This is my world - Comenius

10 commandements pour mieux vivre dans notre monde de façon écologique et sans gaspillage.

10 rules to a better life in a sustainable world.

1	The paper, you won't wasp.
2	Recover to recycle, you will do.
3	Save on energy, you will do.
4	New energies you will study.
5	To move, you have to find the best way. Feet, bicycle, car, bus, train, plane
6	For each thing, a second use you will find.
7	You will take care of the garden and plants you'll get.
8	With your European Partners, good ideas you will exchange.
9	With any object, you will make artistic new creations.
10	When you buy something, be careful to the wrapping and local products you will choose.
