

Les cadeaux des enfants sages

Math : papillonner

Dessine ce qui manque pour que les deux dessins soient identiques !

The image shows a 10x10 grid divided into four 5x5 squares. The top-left square contains a red bow, a red cross, and a black semi-circle. The top-right square contains a yellow bow, a yellow cross, and a 3x3 grid of blue triangles and yellow circles. The bottom-left square contains a green bow and a green diagonal line. The bottom-right square contains a black semi-circle and three purple squares.
