Lundi, arrive Clair de Lune l'Indien.

Mardi, il prépare une soupe dans sa marmite.

Mercredi, il part en mer.

Jeudi, avec ses amis il joue à des jeux.

Vendredi, il ne sort pas, il y a trop de vent.

Samedi, pour se réchauffer, il coupe un sapin.

Et dimanche, il se sent fort comme un dinosaure !

Et Clair de Lune sourit : car lundi,
il n'y a plus qu'à recommencer !
