Faire le tour du monde

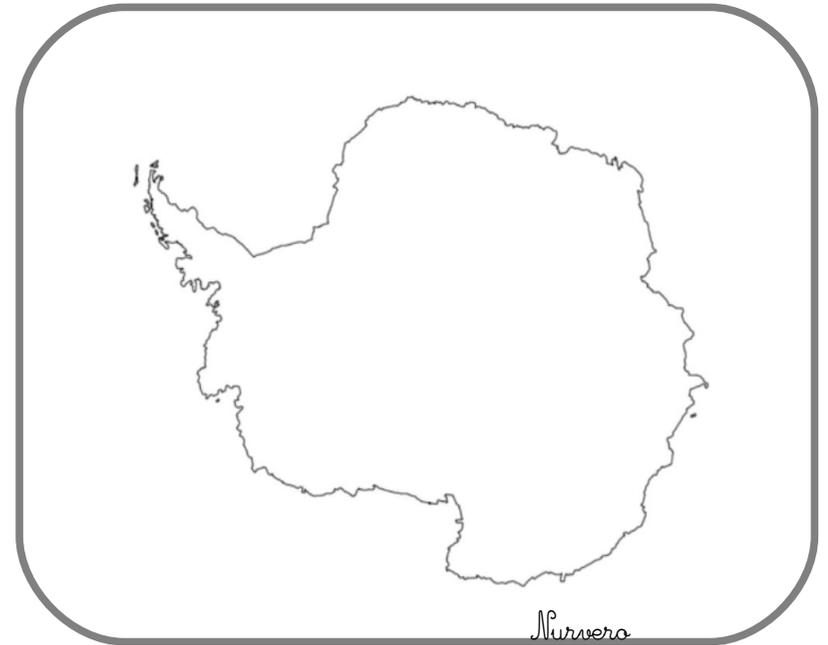

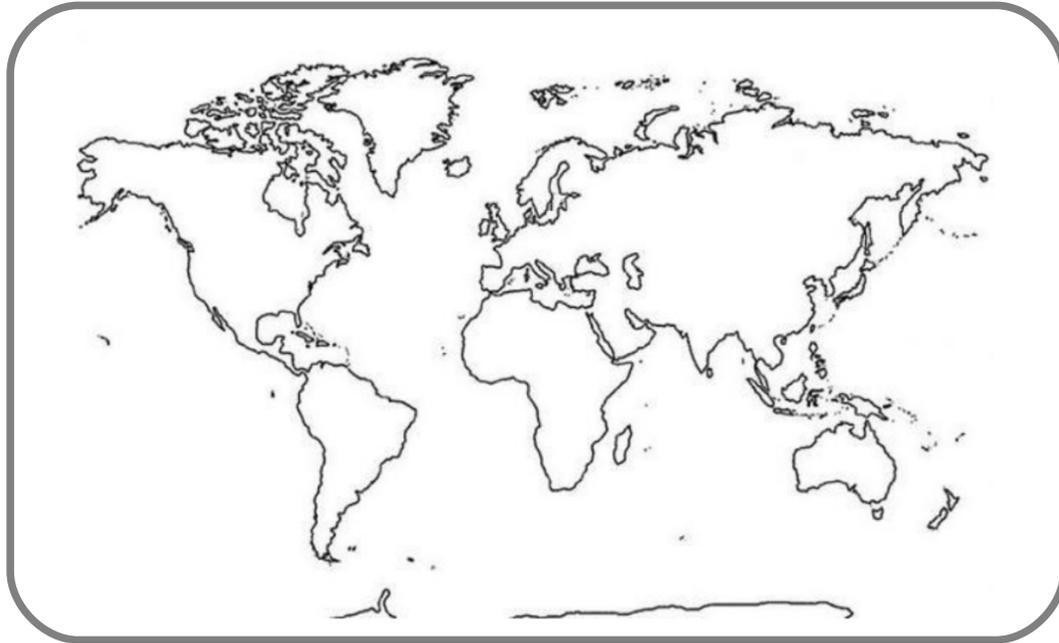

A large rounded rectangular box containing a set of horizontal lines for writing, with a vertical line on the left side.

Tout rond ou à plat ?

A horizontal rectangular box with rounded corners, containing a set of four parallel horizontal lines. A vertical line on the left side intersects all four horizontal lines, creating a space for writing.

**Pauvre Antarctique,
personne ne reconnaît sa forme !**

Nurvera

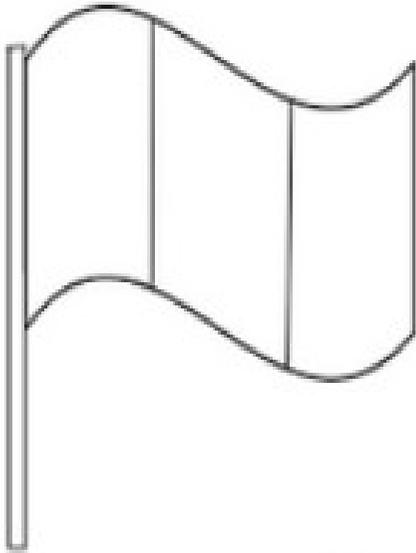

A set of four horizontal lines for writing, enclosed in a rounded rectangular border. The lines are evenly spaced and extend across the width of the box.

Les maisons du monde !

Les maisons du monde !

C'est une maison ronde en boue séchée et toit de paille . On la trouve en Afrique .

C'est une maison de neige qui durcit avec le vent . On la trouve dans les régions glaciales .

C'est une maison en bois : des troncs d'arbre emboîtés . On la trouve en Russie .

C'est une maison ronde recouverte de feutre , faite pour être déplacée . On la trouve en Mongolie .

C'est une maison sur l'eau, tenue par des grandes perches en bois .
