

## Three Christmas trees

There are three Christmas trees,  
Christmas trees, Christmas trees  
There are three Christmas trees  
Let's chop one down !

Look out !

There are two Christmas trees,  
Christmas trees, Christmas trees  
There are two Christmas trees  
Let's chop one down !

Look out !

There is one Christmas tree,  
Christmas tree, Christmas tree  
There is one Christmas tree  
Let's chop one down !

Look out !

There are no more christmas trees,

Oh no !
