

La division à 1 chiffre

$$\begin{array}{r} 7880 : 8 \\ \underline{72} \\ 68 \\ \underline{64} \\ 40 \\ \underline{40} \\ 0 \end{array}$$

The division process is shown with a vertical bar on the right. The dividend 7880 is written on the left, and the divisor 8 is written on the right. The quotient 985 is written on the right side of the bar. A red arc highlights the first two digits of the dividend (78). A blue arrow points down from the 8 in the second row to the 8 in the third row. An orange arrow points down from the 8 in the third row to the 8 in the fourth row. A blue arrow points down from the 0 in the fourth row to the 0 in the fifth row. The final result is 985 with a remainder of 0.
