- Top row (left to right): "six", "12", "6", "cinq", and a pawn with 5 dots (two in a vertical line on the left, three in a triangle on the right).
- Second row (left to right): "dix", "10", a pawn with 1 dot in the center, a pawn with 2 dots (one above one), and "trois".
- Third row (left to right): "neuf", "5", "sept", and a pawn with 6 dots (two vertical lines of three).
