

# LES CLÉS DE LA RÉUSSITE

Objectif du dispositif : renforcer les comportements positifs, récompenser les élèves respectueux des règles de la classe.

Dès la rentrée, votre enfant a reçu toutes les clés permettant d'ouvrir les clés de la réussite. Je lui ai également donné ma confiance.

Faire l'effort de respecter les règles de la classe n'est pas si facile au quotidien et mérite d'être récompensé.

Les tableaux suivants vous permettront de suivre, semaine après semaine les efforts de votre enfant.

Ils sont un reflet de la vie de la classe.
