

Noah Builds A Big Boat

By Jill Kemp

Illustrated by Richard Gunther

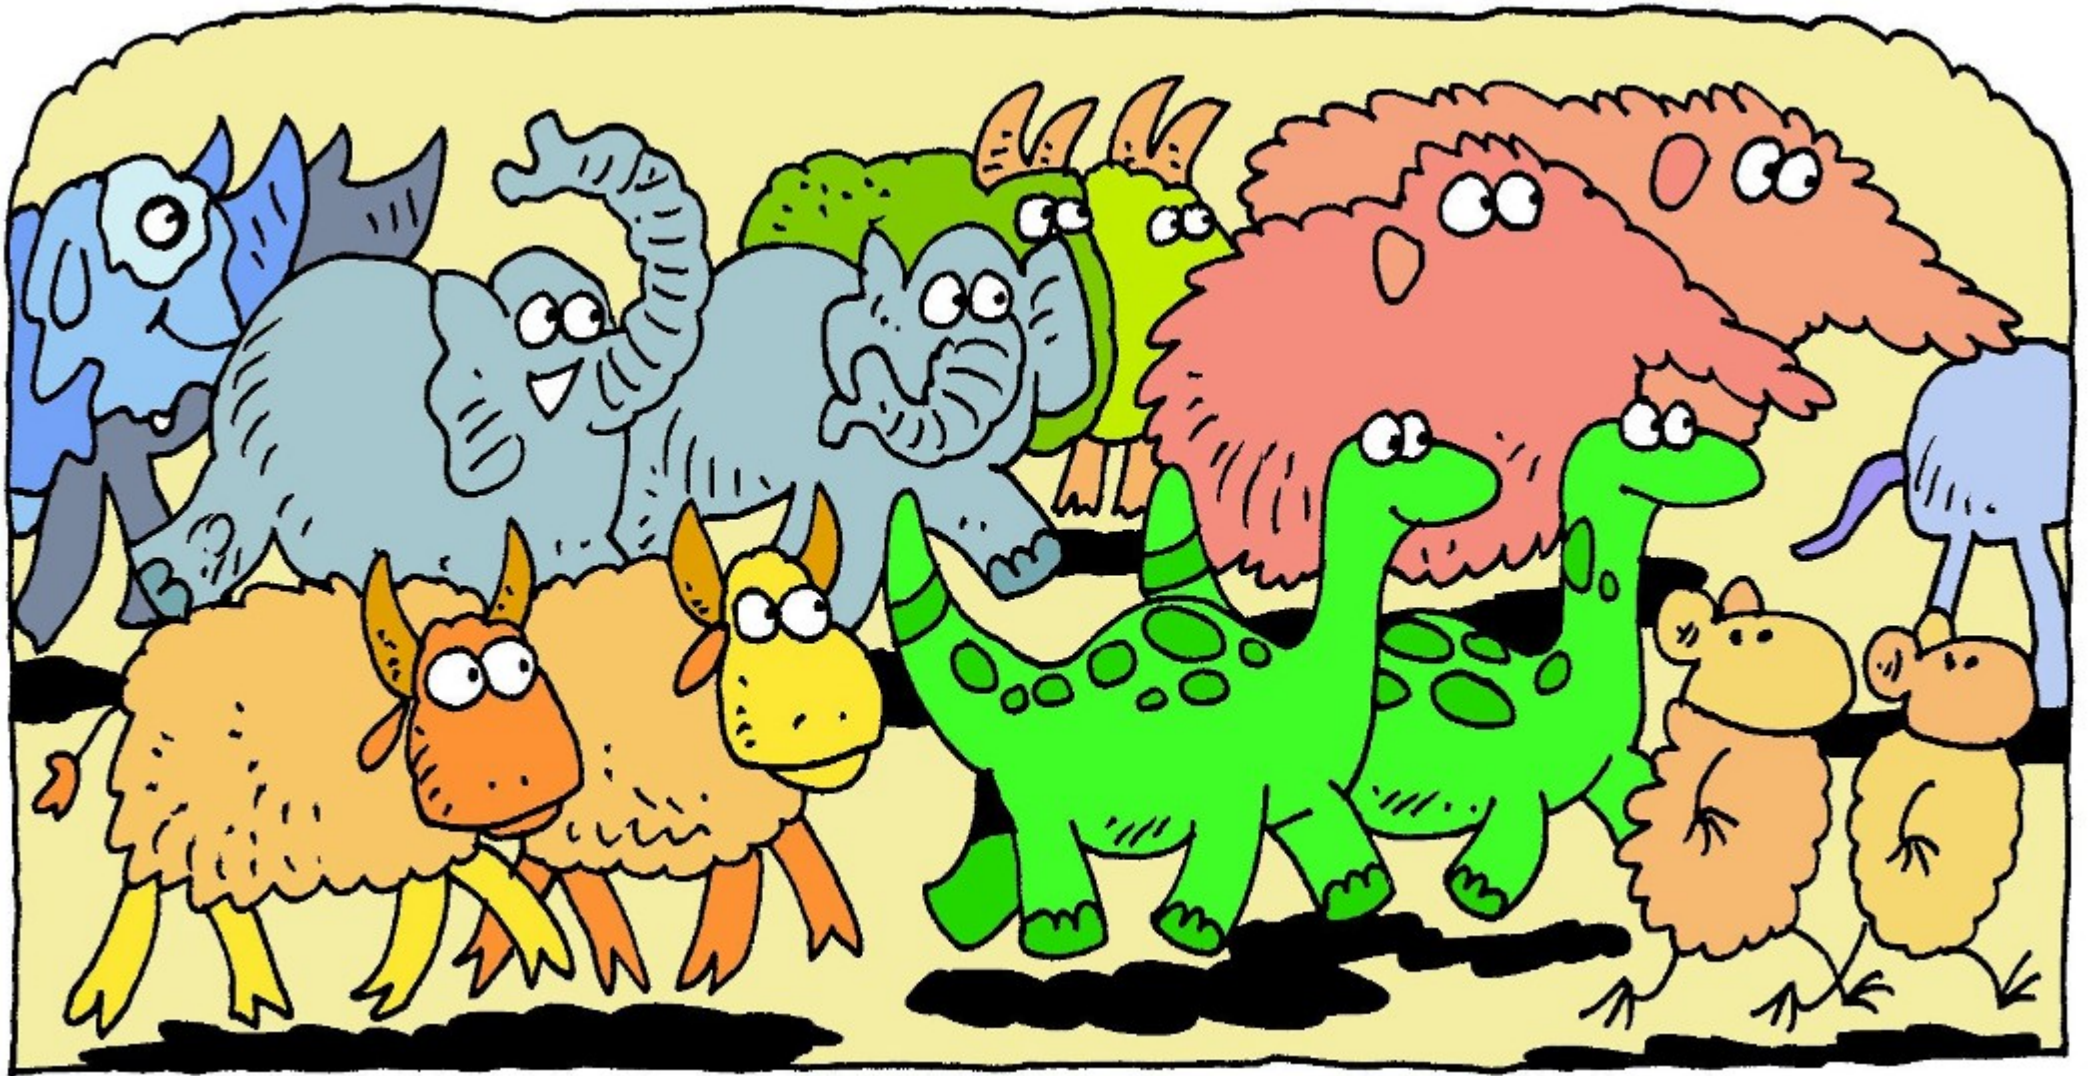

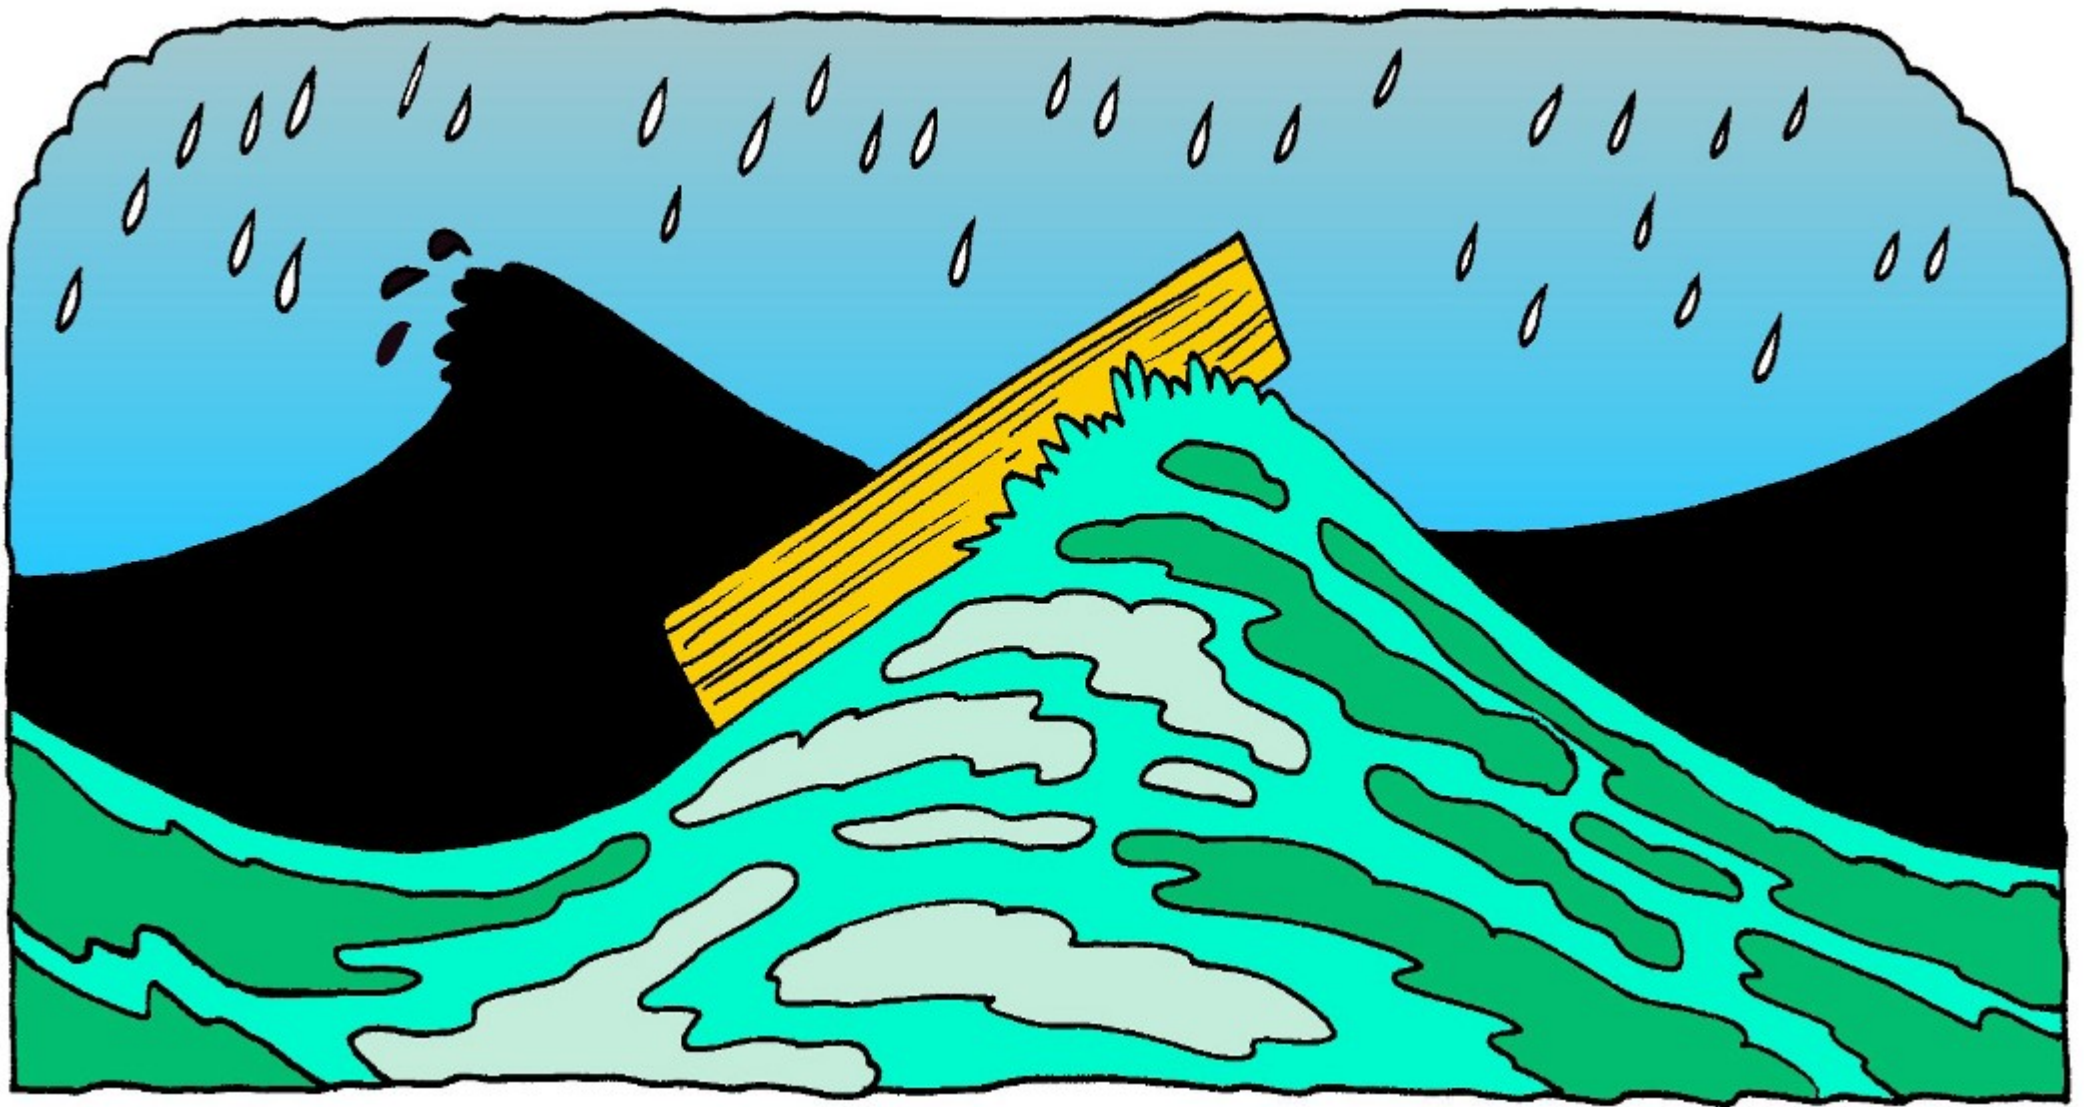

God said to Noah, "It is going to rain.
Build a big boat with rooms for
a mother and father of every animal."
Noah did what God told him to do.

It was a VERY big boat.
His family helped him too.
Then they painted it all over.
We call Noah's boat "Noah's Ark."

When Noah had finished,
a father and mother of each animal
went into Noah's Ark.
What a noise! So many animals!

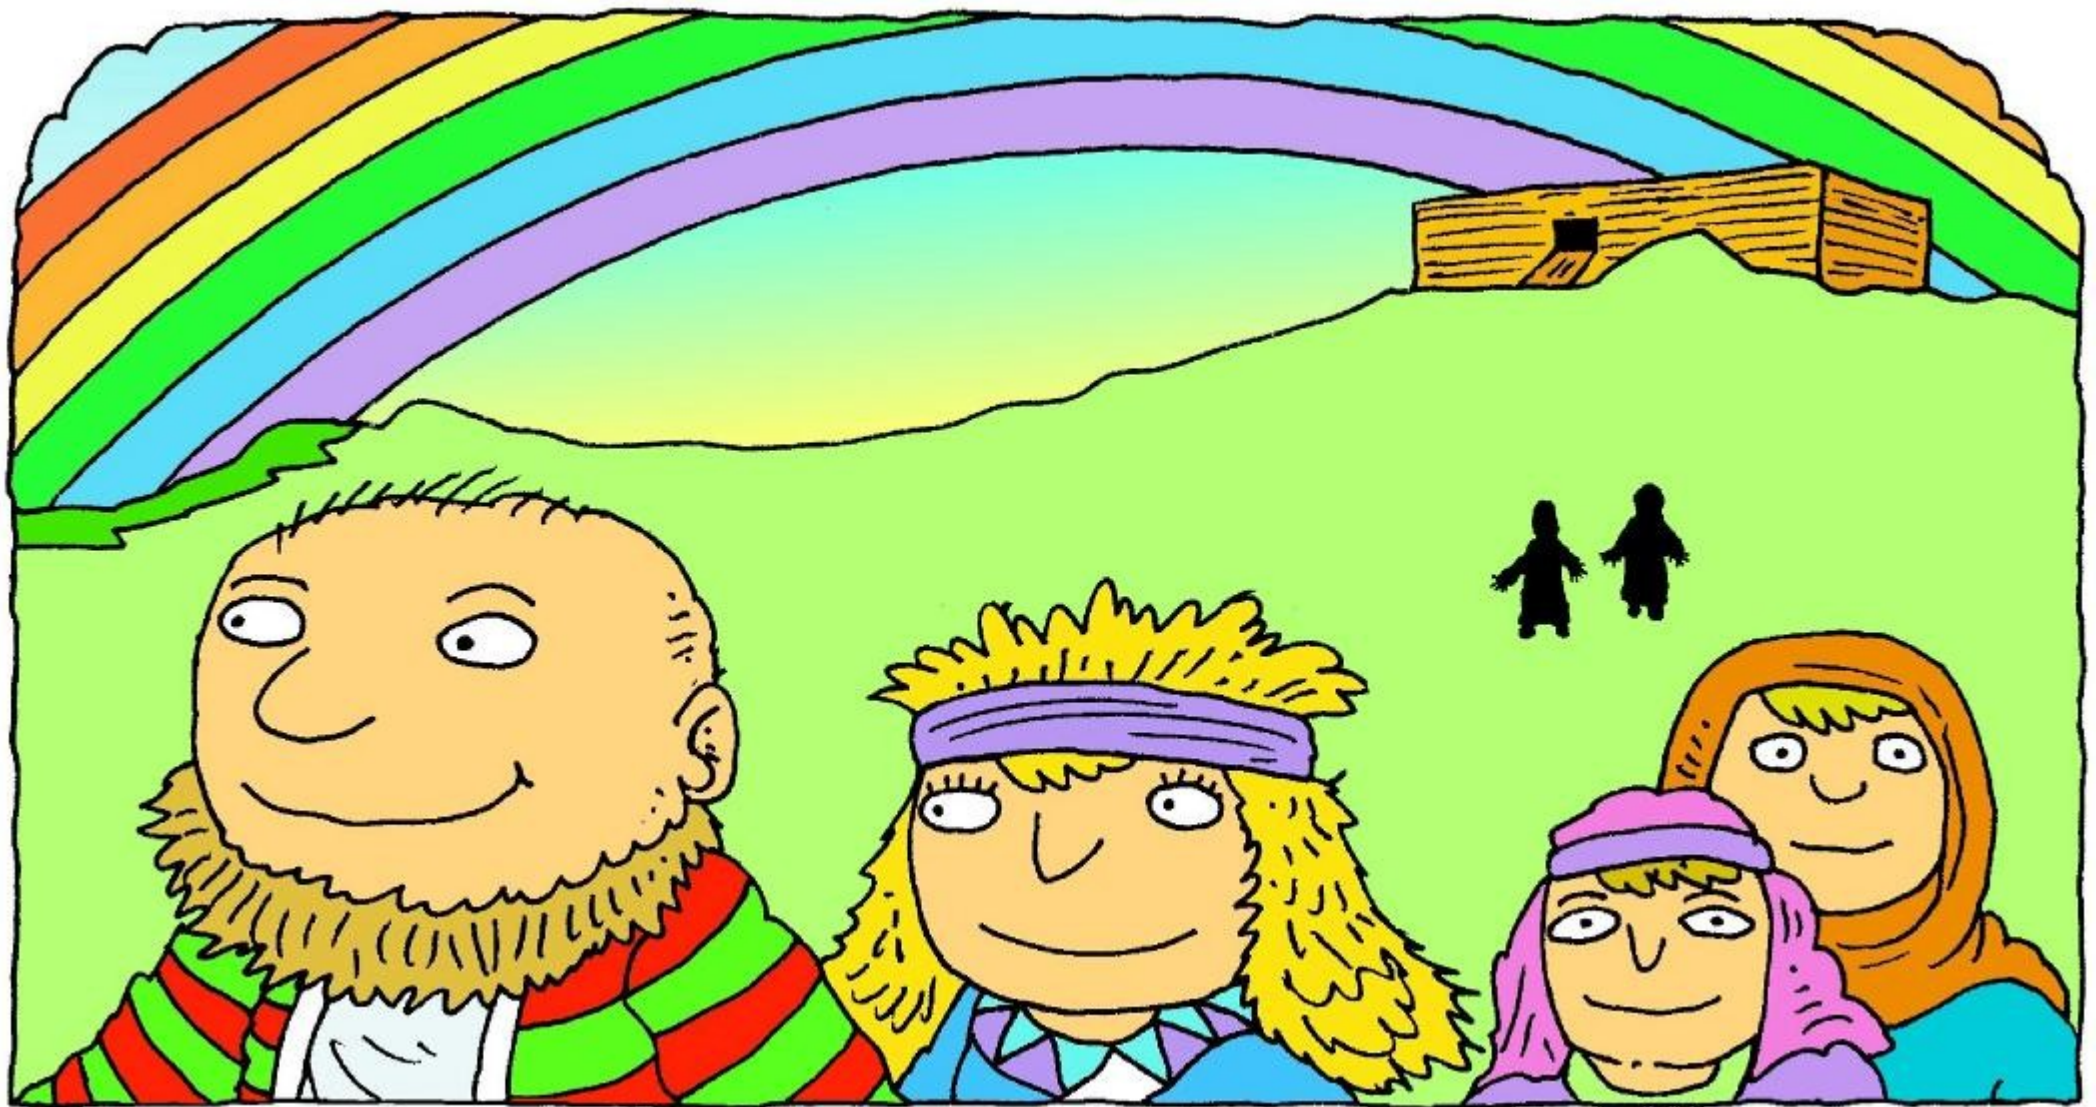

God shut the door and it began to rain.
The water got deeper and deeper.
But Noah, his family and the animals
were safe and dry inside the Ark.

After 40 days the rain stopped.
It took a long time for the water
to go away and the ground to dry.
Noah sent a bird to see if there was dry land.

At last the day came when everyone
could go outside again!
Noah and his family thanked God
for keeping them safe and dry.

God made a beautiful rainbow in the sky.
Noah and his family had never seen a rainbow before!
Rainbows remind us that God has promised
never to make it rain that much again!
