ŠIMPANZ

V jedné zoo v Olomouci,
ndírká si ve dne v noci
šimpanz, co je po nemoci

Nikdo ani netuší,
jak mi fouká do uší
v tomto špatném ozduší

Co mně musí nejvíce
mí příbuzní v Africe
nemůžou přes hranice

Bydlel bych tu v vaší řád
kdyby přišel hamariád
co by si šel semnou hrát.

Chimpanzee

I am a small chimpanzee
I live in a zoo in Tennessee
I am very weak
All day and all night I weep.

Nobody knows about the breeze
blowing into my ears
in this bad atmosphere.

The most I miss my African relative Lisa
She does not have an american visa.

I would stay here with a pleasure
We would find a big treasure with a new friend.
