Instructions

Printing Instructions:

- 1) Print out all pages.
- 2) Cut out the cards along the black border lines.

Optional: Use "card stock" paper and/or laminate after printing for more durable cards.

Suggested Use:

These flashcards are intended to be used as a supplement to our "I Know My Hoorooof!" book, to help introduce your child to the Arabic alphabet.

1) Begin by focusing on the letter form itself, pointing it out in both the upper right hand corner as well as in the sample word shown. Work in short daily sessions with only a few letters at a time until your child can identify all the letters easily.

2) Next, emphasize how each letter sounds when used in a word, use the last card in the set for review.
