Observe les tracés de Géom. Louic-Louic, lui, a fait trois erreurs. Commence par les chercher. Cherche et entoure les trois erreurs de Louic-Louic.

Tracing practice area with 8 horizontal lines. Each line has a colored dot at the start and end. The dots are yellow, green, red, blue, yellow, purple, red, and purple from top to bottom.

Tracing practice area with 8 horizontal lines. Each line has a colored dot at the start and end. The dots are yellow, green, red, blue, yellow, purple, red, and purple from top to bottom. The lines contain errors: the second line has a small arc in the middle, the fifth line is slanted upwards, and the eighth line is broken in the middle.

À ton tour de tracer des traits bien droits.
