A vibrant, cartoon-style illustration of a sunny day. On the left, a large green tree with a brown trunk stands against a blue sky with white clouds. A large, smiling yellow sun with closed eyes is in the upper right. The bottom of the page features a green field with several flowers of different colors (red, yellow, purple) and a small green alien-like creature. The word "DIMANCHE" is written in large, red, bold letters across the center of the white space.
