

### Construire les premiers outils pour structurer sa pensée

MS

Réalise un tri de quatre formes/couleurs (B, R, V, J)

Consigne : entoure les souris en bleu, les pommes en rouge, les hérisson en vert et les noix en jaune.

The activity consists of 20 line drawings of four different animals: a mouse, an apple, a hedgehog, and a snail. Four of these drawings are highlighted with colored circles: a mouse in a blue circle, an apple in a red circle, a hedgehog in a green circle, and a snail in a yellow circle. The remaining 16 drawings are scattered across the page for a sorting activity.
