

Fiche n°4

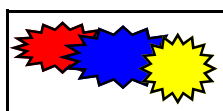

Tu dois placer en tout 3 triangles, 3 carrés et 3 ronds dans les 9 cases. Il y a un bleu, un jaune et un rouge de chaque forme.

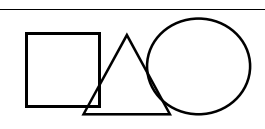

Les indications sont là pour t'aider:

Dans une case, l'indication ne concerne que la case

À l'extérieur, l'indication concerne toute la colonne ou toute la ligne.

ce dessin veut dire qu'il y a les 3 couleurs sur la ligne ou la colonne...

Ce dessin veut dire qu'il y a une figure de chaque forme, dans la ligne ou la colonne
