

Don't Worry, Don't Panic

Jon Bonner

Steadily

1. Don't wor-ry, don't pa-nic, don't be a-fraid; God, our Fa-ther,

pro-mis-es he's there. Don't wor-ry, don't pa-nic, don't be a-fraid:

'I am with you' pro-mis-es our God

2. Wher - I am with you' pro-mis-es our God

2. Wherever you're going, don't be afraid;
God our Father promises he's there.
Wherever you're going, don't be afraid:
'I am with you' promises our God.

3. In thunder, in lightning, don't be afraid;
God our Father promises he's there.
In thunder, in lightning, don't be afraid:
'I am with you' promises our God.

4. So wave and be happy, don't be afraid;
God our Father promises he's there.
So wave and be happy, don't be afraid:
'I am with you' promises our God.
'I am with you' promises our God.
