

Validées.eklablog

Notice :

Il y a 4 couleurs affichées dans la classe:
vert / jaune / rouge / noir.

Tous les matins, les élèves ont leur étiquette dans la colonne verte. S'ils ne respectent pas les règles de vie, ils ont un avertissement puis déplacent l'étiquette dans le jaune, puis le rouge, noir... A contrario, ils peuvent se rattraper et remonter les niveaux de couleurs.

A la fin de la journée, chaque élève colorie le pétale du jour de la fleur de la semaine de la bonne couleur.

Les parents signent à la fin de chaque semaine (en dessous de la fleur)

Quand un élève a toute sa fleur verte, il a 1 image en fin de semaine. Ensuite 5 images donnent droit à avoir la peluche du loup pour le week-end à la maison...
