

The Bible tells us about a boy called Joseph.  
He had ten big brothers  
and one little brother.  
Joseph loved God and he loved his family.

His father loved Joseph. He was such a good boy.  
He gave him a special present.  
It was a new coat with lots of colours.  
Joseph loved it and showed his new coat to his brothers.

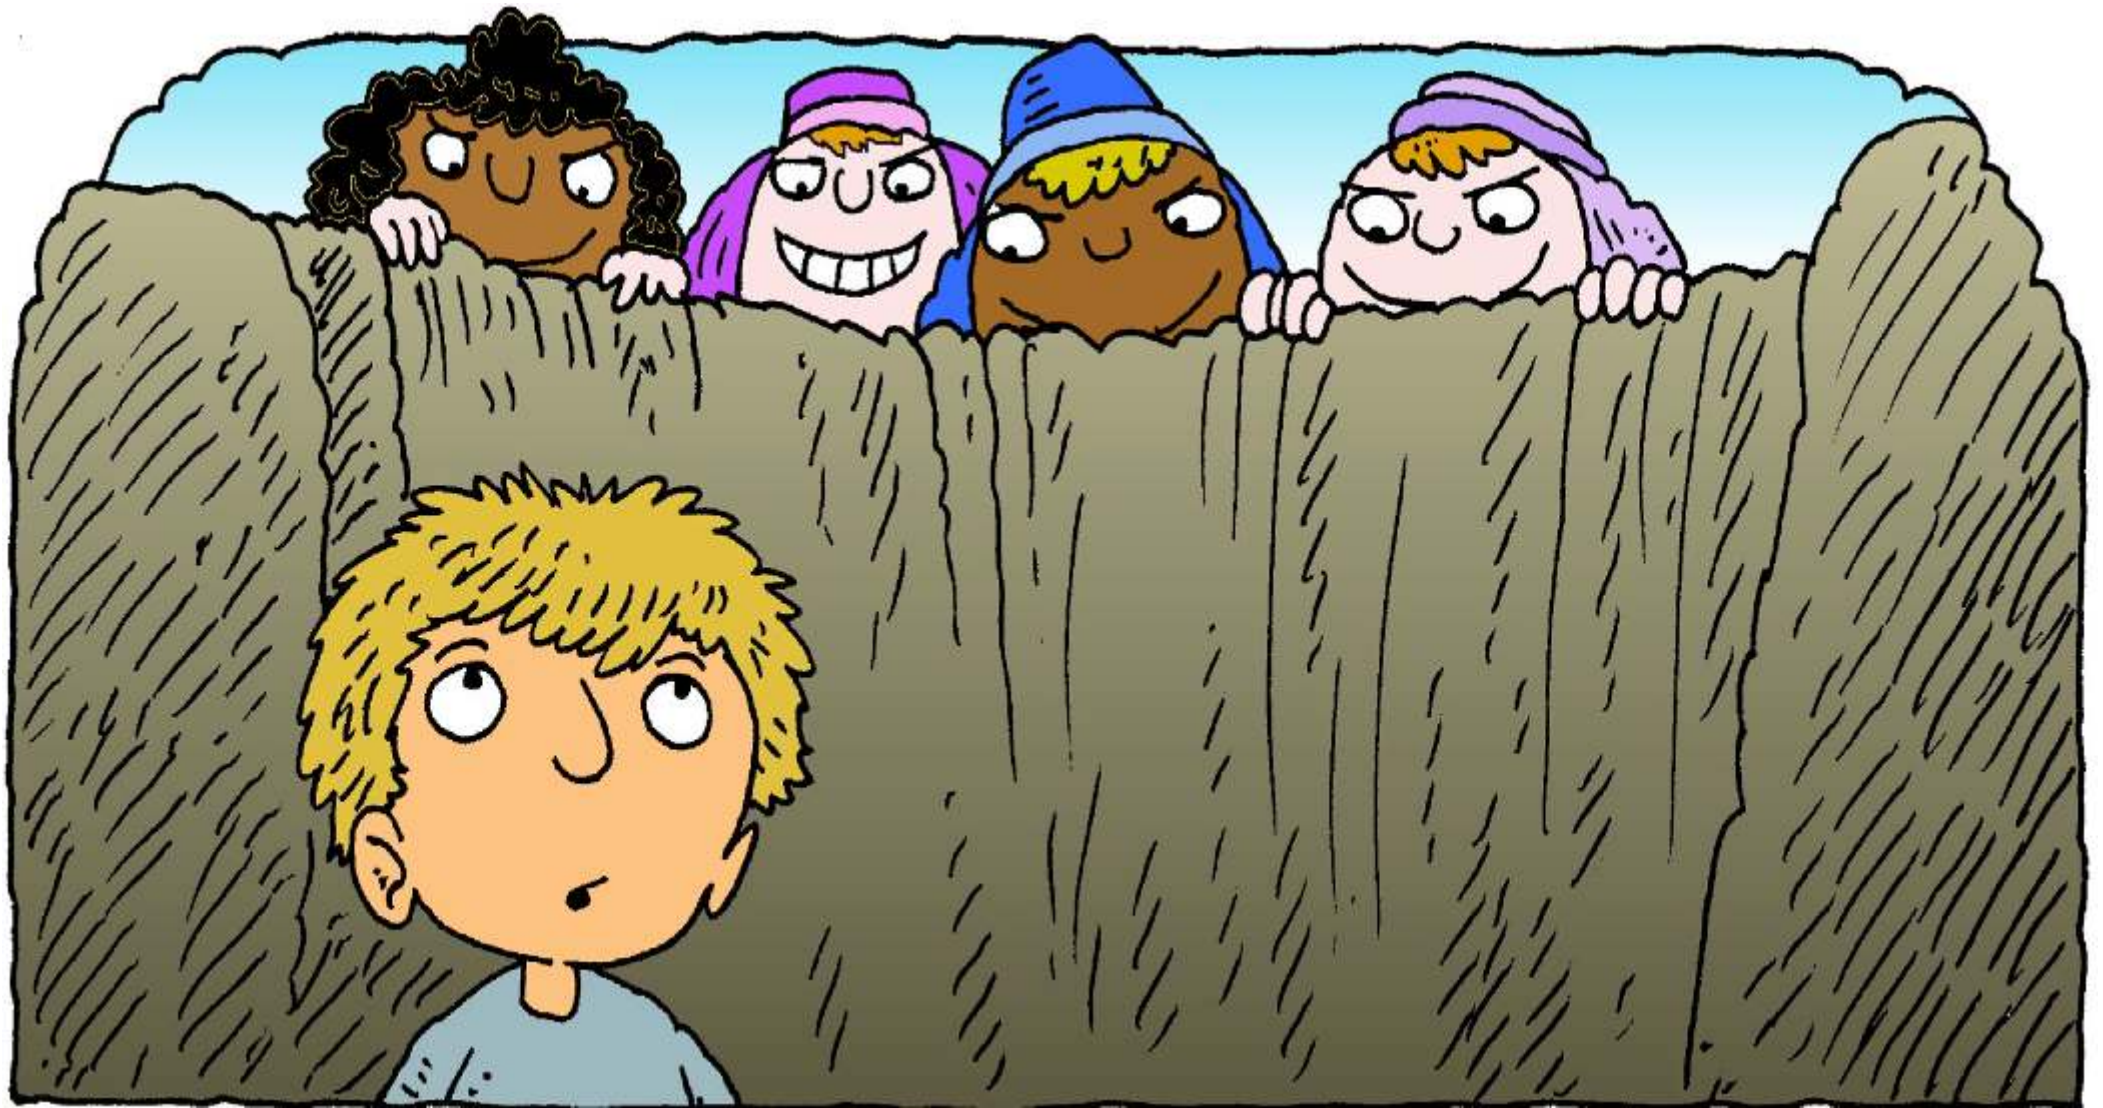

Joseph's brothers were grumpy.  
They wanted a new coat with lots of colours too!  
They told Joseph to go away.  
Joseph's brothers were not kind to him.

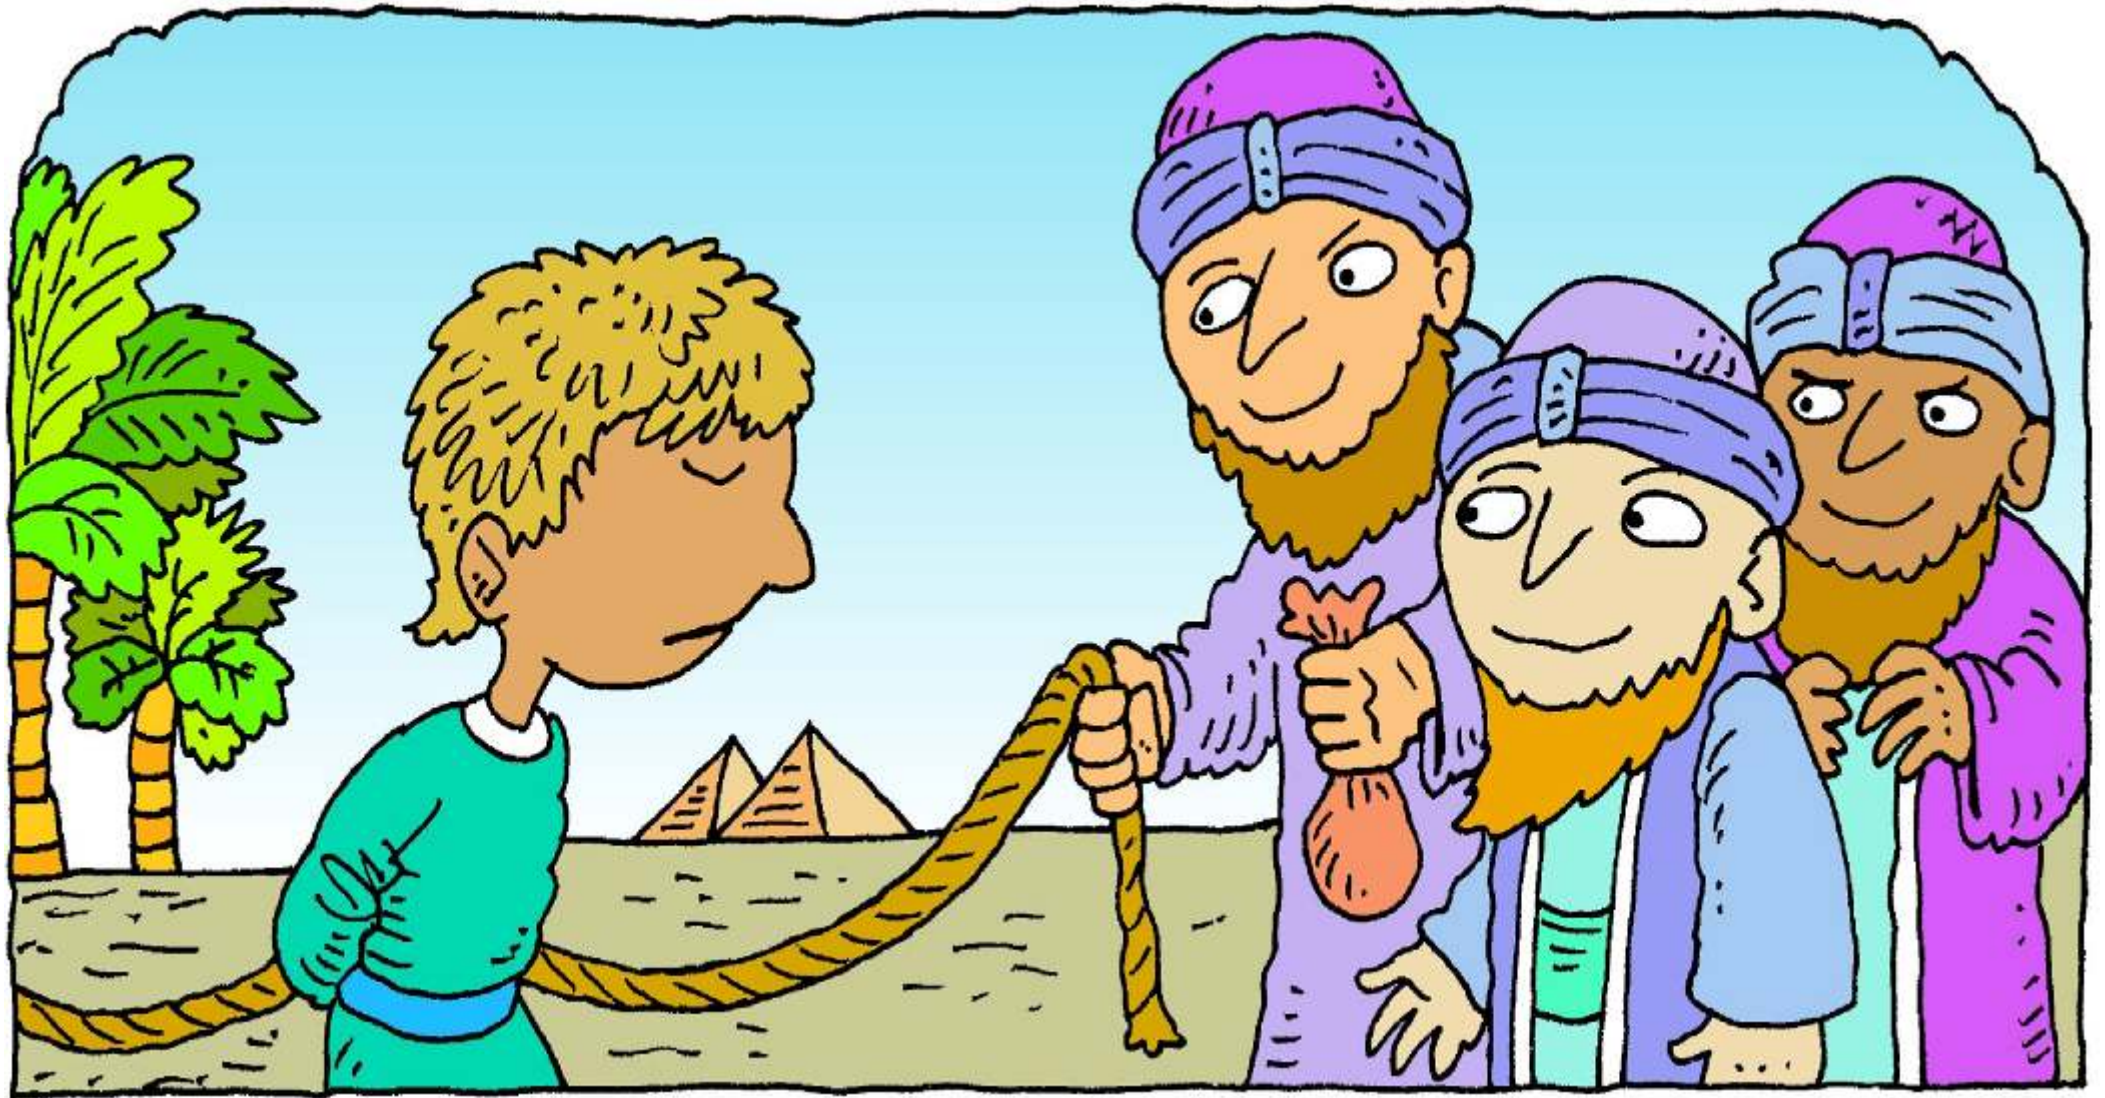

The big brothers went away to look after the sheep.  
One day his dad told Joseph to go and find them.  
Joseph put his new coat on straight away.  
He always listened to and obeyed his father.

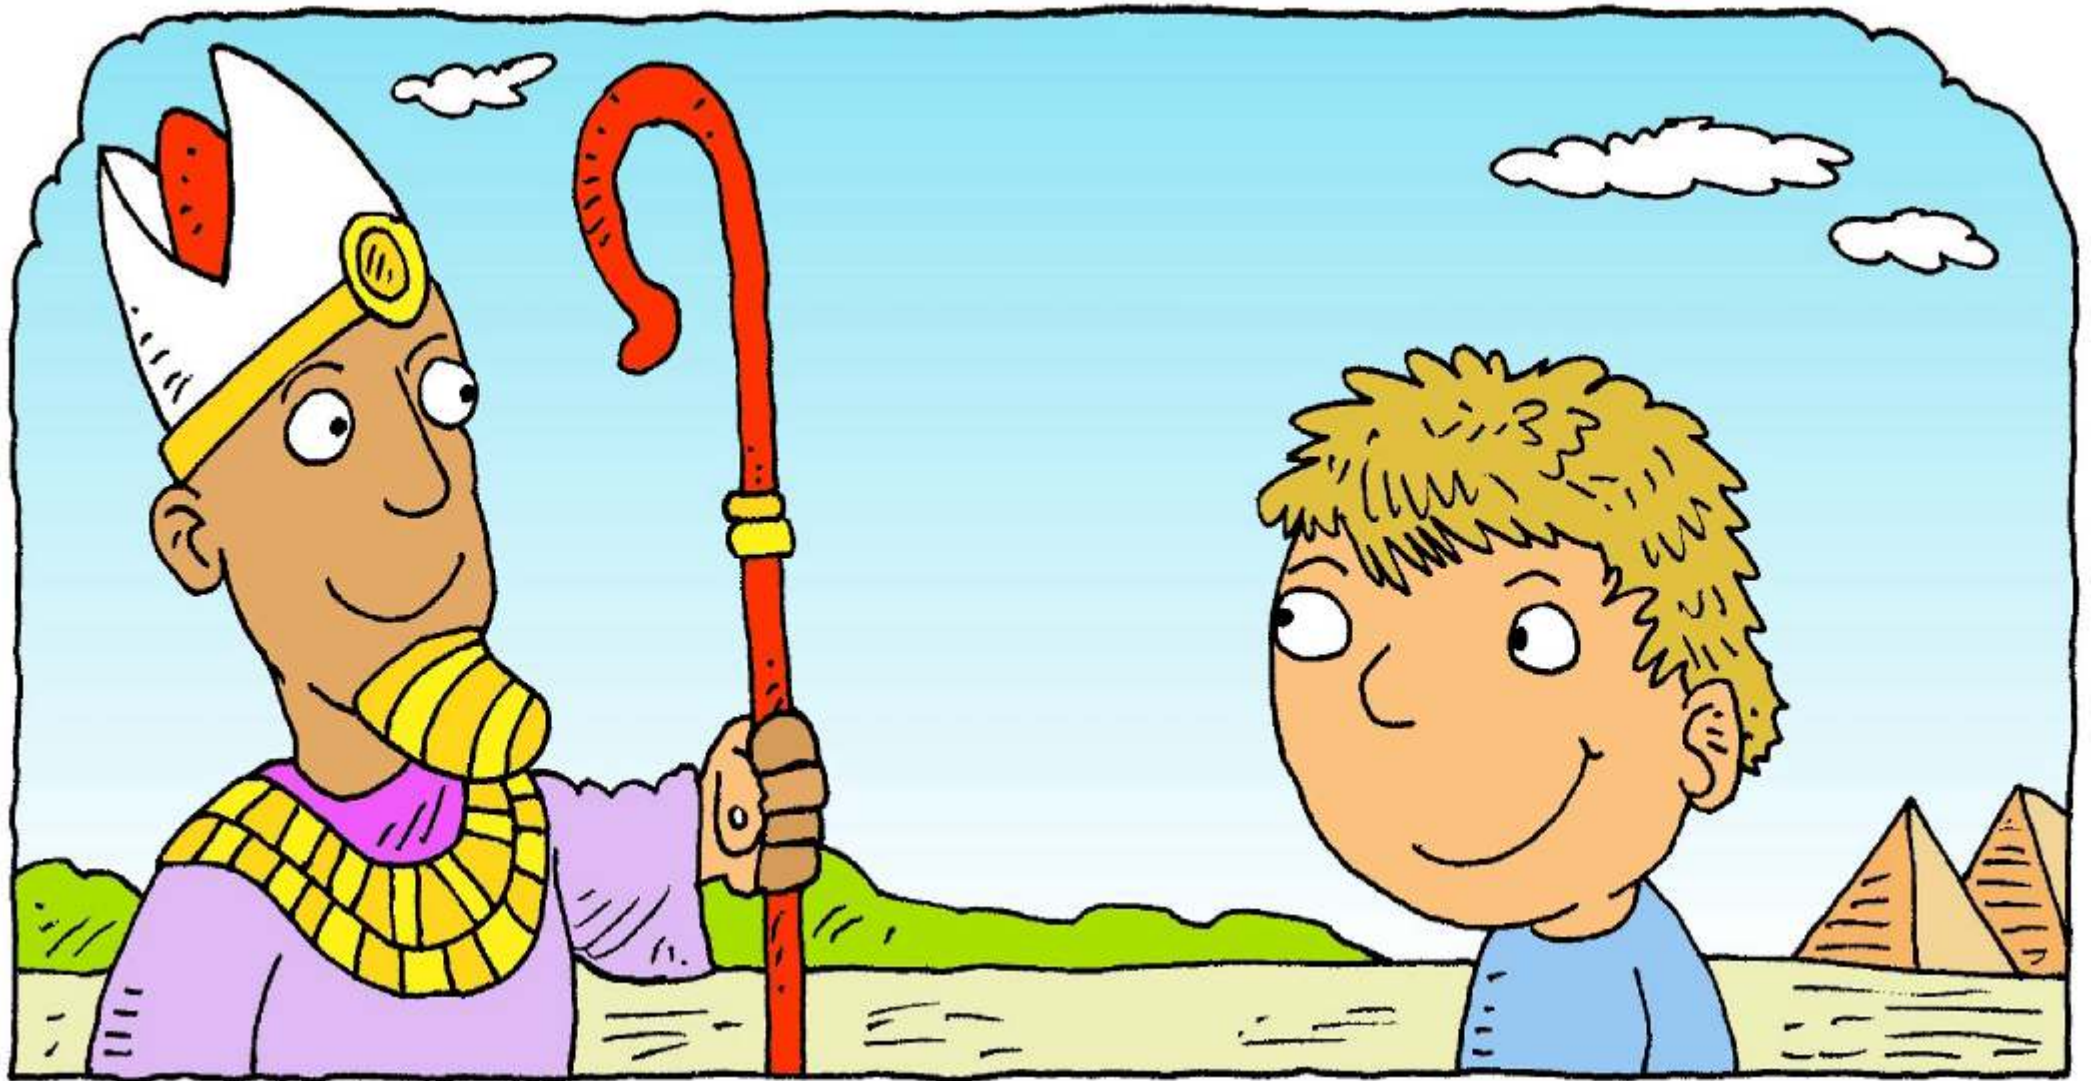

It was a long way to go to find his brothers.  
Joseph had to ask someone the way.  
When he saw them he called out and waved.  
But his brothers were still grumpy.

Joseph's brothers took his coat away.  
They put him down in a big hole and were not kind.  
Joseph was sad, but then he remembered  
He was safe! God was with him.

The brothers saw some men coming on camels.  
They wanted a boy to help King Pharaoh.  
The brothers got Joseph out of the hole and sold him .  
The men took Joseph away to Egypt.

Joseph prayed and asked God to help him.  
He knew that the Bible says God is **always** with us and that  
God always wants us to do what is good and right.  
And so Joseph was good in Egypt.
