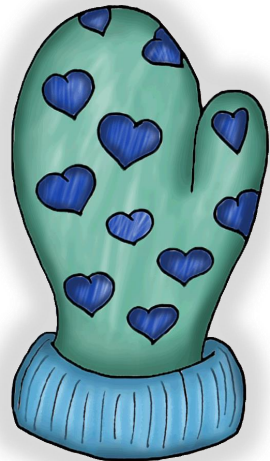

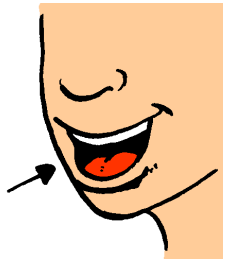

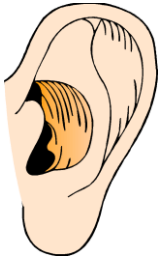

Pages 16 à 22: les élèves entendent le mot et doivent en reconnaître la graphie sur leur carte.

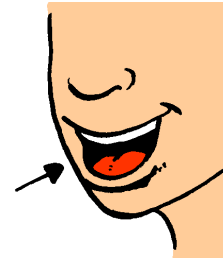

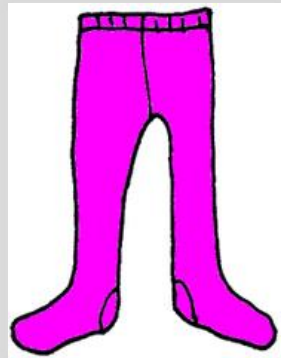

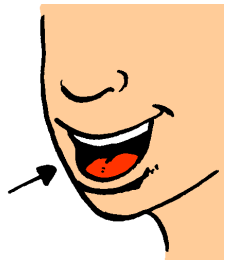

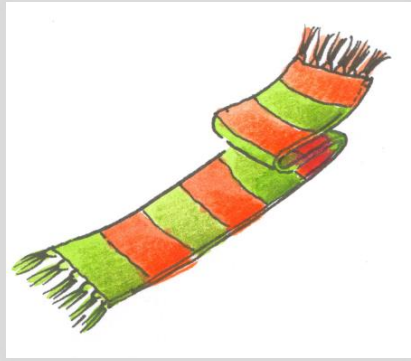

Pour l'impression je vous conseille 2 pages par feuille (taille des cartes = A6

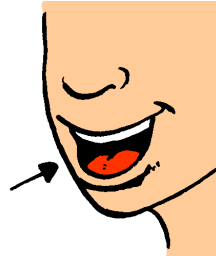

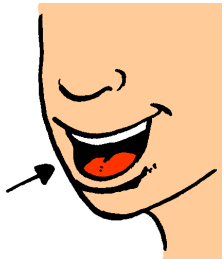

voir 4 pages par feuille (taille des cartes = A8).
