Slow beat

G G7 F C F C
I can't light no more of your dark - ness

G C onG
All my pic - tures seem to fade to black and white

G C G C G7
I'm grow-ing tired and time stands still be - fore
Frozen here
On the ladder of my life.
Too late
To save myself from falling.
I took a chance
And changed your way of life.
But you mis-read my meaning when I met you.

Closed the door and left me blind by the light.

Don't let the sun go down on me although I search myself it's always someone else I see.

I'd just allow a fragment of your life to wander free.

But
losing every thing — is like the sun going down on me.

I can't find

oh the right romantic line

But see me once

and see the way I feel
Don't discard me just because you think I mean you harm

But these cuts I have oh they need

love to help them heal
