

Règle du jeu :

Distribuer toutes les cartes « images ».

Les cartes « syllabes » forment un tas.

Un élève tire une carte « syllabe ».

S'il possède une carte « image » qui correspond à cette syllabe (attention à l'emplacement), il forme une paire et les pose devant lui. Si non, il repose la carte « syllabe » sous le tas et passe son tour.

But du jeu : ne plus avoir de cartes « images » entre les mains.
