A handwriting practice line consisting of five horizontal lines: two cyan lines at the top and bottom, and a dark blue line in the middle. A lowercase letter 'q' is written in black, starting with a red dot at the top cyan line, forming a counter-clockwise circle that crosses the middle blue line, and ending with a vertical stem that reaches the bottom cyan line.

A handwriting practice line consisting of five horizontal lines: two cyan lines at the top and bottom, and a dark blue line in the middle. A lowercase letter 'g' is written in black, starting with a red dot at the top cyan line, forming a counter-clockwise circle that crosses the middle blue line, and ending with a vertical stem that loops back to the left and reaches the bottom cyan line.

A handwriting practice line consisting of five horizontal lines: two cyan lines at the top and bottom, and a dark blue line in the middle. A lowercase letter 'v' is written in black, starting with a red dot at the bottom cyan line, curving up to cross the middle blue line, and ending with a horizontal stroke.

A handwriting practice line consisting of five horizontal lines: two cyan lines at the top and bottom, and a dark blue line in the middle. A lowercase letter 'w' is written in black, starting with a red dot at the bottom cyan line, curving up to cross the middle blue line, then curving down to cross the bottom cyan line, and ending with a horizontal stroke.
