

IMMEUBLE DES ADDITIONS

A house-shaped addition grid. The roof is a triangle with a chimney on the left. The chimney is a square with a dashed orange border and a small orange 'd' below it. The roof is divided into two sections: the left section has a dashed orange border and a small orange 'd' below it; the right section has a dashed blue border and a small blue 'u' below it. The main body of the house is a rectangle divided into a 3x2 grid of rounded squares. The left column has a dashed orange border, and the right column has a dashed blue border. To the left of the house is a dashed green box containing a plus sign '+'. A dashed green arrow points from this box down to a plus sign '+' located to the left of the bottom row of the grid. Below the grid is a horizontal line, and below that is a row of three rounded squares: the left one has a dashed green border, the middle one has a dashed orange border, and the right one has a dashed blue border.
