# MEG AND MOG

At 1 o'clock she got her broomstick, her cauldron and a spider. She flew up the chimney with Mog.  
Up in the sky, she met her friends going to the party. Bess, Jess, Tess and Cress. They landed on a hill in the moonlight to make the spell. Each of them had brought something to put in the cauldron. This is what they put in: a frog, a beetle, a worm, a bat, a spider.  
This is what they put in : a frog, a beetle, a worm, a bat, a spider. They all stirred the cauldron as they chanted their spell.

Once upon a time there was a witch called Meg.

"Abracadabra  
Frog in a bog, Bat in a hat, Snap crackle pop, And fancy that"  
Boom ! There was a flash and a bang. Something had gone wrong.  
Bess, Jess, Tess and Cress all changed into mice and Mog chased them.  
"I'll have to change them back, next Halloween."

At midnight the owl hooted 3 times and woke her up. She got out of bed to dress for the spell party.  
She put on her black stockings, her big black shoes, her long black cloak, and her tall black hat. She went down the stairs to cook breakfast. In the kitchen lay her big striped cat Mog. He was fast asleep. She trod on Mog's tail.  
She took out of her cupboard 3 eggs, bread, cocoa, milk, a kipper and jam. She put it all in her cauldron and stirred it up. There was plenty of breakfast for everyone.
