

# Seven days of the week I never go to work by They Must Be Giants

Oh no, no, I never go to work.

Oh no, no, I never go to work.

Oh no, no, I never go to work.

Oh no, no, I never go to work.

On Mondays, I never go to work.

On Tuesdays, I stay at home.

On Wednesdays, I'm never feeling fine, work is the last thing on my mind.

On Thursdays, it's a holiday !

And Fridays I detest.

Oh it's much too late on a Saturday,

And Sunday is the day of rest.

Oh yes, yes, practice trumpet everyday.

Oh yes, yes, practice trumpet everyday.

Oh yes, yes, practice trumpet everyday.

Oh yes, yes, practice trumpet everyday.

Practice Monday.

Practice Tuesday.

Practice Wednesday.

Practice Thursday,

And Friday.

And I play all night on Saturday,

So Sundays I play best.

Oh no, no, I never go to work.

Oh no, no, I never go to work.

Oh no, no, I never go to work.

Oh no, no, I never go to work.

On Mondays, I never go to work.

On Tuesdays, I stay at home.

On Wednesdays, I'm never feeling fine, work is the last thing on my mind.

On Thursdays, it's a holiday !

And Fridays I detest.

Oh it's much too late on a Saturday,

And Sunday is the day of rest.

It's the day of rest !
