

Plein

de boules de neige
ont fait un gros
bonhomme

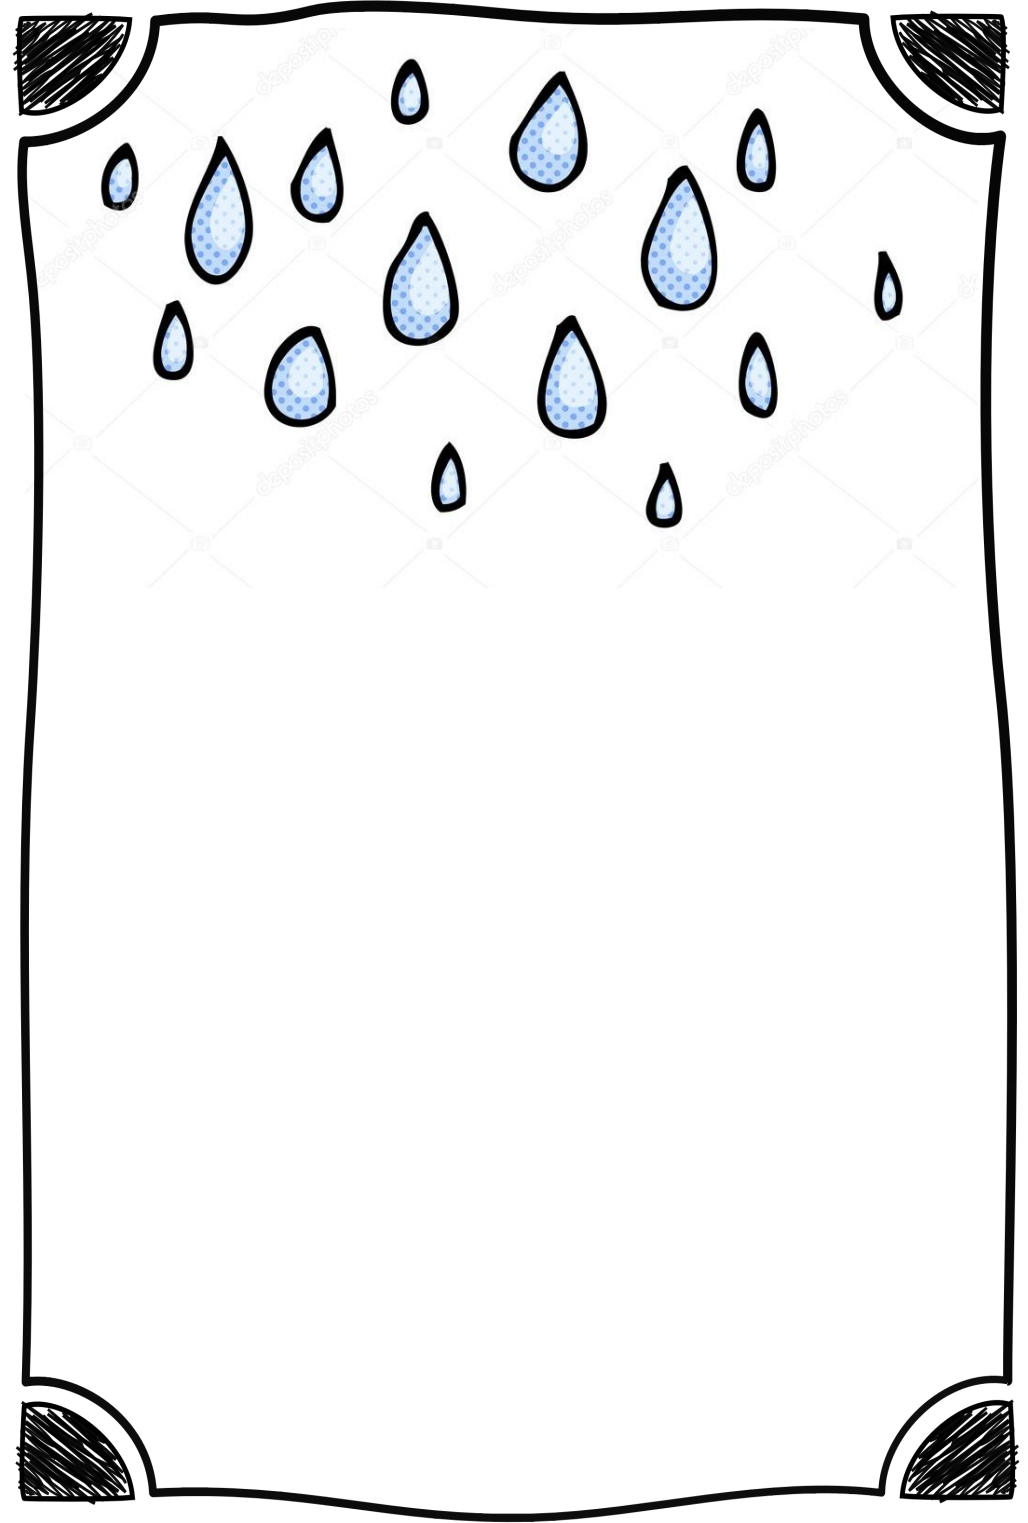

un gros bonhomme de neige.

Chapeau noir,
nez pointu...

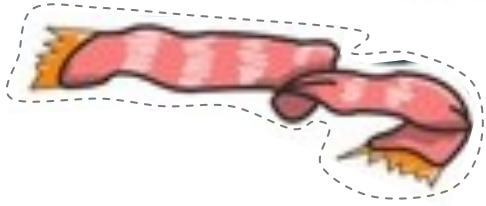

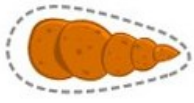

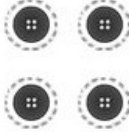

Mais le soir,
il a plu..

Dans la nuit,
il a fui...

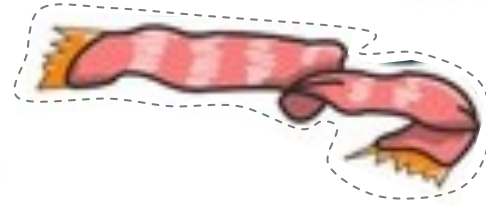

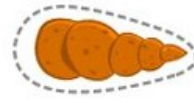

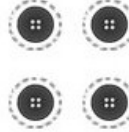

Seul reste son chapeau
faisant un rond dans l' eau !

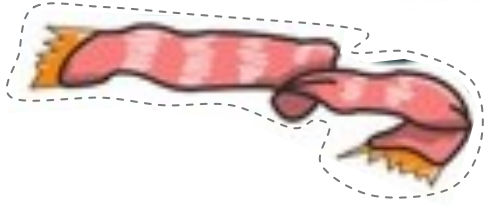

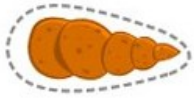

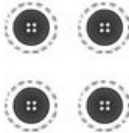

Bonhomme
de neige
fondu !

Bonhomme
de neige
fondu !

Bonhomme
de neige
fondu !

Bonhomme
de neige
fondu !
