

Calculer une soustraction en colonnes

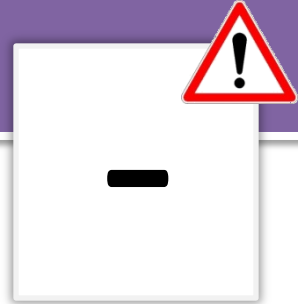

1-6 ? Impossible !

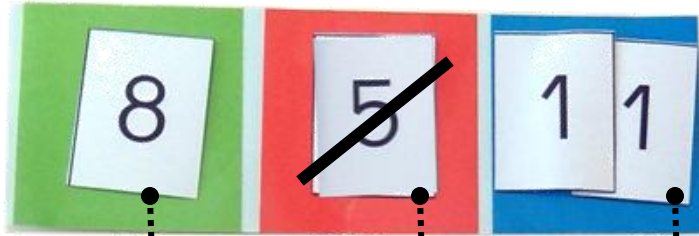

J'échange 1 dizaine contre 10 unités. Restent 4 dizaines.

Calculer une soustraction en colonnes

4

Unités : $11 - 6 = 5$ unités
Dizaines : $4 - 3 = 1$ dizaine
Centaines : $8 - 0 = 8$ centaines

$$\begin{array}{r} 4 \\ 8 \cancel{5} 1 \\ - 36 \\ \hline 815 \end{array}$$
