

MATHÉMATIQUES

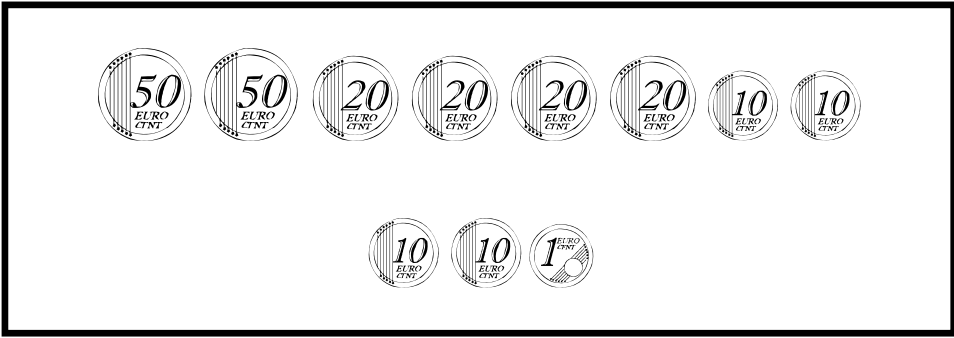

Mesure: compter les centimes pour faire des euros.

Entoure les pièces pour faire des paquets de 100centimes, puis écris la somme en euros et en centimes d'euros.

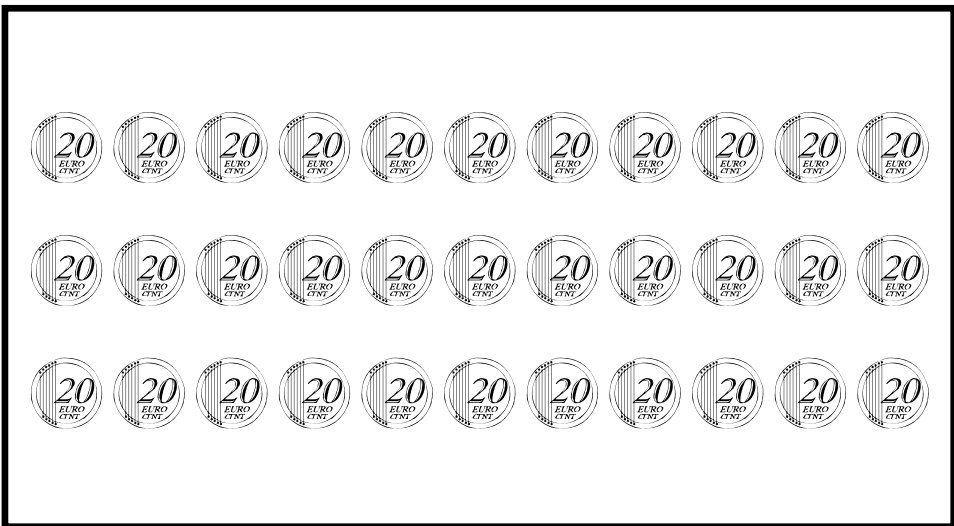

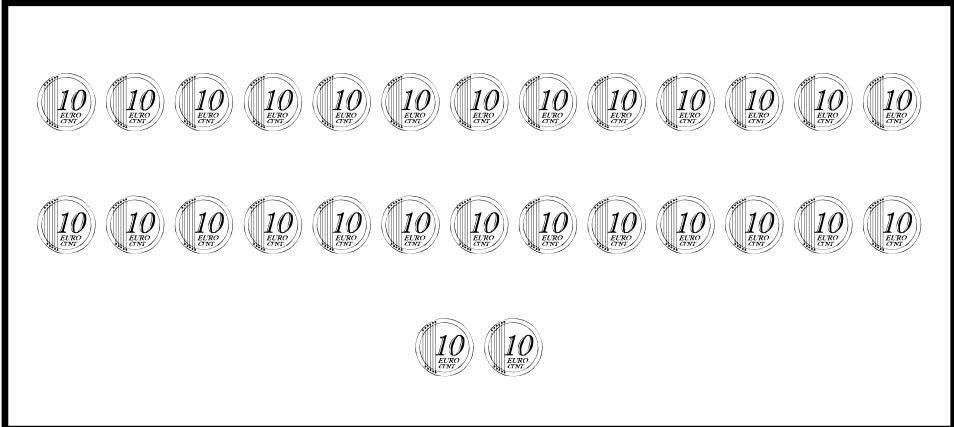

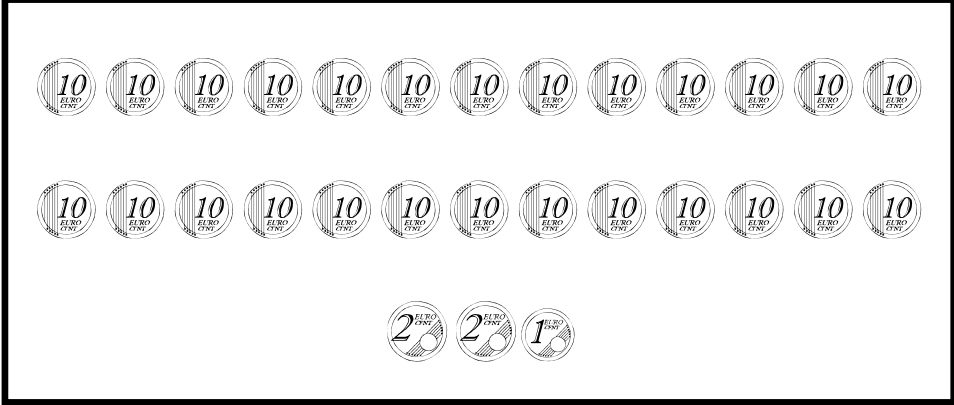

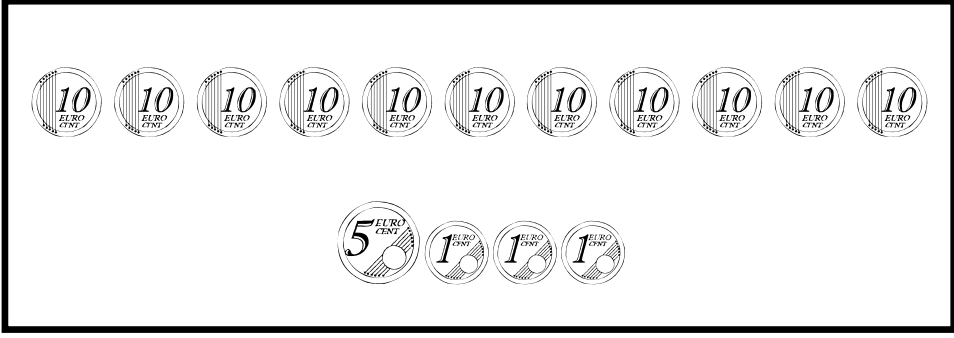

.....€.....c

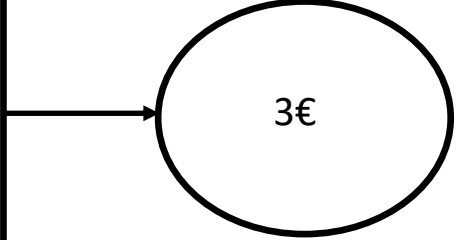

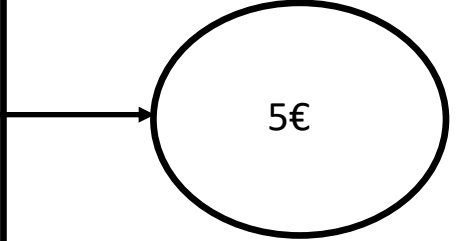

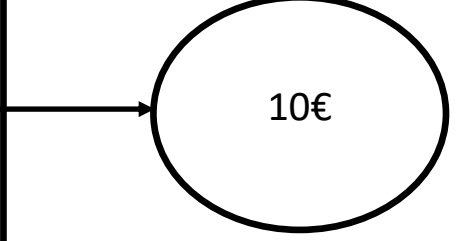

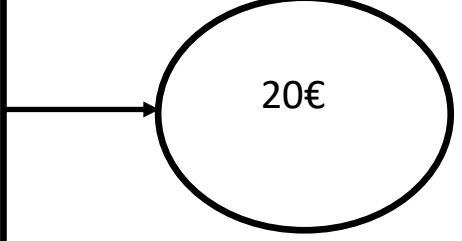

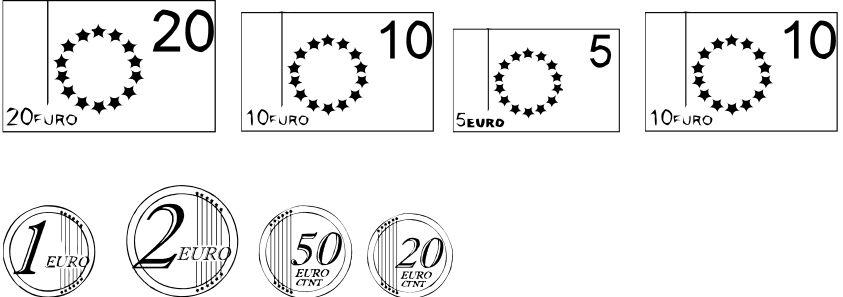

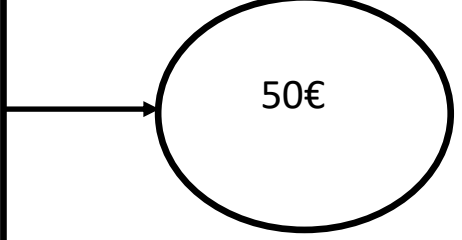

.....€.....c

MATHÉMATIQUES

Mesure: faire l'appoint pour rendre la monnaie.

Dessine les pièces qui manquent pour faire la somme écrite dans la bulle.

	
	
	
	
	

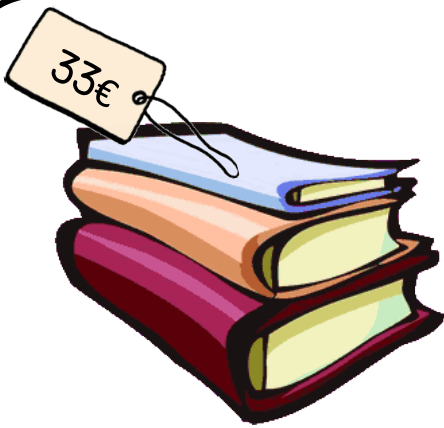

Calcule la monnaie qui doit être rendue dans chaque cas: (tu peux dessiner les billets et les pièces pour t'aider).

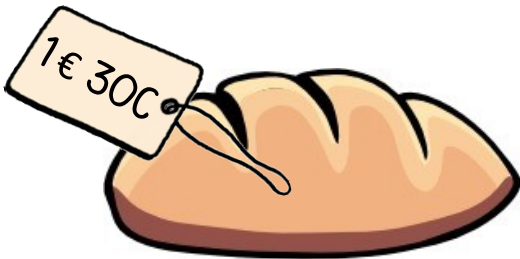

Pierre achète un vélo. Il donne 200 €. Combien va lui redonner le marchand?

.....
.....
.....

Léa achète des livres. Elle donne 50 €. Combien va lui redonner le marchand?

.....
.....
.....

Papa achète un pain. Il donne un billet de 5 euros à la boulangère. Combien lui rend-elle?

.....
.....
.....

Papy achète des légumes au marché. Il donne un billet de 10 €. Combien lui rend-on?
