Libère les amis des sirènes

L'alphabète

La sorcière des mers a capturé les amis des sirènes. Elle les a marqués avec des lettres, des syllabes, des mots.

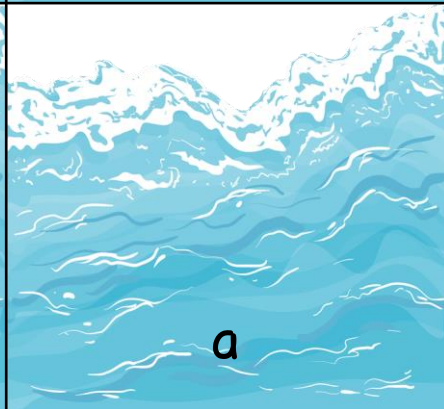

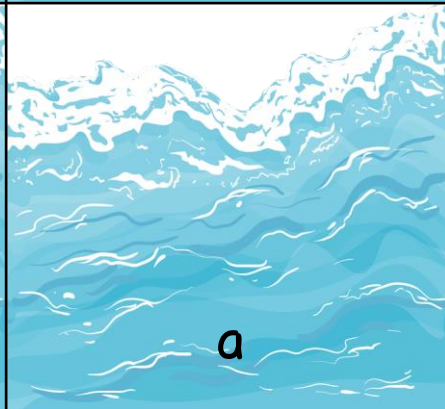

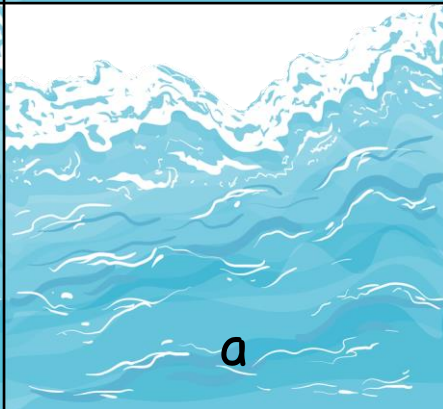

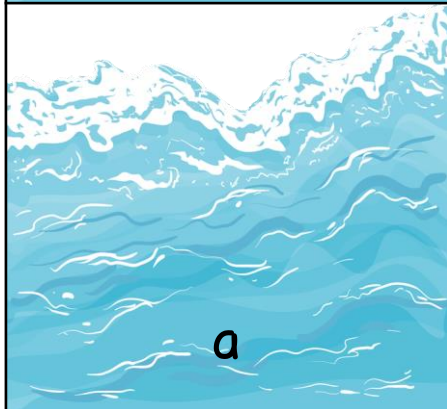

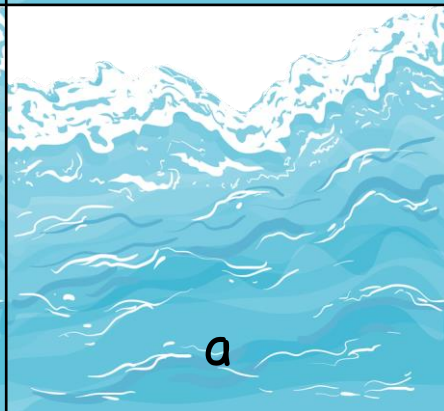

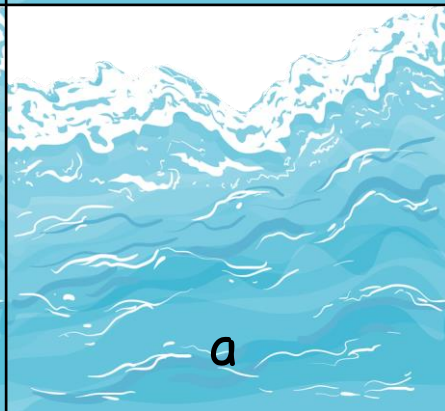

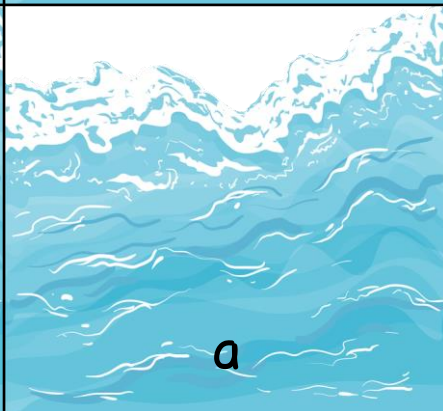

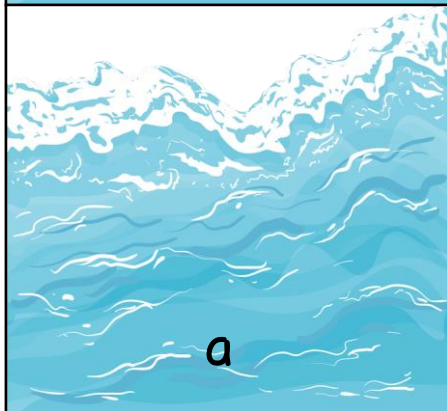

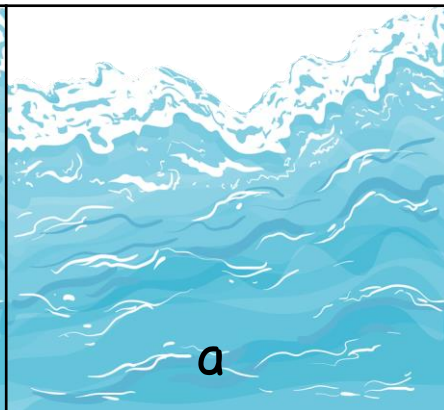

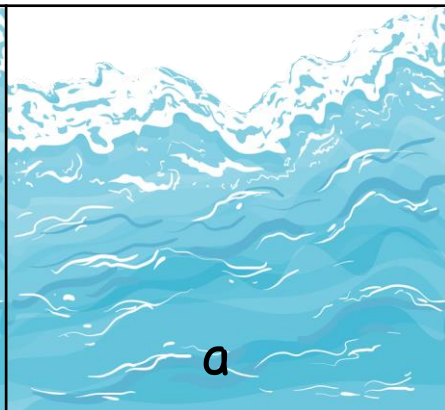

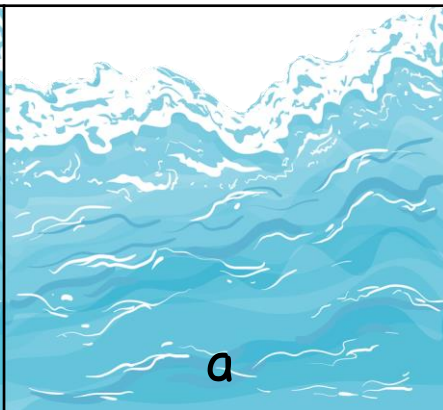

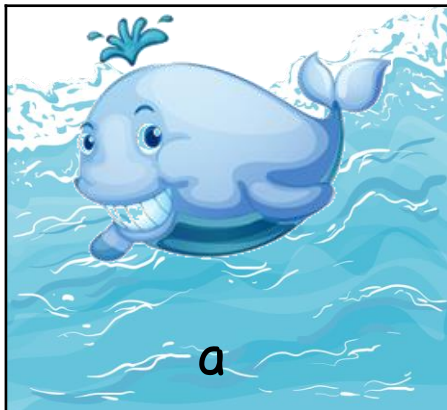

Pour les libérer la 1^{ère} sirène pêche 3 animaux marins. Classe-les dans l'ordre alphabétique sur ta fiche sirène.

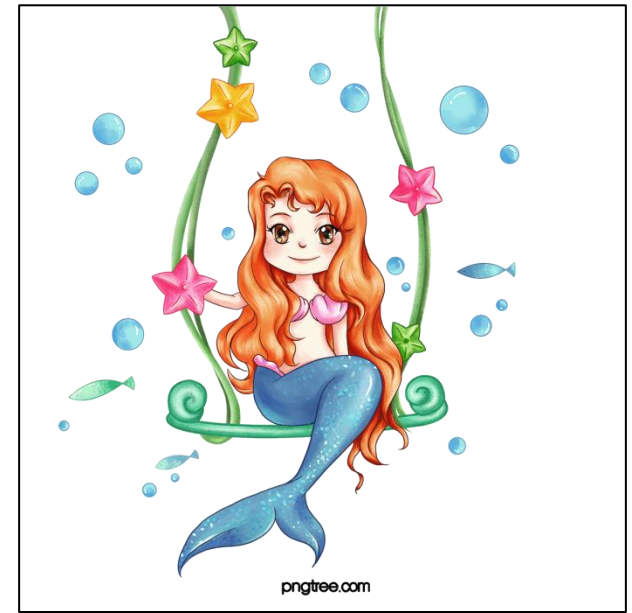

Si toutes les sirènes approuvent la réponse, tu peux libérer les animaux en les relâchant dans la mer.

Si tu te trompes, remets les animaux en place.

C'est à la sirène suivante de jouer.

Quand tous les animaux sont libérés, la partie est terminée.
