Quand le street art se fait porte transdimensionnelle

Les trompe-l'oeil de 1010 ne vous emmèneront pas de l'autre côté du mur – pour le moment.

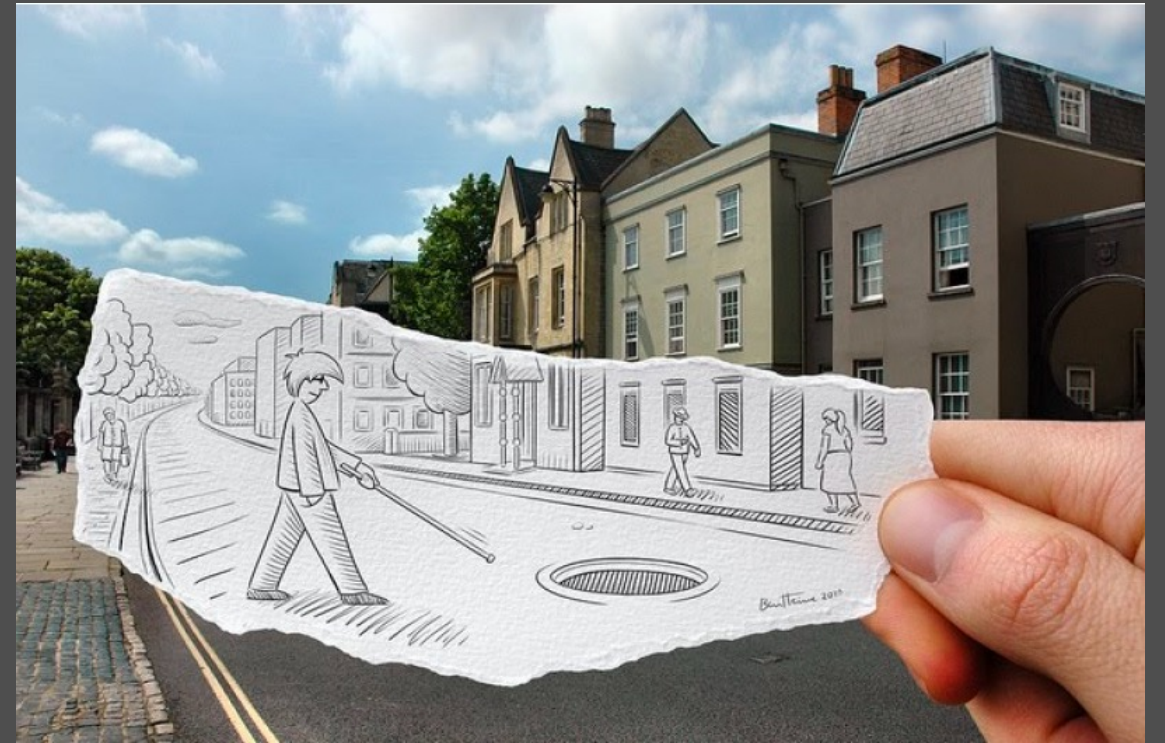

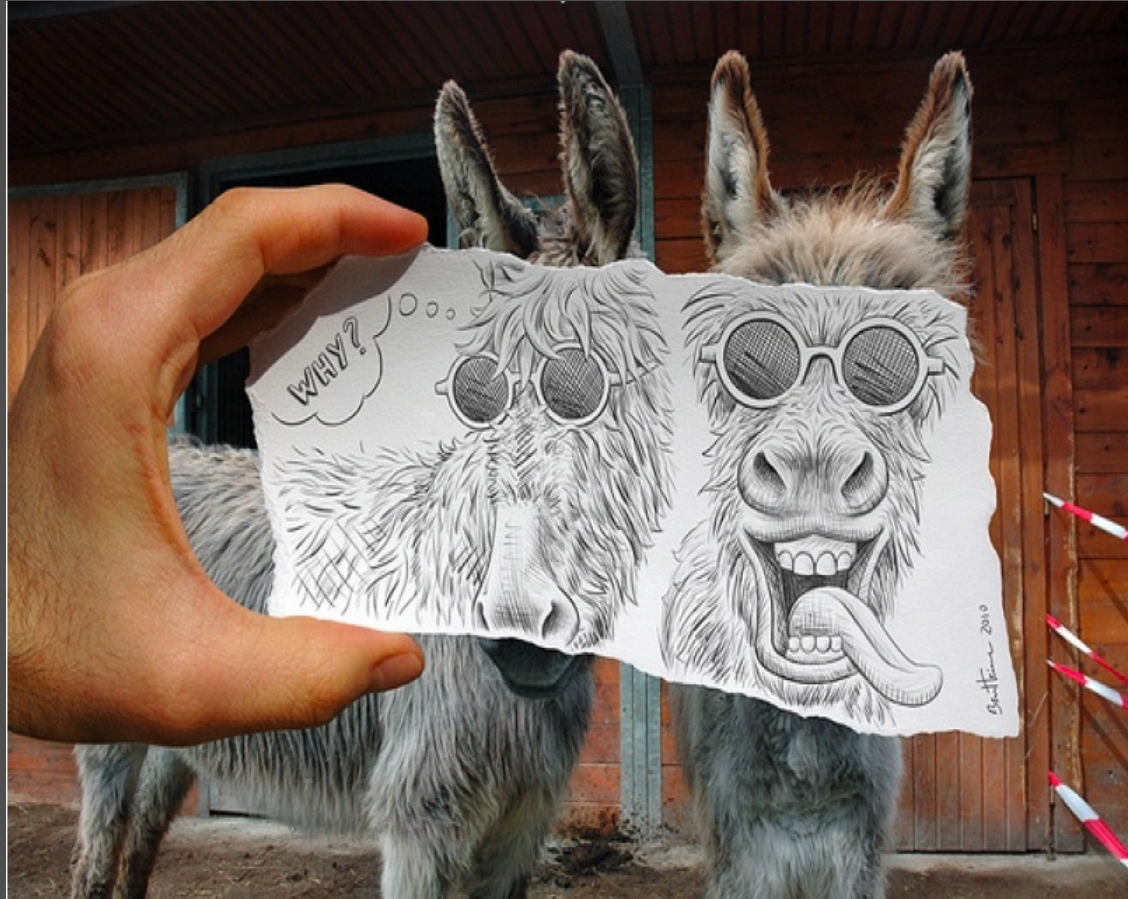

Par Matthew Sedacca

Lorsque vous regardez une des oeuvres de l'artiste allemand 1010, vous contemplez les abysses. Vous êtes face à un monde inconnu et malgré la peur de l'inconnu vous mourrez d'envie de savoir ce qu'il se trame de l'autre côté du mur. Rien. Gros débile. C'est un mur. On est pas dans Harry Potter, pas de quai 9 trois quart. La seule expérience magique qui vous attend est une grosse commotion et deux trois jours d'arrêts.
