

1 Découpe et calcule :

3+2=5

$$14 + 20$$

$$\begin{array}{c} 10 + 4 + 20 = \\ 30 + 4 = 34 \end{array}$$

$$25 + 30$$

$$\begin{array}{c} \square + \square + \square = \\ \square + \square = _ \end{array}$$

$$43 + 20$$

$$\begin{array}{c} \square + \square + \square = \\ \square + \square = _ \end{array}$$

$$31 + 30$$

$$\begin{array}{c} \square + \square + \square = \\ \square + \square = _ \end{array}$$

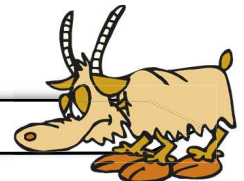

$$30 + 17$$

$$\begin{array}{c} \square + \square + \square = \\ \square + \square = _ \end{array}$$

$$30 + 24$$

$$\begin{array}{c} \square + \square + \square = \\ \square + \square = _ \end{array}$$

2 Calcule de la même façon :

3+2=5

$$24 + 30$$

$$= 20 + 4 + 30$$

$$= 50 + 4 = 54$$

$$18 + 60$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$20 + 49$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$42 + 30$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$17 + 30$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$43 + 40$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$25 + 50$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$30 + 19$$

$$= _ + _ + _$$

$$= _ + _ = _$$

$$25 + 20$$

$$= _ + _ + _$$

$$= _ + _ = _$$
