

Imprimer les pages 2 à 7 en 1 exemplaire.

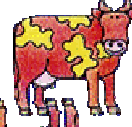

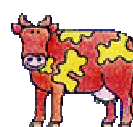

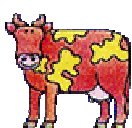

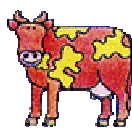

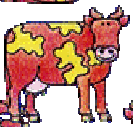

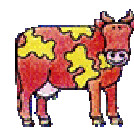

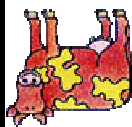

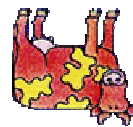

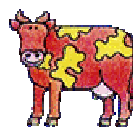

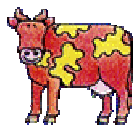

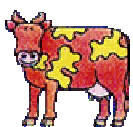

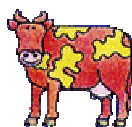

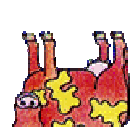

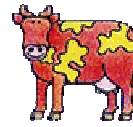

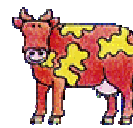

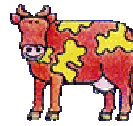

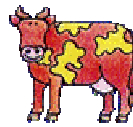

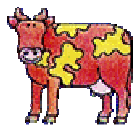

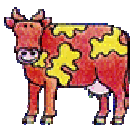

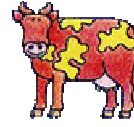

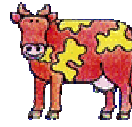

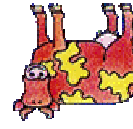

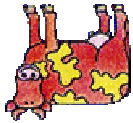

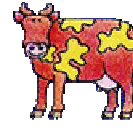

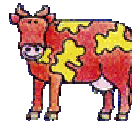

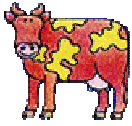

Imprimer la page 8 en 6 exemplaires

Imprimer les pages 9 à 19 en 1 exemplaire

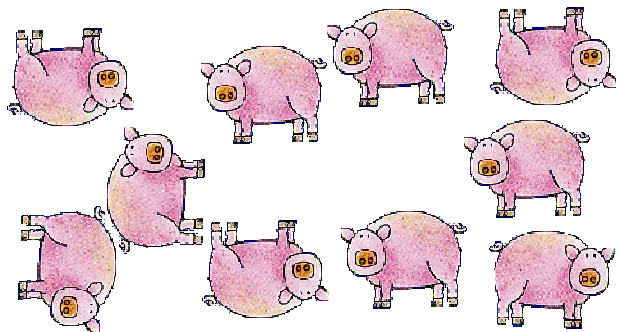

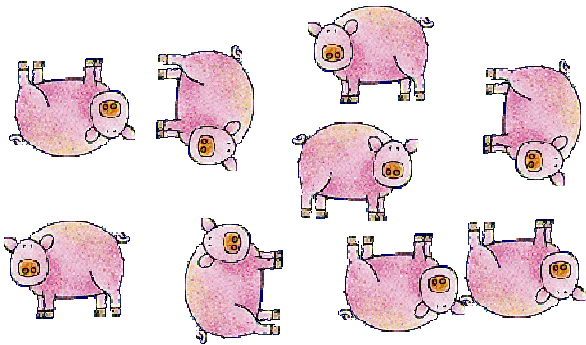

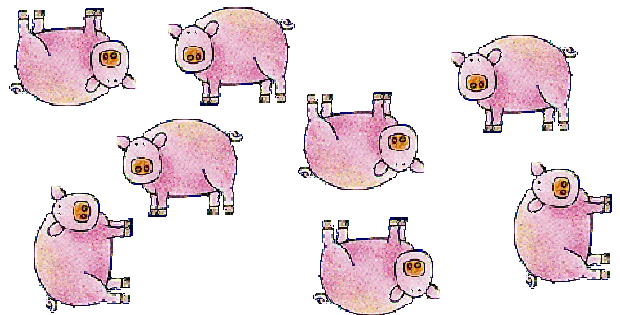

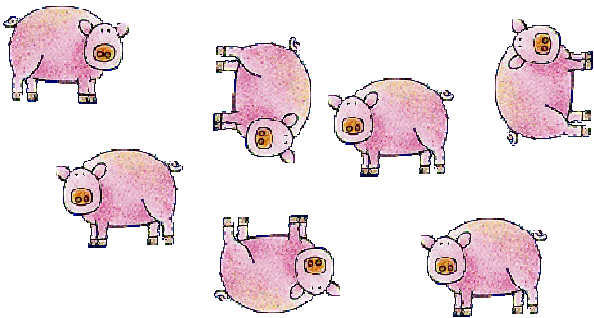

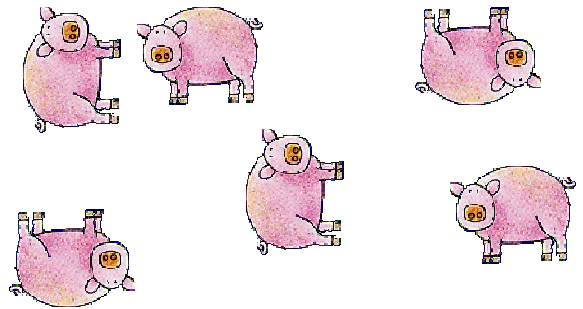

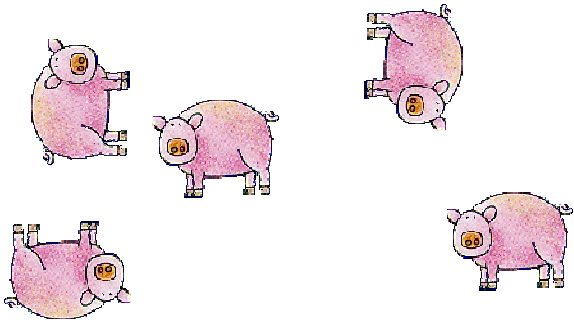

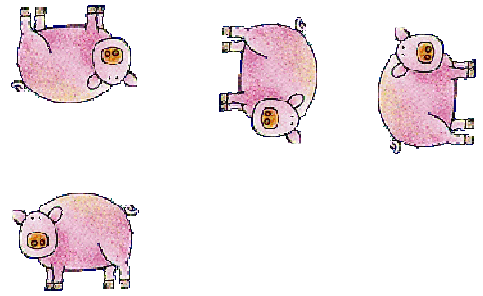

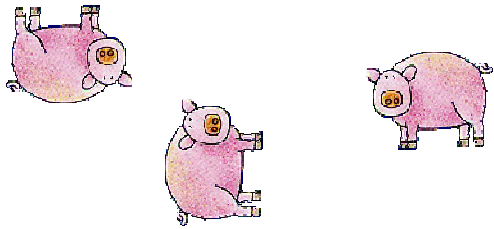

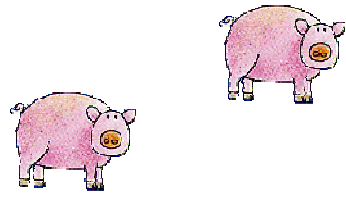

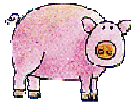

Au choix:

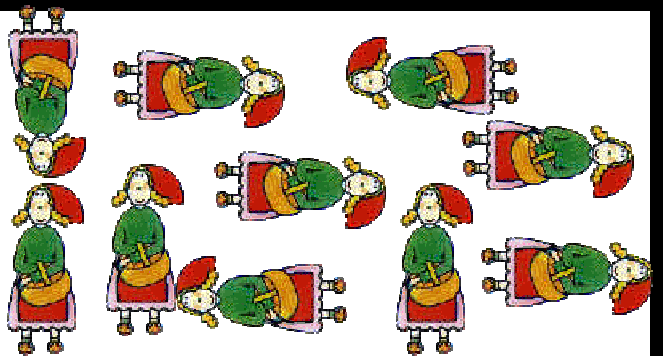

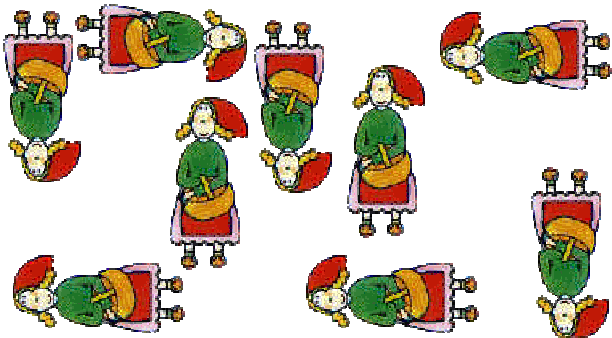

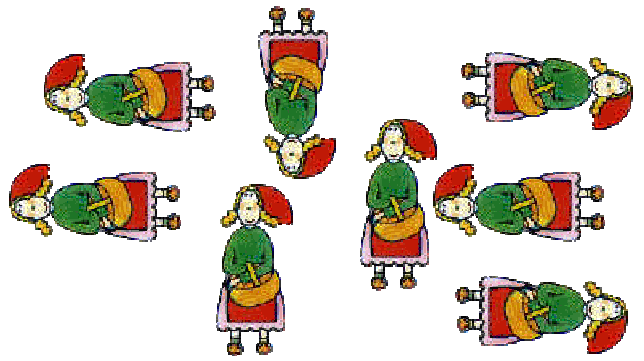

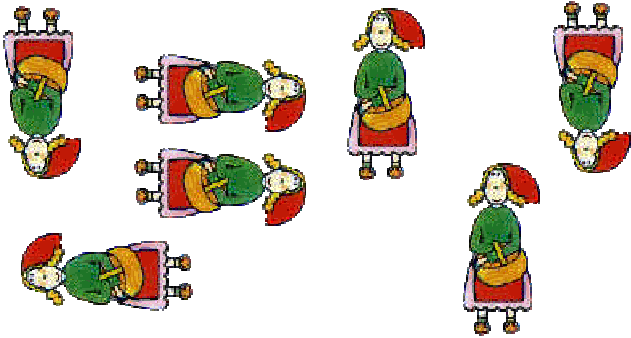

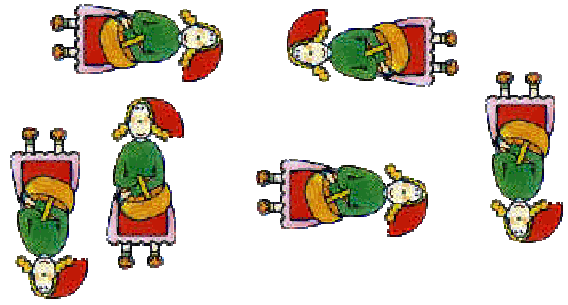

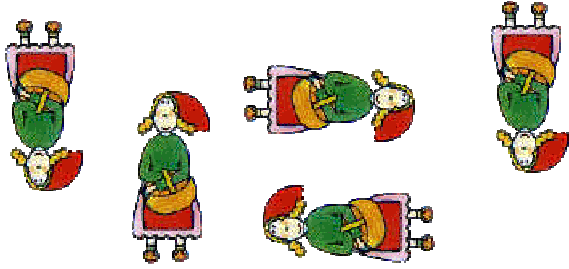

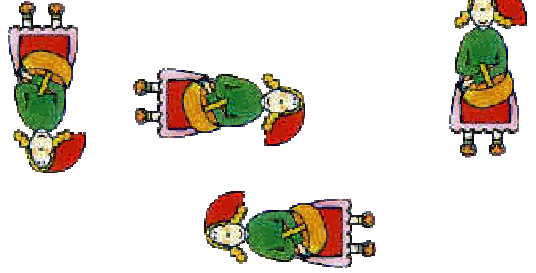

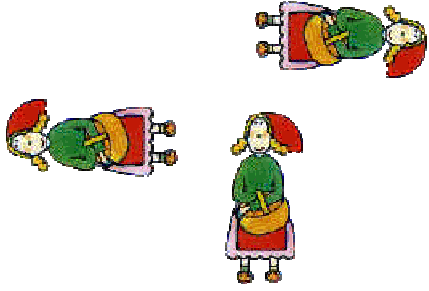

donner 1 série animaux + fermière avec la page support (page 9) et les enfants doivent associer la carte animal avec le chiffre (et donc dénombrer la collection)

Mélanger toutes les cartes animaux + fermière sur la table, chaque enfant a une carte type « maison du nombre » et doit rechercher les 6 cartes qui ont la quantité recherchée.
