Les étrécies : je fais comme une boucle mais je ne tourne pas.

Handwriting practice for the cursive letter 'l'. The first section shows a vertical background with a bird in the sky, a mouse in the grass, and a worm in the soil. A large cursive 'l' is written over this background. Above the letter, a green arrow points left and a red arrow points right, with a green dot on the left and a red dot on the right. To the right of the background, there are five horizontal lines (blue, grey, green, brown, red) with a black dot on the green line for each line, serving as starting points for writing the letter.

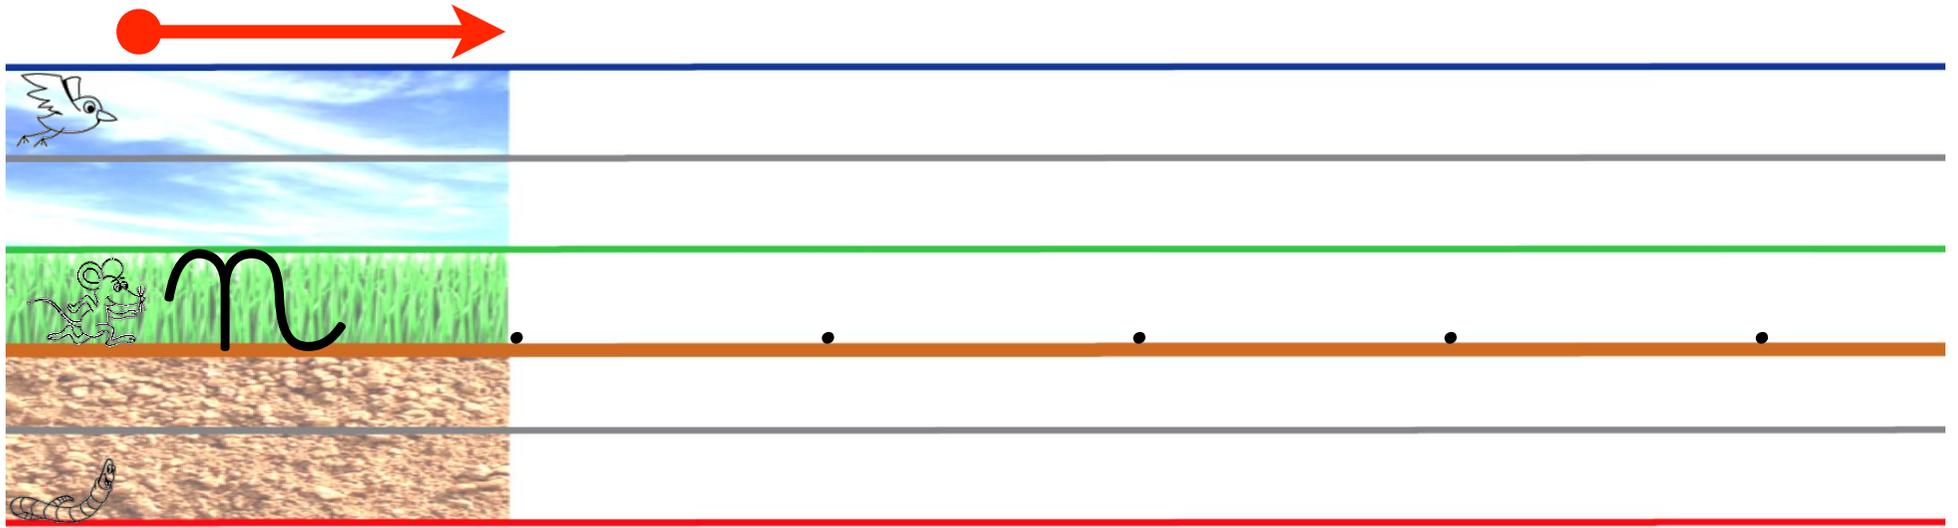

Handwriting practice for the cursive letter 'n'. The first section shows a vertical background with a bird in the sky, a mouse in the grass, and a worm in the soil. A large cursive 'n' is written over this background. Above the letter, a green arrow points left and a red arrow points right, with a green dot on the left and a red dot on the right. To the right of the background, there are five horizontal lines (blue, grey, green, brown, red) with a black dot on the green line for each line, serving as starting points for writing the letter.

Handwriting practice for the letter 'R' on a four-line grid. The grid consists of a blue top line, a grey middle line, a green baseline, and a red bottom line. On the left, a vertical strip shows a background with a blue sky, green grass, and brown soil. A bird is in the sky, a mouse is in the grass, and a worm is in the soil. A large black 'R' is written on the grid, starting from a red dot on the blue line, moving left (indicated by a green arrow), then down to the green line, and finally up to the red line. To the right of the 'R', five black dots are placed on the green baseline for tracing practice.

Handwriting practice for the letter 'Z' on a four-line grid. The grid consists of a blue top line, a grey middle line, a green baseline, and a red bottom line. On the left, a vertical strip shows a background with a blue sky, green grass, and brown soil. A bird is in the sky, a mouse is in the grass, and a worm is in the soil. A large black 'Z' is written on the grid, starting from a red dot on the blue line, moving left (indicated by a green arrow), then down to the red line, and finally up to the blue line. To the right of the 'Z', five black dots are placed on the green baseline for tracing practice.
