sings so good, and he brings to you what he
sings to you. And the love in his lullaby
seemed to tell me if I try I could fly for you,
and lover, I want to try for you. 'Cause
I want to sing you a love song,

I want to rock you in my arms all night long.

I want to get to know you,

I want to show you the peaceful feelin' of my home.

A Love Song: 7 - 3
Summer thunder on moon bright days,
northern lights in skies ablaze I'll bring to you,
if you'll let me sing to you.
Silver wings in a fiery sky show the trail of our
love and I'll sing to you,
love is what I bring to you,

I want to sing to you. Oh, I

want to sing you a love song.

I want to

rock you in my arms all night long.

free as a dove, conceived in love,
shares my name, now I'm through with the game,

sun is gonna shine above,
this boy will never be the same,

And even though we ain't got money,
I'm so in love with ya, honey, and

everything will bring a chain of love,
And in the morning when I rise,
you bring a tear of joy to my eyes, and

tell me every thing is gonna be all right.

Pisces, Virgo rising is a very good sign,
Love the girl who holds the world in a paper cup,

strong and kind,
drink it up,
and the little boy is mine,
love her and she'll bring you luck.
Now I see a family where there
And if you find she helps your mind, buddy,

once was none,
take her home,

yeah, we're gonna fly to the sun,
try to earn what lovers own.

And even though we ain't got money,
I'm so in love with ya, honey, and
ev'rything will bring a chain of love.

And in the morning when I rise,
you bring a tear of you.

to my eyes, and tell me ev'ry

thing—is gonna be all right...
Oh, I could hide 'neath the wings of the blue-bird as she sings; the rings, and we rise, wipe the sleep out of our eyes. The six o'clock alarm would never ring. But it shaving razor's cold and it stings. Cheer up sleepy Jean.
Oh, what can it mean to a daydream believer and a homecoming queen.

I once thought of you as a good times start but then as a

white knight on a steed, dollar one to spend. But now you know how happy we can be.

Oh, and our how much, baby, do we really need?

Hey.
What About Me?

I'd like to have a song, to sing, too.

Please let me in, where you're singing your song.

Please don't you ask me to give you a song.

and I'll just sit quiet. I won't try to sing a long.

I won't know the words to use, I won't know where they belong.
You've got the warmest place that I've ever found.

Please let me in and I won't make a sound.

But if you gave me one of yours I would make it my own.

It would be the sweetest song that I have ever known.

I'd like to have a song to sing too.
