Château du Clos Luce@Léonard de Sèmes.

Chenonceau

Blois

AZAY-LE-RIDEAU

Amboise

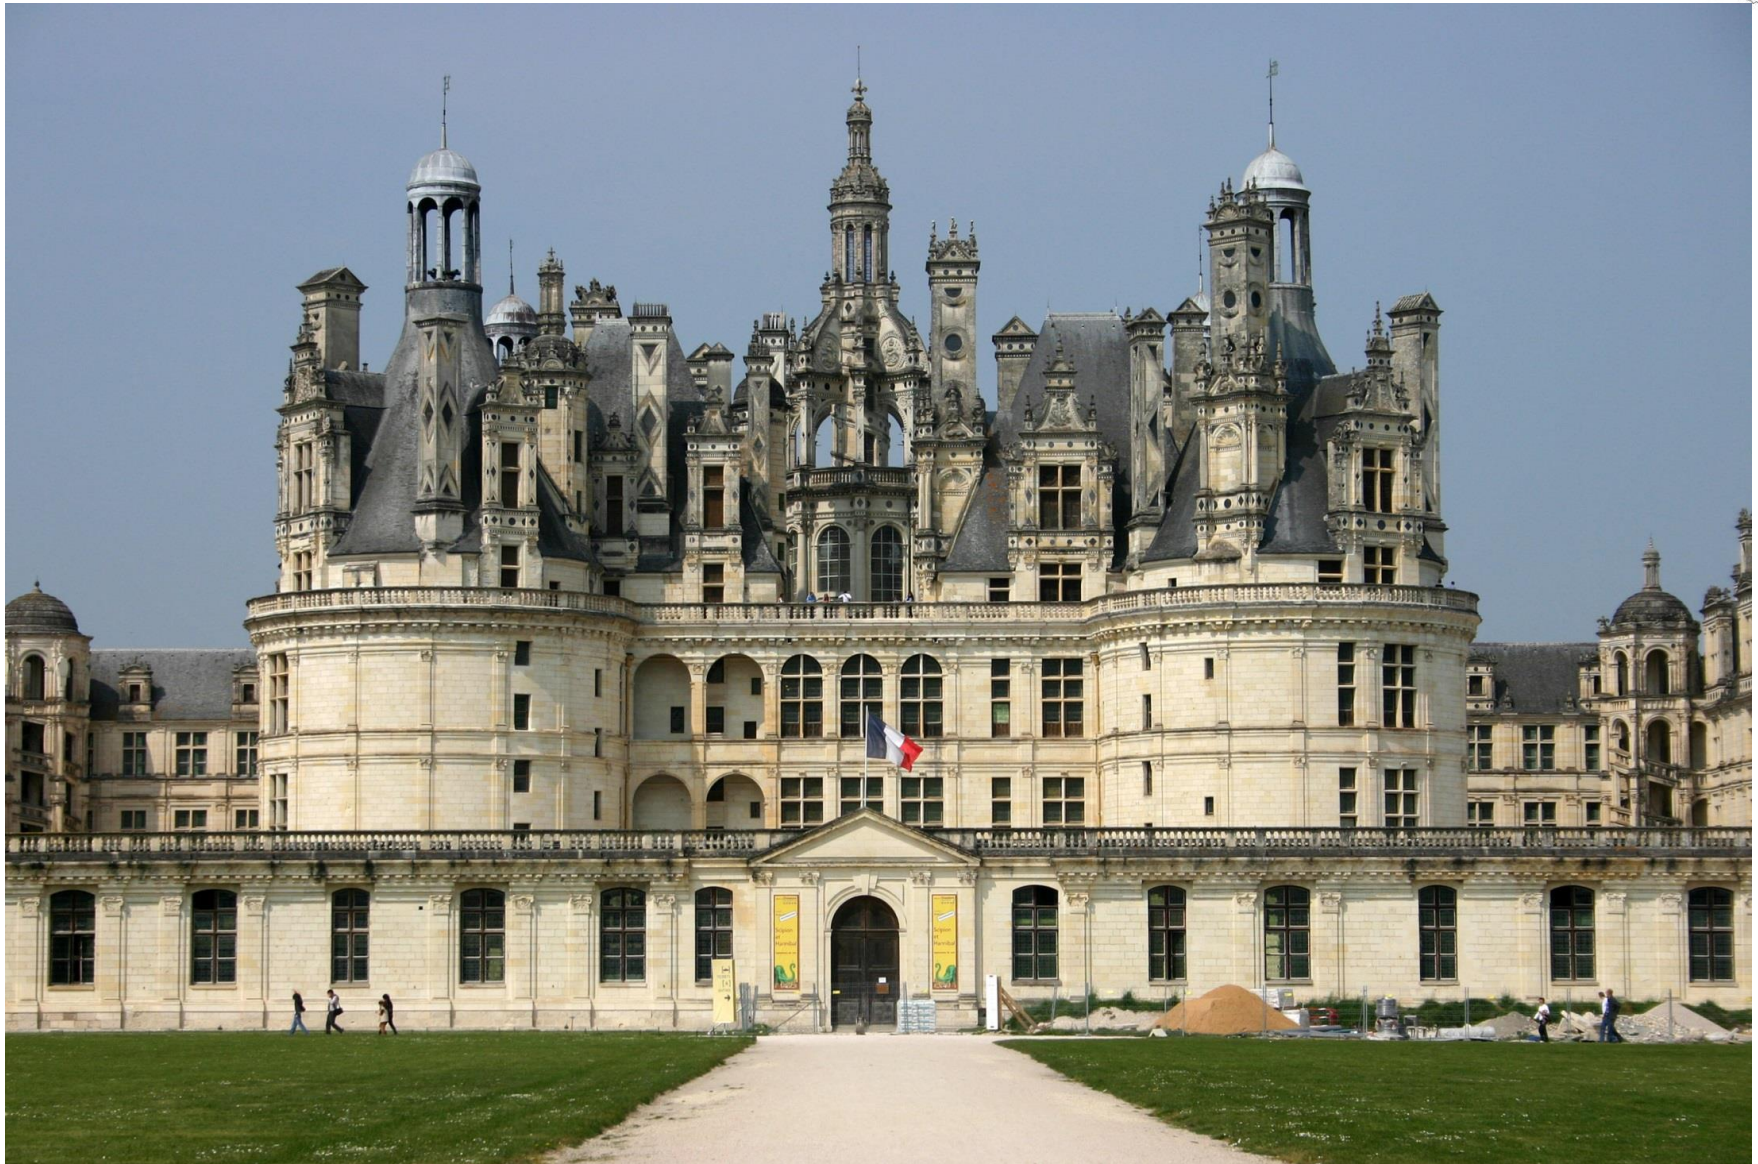

A rectangular stone plaque, likely made of travertine, is set into a floor of decorative tiles. The tiles feature a repeating pattern of stylized floral or fleur-de-lis motifs within square frames. The plaque has a circular hole cut into its upper portion. The name 'LEONARDO DA VINCI' is engraved in a serif font on the lower part of the plaque. The stone shows signs of age and wear, with some discoloration and small pits.
