The «How are you» song

How, how, how, how are you?

I am fine, I am fine,

How, how, how, how are you?

I am fine.

Where, where, where, where are you from?

I'm from France, I'm from France,

Where, where, where, where are you from?

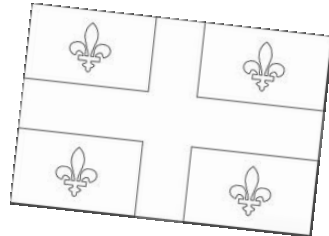

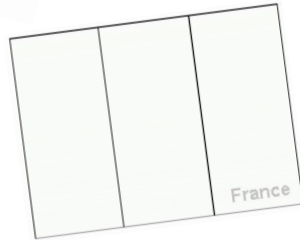

I'm from France.

Where, where, where, where do you live?

I live in... I live in...

Where, where, where, where do you live?

I live in Quebec.
