

homard

anémone

méduse

anguille

poisson

algue

The crossword puzzle grid is composed of empty cells. The words are placed as follows:

- Vertical words:**
  - Column 3: méduse (5 cells)
  - Column 4: anguille (5 cells)
  - Column 5: poisson (5 cells)
  - Column 6: algue (5 cells)
- Horizontal words:**
  - Row 3: homard (6 cells)
  - Row 4: anémone (6 cells)

Arrows point to the starting cells of each word: a downward arrow for méduse, a downward arrow for anguille, a downward arrow for poisson, a downward arrow for algue, a rightward arrow for homard, and a rightward arrow for anémone.
