Three rows of numerical grids for completion. Each grid consists of 10 boxes with a vertical bar after the 5th box. The first box of each row contains the number 51. The 5th box of each row contains an 'x'. Clouds with arrows point to the boxes to be filled.

Row 1: Clouds above boxes 2, 3, 4, 6, 7, 8, 9, 10.

Row 2: Clouds above boxes 3, 4, 5, 6, 7, 8, 9, 10.

Row 3: Clouds above boxes 3, 4, 5, 6, 7, 8, 9, 10.
