**Notice of Acceptance and Schedule, 39th COSPAR Scientific Assembly, 14 – 22 July 2012,
Mysore, India**

Dear *Mr Mekki-berrada*,

On behalf of the Council of the Committee on Space Research, I am pleased to inform you that your contribution to the 39th COSPAR Scientific Assembly entitled: "**Prebiotic chirality**" has been accepted and scheduled for a poster presentation in scientific event **F3.2**, on Thursday, January 01, 1970, 01:00-01:00.

For the overall program and details of your scientific event, please consult the Assembly web site at:
<http://www.cospar-assembly.org>.

Please note that the general poster viewing time will be Sunday, Tuesday - Friday, from 16:00 - 17:30. Authors who present a poster are kindly requested to be next to their poster boards during the appropriate viewing time as well as on the specific day and time scheduled by event organizers (see schedule on the web under Scientific Event Schedule).

Inclusion of your paper in the conference program carries with it the obligation for you, or for one of your co-authors as the case may be, to display and/or to present the paper at the times and in the mode indicated. You are kindly requested to inform us if you and your co-authors find at any time before the Assembly that it is not possible to attend so that we may cancel your paper. Please also inform your event organizer well in advance of the session.

Poster boards will be 1m x 1m. The Local Organizing Committee will provide all the accessories needed for fixing the posters.

Poster viewing sessions will take place on Sunday, 15 July and Tuesday, 17 July through Saturday, 21 July from 16:00 - 17:30.

Presenters are encouraged to submit their completed manuscripts to COSPAR's journal, *Advances in Space Research*. *ASR* is listed on the ISI Web of Science and electronically available on Science Direct. The *ASR* impact factor has risen steadily in recent years (1.076 in 2010, and the average time from submission to publication on-line has decreased substantially. There are no deadlines for submission as *ASR* is now a regular journal. The web site with instructions for authors and for submissions is <http://ees.elsevier.com/asr>. Information is also available on the COSPAR web site and at the *ASR* Editorial Office at Mysore Assembly.

Your COSPAR paper number is **F3.2-0028-12**. This is the final number for your presentation. Papers submitted to *Advances in Space Research* will be assigned a journal number that will be different from the COSPAR Presentation number.

Please feel free to volunteer as chairperson for one of the sub-sessions of your event where you are not a speaker if the web indicates this position is not yet filled by the Main Scientific Organizer. If you wish to volunteer, kindly inform the event organizer and ZARM (cospar@cospar-assembly.org) by 13 June 2012.

If you need this message in a letter format, please print this PDF file.

All participants are reminded to apply for their visas as soon as possible. Please refer to the website of the Local Organizing Committee (<http://www.cospar2012india.org/Default.aspx>) for the visa invitation letter.

We wish you a pleasant journey to Mysore and are looking forward to seeing you at the Assembly.

Yours sincerely,

Dr. Jean-Louis Fellous
COSPAR Executive Director
