

The story takes place in Glasgow

Robbie would like to with Leonie and..... their baby son, Luke, but Leonie's father him he is a good-for-nothing. We that Robbie is a petty criminal who has just to 300 hours of community service , like other offenders being on the same day . This is an alternative to prison, a sort of second chance. His supervisor, Harry, first the group to a churchyard, then, during a weekend, he his charges into a van and a distillery where they how whisky..... and how to nose and old whisky.

Robbie that he is good at it and starts the various blends of whisky. Then Harry them to a whisky show in Edinburgh. There, Mo, the girl they should..... to make easy money with some very expensive whisky about to during an auction sale. Robbie first but then works out a plan which them more money than they have ever had without anyone and the "dream team" to have a go at it.
